HOCKEY MATCH.—A friendly and sportsmanlike game of hockey was played in the Alberton rink on Wednesday the 26th when the Crescents of St. Eleanor's crossed sticks with the Alberton Regals. The teams were evenly matched and the play was mostly fast and exciting throughout the game. The Regals were not in the best of trim on account of having played a rough game with the 105th Regiment team at Summerside on the previous night. About ten minutes after the contest started Pheny scored for the Crescents. Play then zig-zagged from one territory to the other and shortly before the bell rang Jim call scored for the home team leaving the score 1-1 at the end of the first half. After ten minutes rest play was again resumed and no further scoring was done until ten minutes before the finish when the net was found the length of the ice. The visiting team by Doc Allen. The puck seemed to follow him very well and shortly afterwards when shot by Call it landed on his head. This did not discourage him however, for during the few remaining minutes he again secured the puck and making a grand rush the length of the ice landed number three for his team leaving the score 3-1 in favor of the Crescents when the game ended. There were very few penalties imposed except on Pheny who was trying some acrobatic stunts. Earl Grady of Summerside satisfactorily refereed the game and J. D. White, Alberton

Even Hospital Treatment For Kidney Disease Failed

WELL-KNOWN COMMERCIAL TRAVELLER SAYS THAT DR. CHASE'S KIDNEY-LIVER PILLS UNDOUBTEDLY CURED HIM. News of his recovery from kidney disease will be welcomed by the many friends of Mr. L. D. Griffin throughout the lower townships and the adjoining district of the United States. Mr. Griffin has travelled this section for 35 years and what he says will be accepted, as proven by all who know him best. He tells in his letter how relief was obtained by treatment in Sherbrooke and Montreal hospitals, but the old kidney trouble returned again and again until by the persistent use of Dr. Chase's Kidney-Liver Pills cure was effected. As he says, these pills "undoubtedly did the work." Mr. L. D. Griffin, Bulwer, Compton county, Quebec, writes:—"I can add one more statement of kidney disease cured by Dr. Chase's Kidney-Liver Pills. For about twenty years I was bothered more or less with the kidneys then the disease became worse and I was sick in bed for one year, took doctor's medicine to no avail, and on his advice went to Sherbrooke Hospital, where I was benefited, but the old trouble returned and I tried a Montreal hospital. Got a little better, but the help was only temporary, and I was soon bad again. "On the advice of a friend, I began to use Dr. Chase's Kidney-Liver Pills, and I now thank that friend, for today I am as free from kidney disease as I ever was in my life. I owe the cure to Dr. Chase's Kidney-Liver Pills for they undoubtedly did the work. I am 65 years old and have spent 35 years as a traveller calling on the drug trade. Everywhere I am told that Dr. Chase's medicines are the best sellers and give the best satisfaction of any medicine on the market. I shall be glad to answer any question in regard to my cure if people care to write me."
