

COULD NOT SLEEP NIGHTS

Pains and Headaches Relieved by Taking Lydia E. Pinkham's Vegetable Compound

Dublin, Ontario.—"I was weak and irregular, with pains and headaches, and could not sleep nights. I learned about Lydia E. Pinkham's Vegetable Compound by reading the letters in the newspapers and tried it because I wanted to get better. I have got good results from it as I feel a lot stronger and am not troubled with such bad headaches as I used to be and am more regular. I am gaining in weight all the time and I tell my friends what kind of medicine I am taking. You may use my letter as a help to others."

Halifax Nurse Recommends Halifax, N. S.—"I am a maternity nurse and have recommended Lydia E. Pinkham's Vegetable Compound to many women who were childless, also to women who need a good tonic. I am English and my husband is American and he told me of Lydia E. Pinkham while in England. I would appreciate a copy or two of your little books on women's ailments. I have one which I keep to hand. I will willingly answer letters from a woman asking about the Vegetable Compound." Mrs. S. M. COLEMAN, 24 Uniacke Street, Halifax, Nova Scotia.

KENSINGTON SCHOOL PLAY.—The Kensington School management is abreast of the times as evidenced by the gymnastic apparatus which has lately been erected on the school ground. Swings, Horizontal Bar, etc., which were built by Wm. Harrington at a negligible cost. This is a step in the right direction. The physical part of education is very liable to be neglected. The mental faculties are often developed super-normally while the physical education is utterly neglected, thereby destroying a proper balance, without which the subject is unable to "carry on."—K.
