BRONCHITIC ASTHMA A HEAVY BURDEN.

Asthma is bad enough but when bronchial symptoms are added the poor sufferer has almost an intolerable existence. A specific is found in fragrant healing Catarrhose which cures chronic cases that other remedies won't even relieve. For years, I writes Capt. Macdonald of Montreal, "I battled with the agonies of bronchitic asthma. Often I couldn't sleep for nights at a time. I spent thousands on doctors and medicines without relief, but one dollar's worth of Catarrhose cured me. Catarrhose can't fail! It's guaranteed. Two months' treatment, \$1.00 trial 25c."
