The deceased lady, was a true Christian worker, the centre of her home, and always ready with her kindly sympathy to all in need, and she will be sincerely missed, by her family and friends. This is to certify that fourteen years ago I got the cords of my left wrist nearly severed, and was for about nine months that I had no use of my hand, and tried other Liniments, also doctors, and was receiving no benefit. By a persuasion from a friend I got MINARD'S LINIMENT and used one bottle, which completely cured me, and have been using MINARD'S LINIMENT in my family ever since and find it the same as when I first used it, and would never be without it. ISAAC E. MANN, Metapedia, P. Q. Aug. 31st, 1908.
