SOMEONE IS MISSING
 All too often, able men spend a lifetime building a successful business, only to have it collapse in ruin when a partner dies. This tragedy can easily happen to your business if adequate provision is not made while all the partners are living.
 There is a Crown Life Policy designed to give this needed protection. It provides the surviving partners with ready money to buy the deceased's interest. At the same time it protects the heirs of the deceased partner by ensuring payment of their fair share of the business.
 Make a Crown Life Partnership Policy your business guardian today. Get in touch with a Crown Life Representative. He will be glad to go over your particular requirements with you.
