### Largest Number Of Certificate Winners At P.W.C. Convocation

### June Begins With Snow In Several Areas

By The Canadian Press  
June—the month of roses and romance, beloved of the poet—started in Canada with snowfalls, of all things.

In one of those weather freaks that occur every so often there was a mixture of cold weather and snow over widely-scattered parts of the country. It was shown in reports to the Canadian Press.

There were "several snowfalls" yesterday at Shawinigan Falls, Que., wet snow fell over a wide area of Northern Ontario with two degrees of frost registered at Sudbury.

In Ontario, the snowfall was recorded at 1.2 inches—only 24 hours after residents there had sweated in 88 degrees of heat. In Winnipeg six degrees of frost were predicted for last night.

But as the cold and rain marched westward over the Dominion's broad expanse it brought cheer to Saskatchewan farmers. Heavy rainfall around Regina was just what was needed and farmers there said that a couple more rains in June and July like those in June had "would see us through."

It was an unseasonable weather in Nova Scotia, where the Atlantic to the Pacific.

In Nova Scotia, the Annapolis Valley had a frost of 1.2 inches, the last of the season, and the annual apple blossom festival there is being celebrated this week-end.

The weather was also unseasonable with scattered showers on the Pacific Coast where a minimum temperature however was not below 52 degrees.

### Three Burn To Death In Sydney

(By The Canadian Press)  
SYDNEY, N.S., May 31—Three members of a family burned to death when flames destroyed their temporary home, Allan MacQuarrie, father, and his wife, Mrs. John MacQuarrie, mother, and their three children, a son, John, three, and a daughter, Margery Ann, two, was postponed until tomorrow.

Mrs. MacQuarrie, who was badly burned about the forehead and face, remained in hospital. Her four-year-old son, John, suffered painful burns about the face and body but is expected to get well.

The two children were saved from the two-story, wooden dwelling by the heroic efforts of a neighbor, Mrs. Sidney Green, who dashed to the scene and again in a futile attempt to rescue the others.

### Free Dispensary Annual Meeting

Major T. E. McNutt was re-elected president of the Charlottetown Free Dispensary at the 37th annual meeting held at the City Hall last night.

Mr. W. F. Tidmarsh is the honorary president. Other officers include: first vice-president, Dr. W. J. P. MacMillan; second vice-president, Mr. C. H. McCusid; secretary-treasurer, Mrs. Alban Farmer.

Executive: Mrs. S. R. Jenkins, Mrs. E. L. Goffin, Mrs. C. Gavin Duffy, Miss Margaret Cotton, Mrs. J. H. Harris, Mrs. Louis Sedler, Mrs. J. P. Morris, Mrs. J. P. Gordon, Mrs. Sidney Green, Mrs. Harry Tidmarsh, Mrs. J. D. MacQuarrie, Mrs. H. E. Miller, Mrs. D. J. Selley, Miss Amy Barie, Mrs. J. H. McCusid, William Gaudet, Charles McCusid and a member appointed by service clubs.

Major McNutt, expressing a welcome to those present, said that he regretted that more members could not attend.

The president spoke with regret of the death of Mr. J.H. McCusid, a valued member, since the last annual meeting.

Dr. W. F. Tidmarsh predicted that there would be a time when

MAJOR T. E. MCNUTT who last night was re-elected president of the Charlottetown Free Dispensary.

### Sad Fatality At Southport

A sad fatality occurred yesterday, the victim being Leo, ten-year-old son of Mr. and Mrs. Alex Pitrie, Southport, who died in the P. E. I. Hospital last night as a result of a bullet wound received from an accidentally discharged rifle.

The accident occurred shortly before noon yesterday in a field near the boy's home. Leo had gotten hold of a .22 rifle belonging to an older brother. His sister, about eighteen, ran after him to take possession of it. In running away Leo tripped over something on the ground, and in falling the rifle discharged. The bullet entered the right side of the body, crossing the pelvis and lodging in the thigh.

He was taken as quickly as possible to the hospital, where he died about 6 p.m.

Coroner Dr. I. J. Yeo, after ascertaining that death was caused by a wound self-inflicted accidentally, decided that an inquest was unnecessary.

### C.C.F. Seeking More Prairie Seats In The Senate

OTTAWA, May 31—(Special)—A strong group of C.C.F. members is urging party leaders to amend the Government's proposed Redistribution Bill to give a number of additional seats in the Senate to the Prairie Provinces.

