THE PEERLESS PAIGE MOST BEAUTIFUL CAR

Mr. C. Harry Benoit, City is to be congratulated on being appointed the Provincial distributor for the world famous Paige motor car—the most beautiful car in America.

No matter how many cars, or how many different makes are gathered together in one place, the Paige is easily distinguished by its distinctive beauty of line and body, its unrivalled look of elegance, the noiseless purr of its powerful motor and the easy-riding qualities which make its passengers think they are riding on a cloud.

From the very beginning Paige cars pioneered the way in beauty of body design and elegant appearance, providing Paige owners with cars of pleasing distinction and excess value.

The most beautiful car in America is the title that rightfully belongs to the Paige.

Ask Mr. Benoit to demonstrate this beautiful car to you.

"I wonder what they bait with to catch swordfish."
"Army worms, I suppose."
