MISSION BAND CLOSING—The Mission Band of Trinity United Church held their closing meeting for the summer months on Friday afternoon in Epworth Hall. The meeting was in charge of the children. Miss Mamie Thompson acted as chairman and Miss Marjorie Mollison secretary. The program was entirely on Japan. A paper was read by Miss Irene Hecker describing the customs and scenery in Japan and was most interesting. Songs and recitations by other members were much appreciated by the mothers and members of the W. M. S. who had been invited to attend. The children served afternoon tea and cookies, just the same as the little Japanese young ladies do, at the close of the meeting. S.

BADMINTON PLAY—"The Professor's Daughter," staged by members of St. Mary's Badminton Club, Summerside, in St. Mary's Hall, was a great success and had a full house. Credit is due to Miss Gladys Holman and Miss Wanda Wyatt, who were responsible for the play and the cast showed their appreciation of their efforts by presenting them with lovely bouquets of flowers at the close of the performance. Ven. Archdeacon White, D. D., very capably presided. Specialties between the acts were solos by Mr. Lowell Hancock and Miss Dorothy Wyatt; step dancing by Mrs. Harold Schurman and Miss Gerda Holman in costume. The members taking part in the play were Miss Keltie Holman, Miss Dorothy Kirwin, Miss Evelyn McKenzie, Miss Ruth Muttart, Messrs. Etta, Moore, Ware and Wilson. S.

IMPROVING—Mrs. Cleaver Botta, of Howlan, was operated on in the Prince County Hospital for appendicitis on Friday and is now doing nicely.—S.

PAINFUL ACCIDENT—Mr. Earle Paquet, of Charlottetown, brakeman on the C. N. R., met with a painful accident on Saturday morning. He was coupling two cars together in the railway station before the early train left Summerside, when his left hand got caught up in the gears, crushing his thumb and forefinger severely. He was taken to the Prince County Hospital where it was found necessary to amputate the thumb and forefinger at the first joint.—S.

SUMMERSIDE LEGION ENTERTAINS—A most enjoyable evening was spent at the Summerside Armoury last Friday when the local branch of the Canadian Legion entertained the Provincial President, Mr. James J. Lightizer; the President of the Charlottetown Branch, Mr. L. T. Lowther; ex-president Major McNutt and members of the Charlottetown Branch. Mr. B. W. Robinson, president of local branch, occupied the chair. Mr. Lightizer gave an excellent address on the aims and objects of the Legion, which was interesting and instructive. Mr. Lowther also spoke on the work the Legion is doing. Dr. J. C. Simpson, gave a very interesting paper on the Air Force and its activities during the World War. Several other members spoke briefly. Lieut. Commander, T. H. S. Jackson, gave a very comprehensive address on the history of the British Navy, which was much appreciated. After the speeches a jolly time was spent comparing each others war experiences. The entertainment committee under the capable direction of Capt. L. A. Moore, served a lobster supper which was heartily enjoyed. The evening was voted a great success.—S.

W. W. Wellner Is Selling Out

PRINCE EDWARD ISLAND'S OLDEST JEWELRY STORE TO DISPOSE OF ENTIRE STOCK

Mr. Lloyd Wellner, President of W. W. Wellner Ltd. announced today that the firm had decided to sell out its entire stock of high class jewelry, silverware, hand bags, China glassware and gift articles. "We mean business" said Mr. Wellner. "Every article in the store will be reduced to a price which should clean out the stock in a few days."

Residents of the Island will be given an opportunity to purchase many things long coveted as low as half today's prices and today's prices are the lowest in thirty years. This will be a wonderful time for the housewife to replenish her stock of China, silverware and glassware. Thousands who have bought "open stock" patterns in the past will be able to replace broken pieces at a fraction of the original cost.

The month of June demands many wedding gifts. The sale comes in time to save you money. The young man contemplating matrimony will save sufficient on the purchase of the engagement and wedding rings to extend the wedding year considerably.

All in all it will be an opportunity to save money that no one should miss.

Asked about the future plans of the firm, Mr. Wellner said: "We do not intend to retire from business. After we have disposed of our present stock we will decide as to the nature of the business we will carry on."

Mr. Wellner is the owner of the store occupied by the firm and also the store to the west occupied by Henderson and Cudmore Haberdashers. Tuesday morning's Guardian will carry full particulars of the many bargains. The sale will commence Thursday morning at ten o'clock.