Never friendly to the Upper Chamber and consistent advocates of Senate reform or abolition, the C.C.F. group realizes that any amendment along this line will carry by a wide margin. They feel however, that a revision of the Senate on the old political ground might gain support from all sides of the House.

In the House this week, Justice Minister St. Laurent explained that in its redistribution measure of the lower Chamber, the Government was acting on the principle of representation by population with specific exception that no province shall have a smaller number of members of the House of Commons than it has Senators.

Mr. St. Laurent's argument to account in their drive to add new Western blood to the Senate.

### Parliament At A Glance

(By The Canadian Press)  
Labor Minister Mitchell said all reasonable requests for communication with Japanese awaiting repatriation to Japan are being met.

Health Minister Claxton said the Government plans to provide grants for those who wish to do research on steel plants.

Reconstruction Minister Howe disclosed coke supplies have been regulated for years but almost 200,000 tons of steel plants.

Col. C. G. Merritt, V. C. (Vancouver-Burrard) suggested too large a sum was being voted for promptly in the Health Department.

Stanley Knowles (COP-Winnipeg North Centre) urged greater government research in the field of nutrition.

Monday: The Commons will discuss various Government business. The Senate will not sit.

### Maple Hills Families Get 3-Month Respite

The residents of the Maple Hills community in Charlottetown Airport have until Sept. 15 next to find new accommodations, Mr. J. P. Connolly, deputy-minister of Reconstruction, told a mass meeting of the tenants at Maple Hills last night.

Accompanying him as a representative of the Provincial Government was Lieut.-Col. W. W. Reid, D.C.O.

Col. J. G. Hart, Maritime representative of the Central Housing Mortgage and House Corporation and Mr. V. A. Ainsworth of the Maritime Electric Company also addressed the meeting.

Mr. Connolly informed the meeting that the Provincial Government had agreed to assume financial responsibility for the supplying of electricity to Maple Hills for the next three months on the following conditions to which the tenants were asked to consent: (1) the rent per month per tenement should be raised \$2.00 and the light bill (to all but the buildings to be shut off next Monday morning); (2) no new admittance of tenants; (3) no new admittance of tenants.

Col. Reid, who presided at the meeting, said he had been asked to represent the Government in stating the Government's case to the residents of Maple Hills. If their light, heating, and water facilities had not been shut off, it was, Col. Reid said, because of the direct intervention at the last moment by Premier Bennett and his cabinet, who interceded with the Dominion Government authorities on behalf of the 99 families at Maple Hills.

Plans After Sept. 15

The Department of Transport, Col. Reid said, had informed the Provincial Government it wanted re-possession of its property at Maple Hills no later than Sept. 15. He advised the tenants to do their best to find other accommodations before the first of the month has elapsed. He would not say the tenants would not be at Maple Hills during the next three months, but he warned them it would be unwise to trust to such a possibility.

Major W. A. Smith, speaking on behalf of the tenants, said that the light bills for the project were too high in his estimation. Major Smith stated that the light bills for the month of April had been \$898 which was \$2 more than for the highest month in the winter. There were several buildings using large quantities of electricity, and it was his opinion the Maple Hills residents were paying for it in one

MR. GORDON MacMILLAN, Cornwall, who yesterday was elected president of the P. E. I. Fox Breeders and Exhibitors' Association.

### Urges Immediate Reconditioning Of Georgetown Road

A delegation representing the Georgetown Town Planning Committee waited on the Provincial Government yesterday afternoon and presented a brief pressing the government for immediate commencement of the project of widening, sub-grading and graveling the road from Poole's Garage to Georgetown Railway Wharf, in preparation for paving.

The delegation consisted of Mayor F. L. Boudreau, Messrs. J. Waldron Lavers, P. J. Solomon, Earl McLaren, Joseph Johnson, Howard McLean, and Gordon Ross, Dr. A. A. Kennedy, E. Jenkins, D. R. George Saville, M.L.A. for the Georgetown District also sat with the Government members.

The delegation received definite assurance from the Government that work would be proceeded with immediately on this road.

### Statutory Holiday

OTTAWA, May 31—(CP)—The King's Birthday, which this year will be celebrated in Canada June 1, is a statutory holiday. State Secretary Martin's office said tonight, Banks and Government offices will be closed on statutory holidays, but their observance by the general public does not rest on Federal law.

### Newspaper Prices Increase In Ontario

TORONTO, May 31—(CP)—Newspaper prices take a general upswing in Ontario Monday. Ten papers have announced increases effective at the first of the week, bringing to 19 the number of Ontario papers and to 22 the number in Canada to increase prices in little more than a month.

