—Claude Haeker, son of Mr. W. S. Haeker, Summerside, who has been in the Bank of Nova Scotia here for some time, has been transferred to the branch at Chatham, N. B. Master Haeker who is sixteen years of age, is one of Summerside's brightest boys and his many friends will always expect to hear well of him. The Guardian wishes him every success.

—Complaints are being made that certain boys have recently been amusing themselves around Summerside by shooting robins, goldfinches and other birds of that class. The person who would shoot any of the few singing birds that make the groves a perpetual delight in summer, deserves all that a stringent law can inflict upon him; and it should be remembered that a very slight net loss protects these birds. Doubtless any further complaint in this respect will result seriously to the offenders, and boys who are unfortunate enough to own guns are asked to take warning, as a repetition of the crime cannot go unpunished.

CONSTIPATION

Some of the best values shown at the stocking sale will be in the line of men's hose. We will show lines from one pair right up and every line will be a plum. Moore & McLeod. 6-5d11

DON'T USE GREASY LINIMENTS

A century ago they were popular. Today people want something easy to apply, certain in results, and above all a clear liniment. When Nerviline is applied aches and pains disappear as the pores absorb its soothing healing properties. Nerviline penetrates to the core of the pain, eases instantly, and leaves no oily bad smelling memory behind. Good to take in, capital to rub on, and five times more powerful in destroying pain than any oily liniment. Don't fail to get a large 25c bottle.

Sensational Bargains in Whitewear

20 per cent off all Whitewear in Stock

Commencing today, and continuing until further notice, we will give extraordinary reductions on all lines of made-up whitewear. No need to give any detailed description of our lines. Their superiority is well known, and the enormous quantities we sell is proof positive that our moderate prices are appreciated.

See our windows for samples, then come in and secure what you need as these extraordinary discounts will not last long. We will also give

20 per cent off all High Priced Wall Paper

In order to clear out the balance of our best lines which have become very much reduced through our extraordinary selling, we will give 20 p.c. off all lines over 25 cts a roll, as we are unable to repeat on these and wish to make room for an entirely new stock for the following year.

We have already repeated of the cheaper grades and marked them so close, as to be decided snags at their present prices. They are going out with a rush, and our advice is to secure what you need without delay.

Compare what it costs to paper a room this year with what it formerly cost, and deal with the firm, who has procured for you such extraordinary reductions. You can now purchase a whole roll of bordering, for what it formerly cost you for a single yard.

Samples sent to country trade, state about what price required, and give an idea of the color also whether narrow or wide border. We are confident we can suit you.
