TRIED TO JUMP INTO THE SEA

HALIFAX, N. S., May 15.—Captain Cann and crew of the Dominion Coal Co's tug D. H. Thomas had quite an exciting time on board Saturday morning. The tug started for Louisburg with a barge in tow early in the morning and had just got beyond Georges Island when a fireman who had been shipped on Friday, appeared on deck, naked, and started to jump overboard. It was seen that the man was not in his right mind and he was secured by the crew after quite a tussle. Capt Cann was obliged to anchor the barge and return to the city and ship another man and proceeded again for Louisburg in the afternoon.

Skirts and Shirt Waists

We have been saying nothing to you lately about our stock of Ready made Skirts and Shirt Waists—not because they are not here in abundance and of the best—but because we had not a chance to get a word in edgewise about them, we had so many other good things to tell you of. Besides our reputation for selling stylish and up-to-date garments in these lines, is well established, and ladies naturally turn their steps to this department when in need of anything specially nice. Never before, however, have we shown such extremely pretty styles at such moderate prices, and the demand for them is so brisk, we are continually ordering and so have always something new and pretty.

In skirts we can show you every stylish color and material, including a nice line of light and medium greys, which will be so fashionable during the coming summer with white or light shirt waists.

Of the latter we have a very lovely display, dainty and stylish and withal cheap, commencing with dainty white waists at 49c each, on up through the various grades in lawn, embroidered linen, swiss muslin and white silk.

We have also all fashionable colors in silk waists, which you should certainly see before you decide on anything, as they are as trim and dressy as you could wish for, at a much smaller price than you could have the same goods made up for.

A line of beautiful high class black silk underskirts, is also worthy of your attention and is a luxury you will be tempted to possess once you see them.

Only a few left of those elegant silk coats for ladies, which came to hand this week. Come quickly if you want one.