The increase will leave the Province with 12 papers selling at three cents a copy, this up from at four cents and seven at five cents during the year.

The two-cent paper which was familiar for years has almost completely vanished. The only papers left in Canada selling at two cents are the Charlottetown Guardian and the Charlottetown Patriot.

### Annual Meeting Of Silver Fox Breeders

Mr. Gordon MacMillan, Cornwall, Elected President; Active Year Is Reported.

The annual meeting of the Silver Fox Breeders and Exhibitors' Association was held in the Legion Hall yesterday afternoon. Those present included Ernest Cudmore, Col. D. A. MacMillan, Guy Kennedy, George E. Brown, Dr. A. W. Allen, B. G. Rogers, Charlottetown; Andrew Jardine, Fredericton; Gordon MacMillan, J. Heber McPhail, Cornwall; D. O. Stewart, Horace McFarlane, Frank Cameron, Amos Hubley, F. D. Carruthers, Lloyd Lockyer, George A. Callbeck and L. W. Hancock, Summerside; Ernie Miller, Robert Humphrey, Ken Woodside, Roy Woodside, Kensington; Ed Burleigh, Elsie, Edward Currie, Rocky Point.

Mr. MacMillan presided and his report appears below. The financial statement was submitted by Secretary Walter R. Shaw and showed a balance after all expenses of the year had been paid.

Hon. W. P. Alan Stewart, Minister of Agriculture, was called upon to address the meeting and spoke very highly of the benefit the fox industry was to the Province and declared that his department was always willing to help in any way it could. A unanimous vote of thanks was tendered Mr. Stewart and fitting references made to the new laboratory which was established by his department and the many other helpful things done by Mr. Stewart and Deputy Minister Shaw.

### Health Minister Claxton Tells Of Dept. Plans

(By George Kitching)  
OTTAWA, May 31—(CP)—The Government plans to provide grants for those who wish to do research work on cancer, the dreaded killer of one of every eight Canadians, and hopes to establish fellowship to train research workers. Health Minister Claxton announced today in the Commons.

Mr. Claxton also disclosed that he hopes "very shortly" to call a meeting of those interested in cancer research, at which the fields of activity of the various organizations which are interested in cancer will be discussed and it is hoped that they can be without setting them in straight jackets.

Speaking during consideration of Health Department estimates, Mr. Claxton said physicians had told him the causes of cancer were likely to be discovered "in consequence of very highly organized or technical work and the free interchange of views such as there is among scientists throughout the world."

Those taking part in the health debate included the Hon. J. G. Gillis (COP-Cape Breton South).

Responding to suggestions that the Government should make research itself, Mr. Claxton expressed doubt whether medical and health research was a proper function of the federal Government. These things ordinarily came under the constitutional jurisdiction of the Provinces.

"I find," he added, "that almost every suggestion of every character that has been made would have been met had the health proposals of the Dominion and the agreement, of which they formed a part, been accepted (at the Dominion-Provincial Conference) and put into operation."

The Government had decided that medical research should be assisted through the National Research Council rather than through the Department of National Health and Welfare. It was desirable that practically all the functions of the Federal Government in the field of research be centered in one institution.

### Price Of Woollens Are Revised Upward

OTTAWA, May 31—(CP)—As a result of the reduction of subsidy on imported fabrics and yarns, the Prices Board announced today an adjustment in prices of imported hand knitting yarns and woolen and worsted fabrics. The Board has been taken in domestic yarns and fabrics.

The Board said the increase at the retail level would not be allowed to exceed seven cents a yard on woolen fabrics, 30 cents a yard on worsteds and five cents a pound on knitting yarns.

WASHINGTON, May 31—(AP)—The wage stabilization Board today approved the soft coal wage agreement between the government and John L. Lewis with certain "understandings."

WASHINGTON, May 31—(AP)—The United States 1947 supply of molybdenum will be 1,000,000 pounds below this year's inadequate output as a result of feed grain shortage and a decline in increases in ceiling prices of livestock feeds.

### Royal Winter Fair To Re-Open This Year

TORONTO, May 31—(CP)—For the first time in eight years Canada's Royal Agricultural Winter Fair will re-open here Nov. 12-20.

The two-cent paper which was familiar for years has almost completely vanished. The only papers left in Canada selling at two cents are the Charlottetown Guardian and the Charlottetown Patriot.

### It's Alright To Play The Fool Today But Don't Let It Become A Habit!
