The people of Sour's who would like to have the famous lecturer Teunison Smith visit that place should communicate with J. F. Tupper who will be in Souris on Saturday. At a meeting of the Montague Board of Health on the 9th day of March, 1907, the following resolution was unanimously passed: Resolved, that the Trustees of schools, parents and guardians under the jurisdiction of the Montague Board of Health have all persons requiring vaccination attended to once and that the health officers of this place be requested to see that the necessary requisites for that purpose be procured without delay. J. M. Attkin, Secy.

A most enjoyable evening was spent on Tuesday last at the home of Nathaniel and Mrs. Westaway, Albion, when the laughter of Miss Elsie was the recipient of many valuable presents from the congregation of Albion Church. For two years Miss Westaway has acted as organist in Albion Church, a position she filled to the satisfaction of all. The evening passed pleasantly with music and games, after which supper was served. After thanking Mr. and Mrs. Westaway for the enjoyable evening spent, the company dispersed in the wee small hours.

On Saturday morning M. M. Leod, the station agent at Montague on opening his safe found that the contents, \$75 had been stolen and that the till had also been broken open, and \$7.00 taken therefrom, the sum of \$82.00 in all being missing. The bag containing the \$75 had been opened, the slip of paper containing a memo of the amount removed and left in the safe. All the cash was taken except two one dollar bills. Entrance was effected through a front window. Whether the robber knew of the combination of the safe, or whether the station agent in closing it had not turned the handle sufficiently to lock it securely, is not known, at any rate the safe had been opened without the mechanism being injured. On Saturday evening Mr. Robertson, paymaster and Mr. Huggan, accompanied Sergeant Bradley to Montague. It is thought that there is strong possibility of the discovery of the thief.

LENT IN FASHION SABBATH ISN'T

LOD ON, March 4.—While it is undoubtedly true that English people are becoming every year more lax as regards the strict observance of the Sabbath day, this year it is remarked that quite as much, if not more, attention is paid, especially in society circles, to the sabbath keeping of Lent.

Gay dresses are put aside for garb of more sombre hue; restaurants drop a number of their more appetizing flesh dishes in favor of varied fish courses; in many households music of the comic opera type is strictly tabooed, and the lighter form of novel is discarded in favor of more serious reading.

At one time Good Friday was more honored in the breach than in the observance, but lately, as regards outward demeanor at any rate, the Protestants are keepers of the Lenten season. It is only a passing fashion.

Use Reason

Cure Piles Privately at Home Without Pain or Operation.

TRIAL PACKAGE MAILED FREE.

The result of an irritated membrane cannot be cured with a knife, but by removing the cause of the irritation. What is a more natural cure than a strong and yet healing balm which will bring life back to the deadened tissues? This is the action of the Pyramid Pile Cure. The little suppositories melt away into the feverish membrane, heal the ulcers, remove the inflammation and swelling and bring back the rectum to its normal condition.

This result is effected painlessly and without the loss of a woman's time from her daily duties. The treatment is applied at home, in the privacy of your own room. The remedy is our own preparation and our name is the guarantee of its genuineness.

Thousands of cases similar to the following might be cited to prove our claims.

"I tried the sample of your cure you sent to me. I used it and then bought a 30 cent box. The results were immediate and surprising to me. I assure you, I had been to a dozen of the best doctors and paid much money to them with no results whatever. I had this affliction for 20 years. I was in a hospital for a long time, and I left it physically broken down. I owe you a debt of gratitude. I believe that piles would be banished from humanity and become an unknown thing, were every one afflicted with them to but spend from 50c. to \$1.00 for Pyramid Pile Cure! Its speedy action also makes it extremely favorable for impatient people. I am yours sincerely, George H. Bartlett, Mattapan, Mass."

No matter how badly you suffer from piles, we want to cure you. If you will try a free package to prove its merits yourself, we will gladly send it to your name and address at once. We will leave it to you to decide whether you can afford to discontinue the treatment. Pyramid Drug Co., 84 Pyramid Bldg., Marshall, Mich.
All druggists sell the Pyramid Pile Cure, just the same as the sample, at 50 cents per box.
