

THE QUEEN'S COUNTY GUARDIAN

Head Offices in New Prowse Block Charlottetown

The mail train arrived last night at 9.05. Alf Trainor, City, is visiting at Rolo Bay. Harry Weeks and wife, City, went to Souris yesterday. Neil McQuarrie, K. C., Summerside, returned home yesterday. J. F. Whear and daughter Marion were passengers from this City yesterday. The dancing and pipe music will be the finest yet at the Scottish Gathering at Summerside on Monday next.

Miss E. E. McKinnon, City, has returned from a visit to Freetown. Mr. Peters of the Bank of Montreal, City, went to Georgetown yesterday. There will be no service in the Presbyterian church at Marshfield next Sabbath evening. The Gulnare has been newly painted since arriving in port and expects to sail for Pictou this week. Mrs. Charles R. Gay of Charlottetown is the guest of her sister, Mrs. Russell Burgoyne, of Fountain Road. Rev. S. Father Phalen and Father Gaudet returned from Fodbia, and Father Gallant to Vernon River yesterday. John J. Carson of Brookfield passed away early Thursday morning. The funeral takes place today at 3 o'clock. D. A. McKinnon of McLean and McKinnon, City, went to St. Peters yesterday morning returning in the evening. Miss Mamie Gillespie, City, returned home yesterday after spending a well earned holiday with friends in Desable. Hon. S. E. Reid, has extended an invitation to the Scotch farmers who are touring in Canada to visit this Province. Rev. S. J. Woodroofs, City, is expected home Monday from England, where he has been attending the Pan-Anglican convention. Rev. E. H. and Mrs. Ramsay, who have been visiting in Hamilton have returned to Amherst and J. D. Cooke has returned to Moncton from this City. Her many friends in this city will be pleased to hear that Mrs. Wm. Higgins who is very ill in Glace Bay is steadily improving although still in the hospital. Archibald R. McKay of Lynn, Mass., and James A. McKay of Telywid, Colo., Mrs. Christopher and daughter Mrs. Hazel and two grand children of New Bedford, Mass., are visiting at John A. McKay's Graham Road. Mrs. J. E. Bell and Miss Nellie Bell, City, leave on Monday next to visit William and Mrs. Wright, Westmount, Montreal, Mr. and Mrs. Wright are now returning from an extended European trip. Great crowds are going to the Scottish Gathering at Summerside. Every amusement has been provided including dancing to pipe music. The refreshments are in capable hands and a fine days sport is promised. W. B. Howard and W. C. Cassey of the C. P. R., went to Summerside yesterday afternoon. Mr. Howard leaves today on return to St. John City this morning and leave for Souris in the afternoon returning to Charlottetown tomorrow. Among those leaving this city yesterday were Rev. Fr. McIntyre of St. Dunstan's College to Boston, Miss Sarah McCarey, City to Halifax, Mrs. Sophia Vandierstine to Lowell, Mass., Nutting Taylor to Montreal, Mr. and Mrs. Paul, who have been the guests of Wm. and Mrs. Teed, Sr., City, to Halifax. The moving picture program at New Wonderland last evening was simply grand. The magnificent film of the Scottish Highlands in all their picturesque loveliness is certainly one of the finest ever shown and was followed in every detail by large audiences and their were quite a few present at different times who have for themselves seen the grandeur of the highlands and speak in highest terms of this film. There was also enough of the comic to balance the program while the singing by Miss McDonald of Down in the old cherry orchard was very clear and sweet. The enterprising manager of New Wonderland has made a marked improvement in the outer appearance of the Market Hall. The old sign used by the former managements has been nearly all taken down, the name Wonderland only remaining. From the sides of the entrance there now shines forth a bright, cheery announcement in attractive letters, well lighted, of "New Wonderland" and the price of admission. The sign was painted by H. H. Crossman, and reflects great credit on the workman, as well as the same in abundance on the lady manager who has so capably made the house one of the best in Canada. The Guardian understands that there is not another picture house in the Dominion conducted by a lady; and the way New Wonderland is managed, the excellent choice of pictures and the manner in general in which the house is conducted shows that women in the business world are a consideration worth remembering. Mrs. Hog has the Guardian's best wishes for continued success.

Good Dressers A handsome, stylish suit plays a very important part in the make up of the up-to-date man. While it is true that a man may be a perfect gentleman dressed in an ill-fitting, poorly made suit of clothes, the world will be sure to misjudge him. A good suit of clothes is sure to influence the first verdict of opinion rendered concerning a man. We fully appreciate these points and are always in step with the times.

We're Clothiers of To-day We've suits for the smart dressers, suits for the conservative man—we've your suit. We want you to feel at perfect liberty to call, look at and try on as many suits as you like. We'll be pleased to show you. You'll be as well pleased with our prices as with our suits but its the suit that tells the story—not the price.
