

For Family Colds

A reliable cough and cold cure should be always in the house ready for use the moment the first symptoms appear. It is always easier, cheaper and better to check a cold in the very beginning. It is safer, too.

Shiloh's Consumption Cure, the Lung Tonic, has been tested for thirty-three years, and tens of thousands of homes in Canada and the United States to-day are never without it.

A dealer writes: "Shiloh's Consumption Cure is without doubt the best remedy for Coughs and Colds on the market. Once used, my customers will buy no other."—L. Eddy, Newsgiver, Ont.

If it were anything but the best would this be so? Try it in your own family. If it does not cure, you get back all it cost you. We take all the chances. Neither you nor your dealer can lose. Isn't that fair? 25c. is the price. All dealers in medicine sell.

The biggest steak is not too big for the Pandora Broiler door. Successful broiling must be done quickly over a hot fire. You can get the hottest fire you want in five minutes by the drafts of the Pandora range, and without waste of coal.

The best way to cook a good steak is to broil it, and the best way to broil it is on a Pandora range.

The Exhibition

Is now a Thing of the Past.

And was popularly conceded to be the best ever held in the Province. This is indeed a matter for congratulations.

Our Fur display, held at the Exhibition, was also said to be the best ever shown in this Province, and we cannot fail to be pleased at the many flattering expressions, in regard to it, from the many visitors both from home and abroad.

Many people, at first sight, thought it was the display of some big foreign concern, and were agreeably surprised to find that such a rich and comprehensive exhibit could be made by a Charlottetown firm. Several gentlemen, who are in a position to judge, said to us that it was equal, if not superior—to any Fur display in the Maritime Provinces.

We are satisfied that it was, by far, the best showing we have ever made, and those who did not have an opportunity of seeing it at the Exhibition, should lose no time in paying a visit to our big Fur department on the second floor.

We have everything you could possibly need in the Fur line, and of the very best qualities in the different grades, all at the prices which cannot fail to be trade-winners.

We are especially proud of our Men's Coon Coats and Ladies' "Coristine" Jackets. These are beauties, every one, and all fully guaranteed.

Our neck-pieces and muffs are superb and range in price from \$1.50 up to the most costly. No one need be without a comfortable neck ruff during the coming winter, as we have something to suit even the slimmest purse.

All are cordially invited to view our Fur display—even if you do not need to buy—and while in, do not fail to see our attractive Millinery display, which also received a big share of favorable attention at the Provincial Exhibition. For all that is best in Millinery and Furs try

"FADDY" AND FREAKISH WARES.

The R. W. Taylor store is, as befits its age, rather conservative, rather shy of the "faddy," freakish things in Jewelry that are in vogue to-day and out of it to-morrow—rather partial to solid, substantial worth as opposed to cheap, delusive glitter. We aim to keep up-to-date; but we never load our cases with what we know to be trashy, simply because it happens to be in fashion. Purchasers can place such faith in whatever this store recommends.
