- 10 Reasons Why You Should Ship Your Foxes and Furs: 1.—People who sold last year lost as much as 100 per cent. 2.—People who sell this year are bound to lose. 3.—The market is getting stronger every day. 4.—Cash advances — made same time furs are received. 5.—Guaranteed prompt returns. 6.—No long delays. 7.—It is estimated there are only three quarters as many furs this year. 8.—We figure there is ten times the demand for them. 9.—Therefore the price must go up. 10.—Private sales made daily.
