OTTAWA, July 2 (CP)—Dr. T. V. Grant (Lib. King's) suggested in the House of Commons tonight that wartime taxation be continued "for 10 days" after the war and the proceeds used for building a tunnel from New Brunswick to Prince Edward Island.

He said he would not advocate immediate construction of a \$500,000 ear ferry to replace the one recently lost at sea, but a tunnel should be constructed immediately after the war.

LONDON, July 2 (AP)—Prime Minister Churchill today beat down a 475 to 25 vote of confidence in the House of Commons against his leadership, but he left behind a dark picture of reverses in the Middle East, alleviated only by news that "very considerable" reinforcements were pouring into the battle of Egypt.

Mr. Churchill himself seemed at a loss to explain that defeat. The British 8th army held priority over its Axis foes in manpower, tanks and in the air, yet still was crushed.

On the contrary he asserted, backed by specific figures, that the British 8th army held priority over its Axis foes in manpower, tanks and in the air, yet still was crushed.

NEW YORK, July 2 (AP)—One of the most ancient thoroughfares known to man, the isthmus of Suez, has war once again approaching its desolate doorstep.

CAIRO, Egypt, July 2 (AP)—Reinforced British tanks and artillery struck with full fury late today at the rear of the Axis army in a carefully planned manoeuvre to counter the armored assault of Field Marshal Erwin Rommel upon the main British positions defending Egypt and the Middle East.

MOSCOW, July 3 (Friday)—(AP)—The Russians announced early today that Red Army soldiers and sailors are fighting hand-to-hand with the German invaders of Sevastopol on the outskirts of the Crimean seaport—long after the Germans claimed its fall—while far to the North the Nazis began a new drive in the Belgorod-Volchansk sector north of Kharkov.

DETROIT, July 2 (AP)—Stollid and as devoid of expression as he had remained through three days of trial, Max Stephan, German-born Detroit restaurant owner, tonight heard a jury convict him of treason.

The battle of Egypt the Prime Minister said, had developed "a recession of our hopes and prospects in the Middle East and Mediterranean unequaled since the fall of France."

OTTAWA, July 2 (CP)—The Wartime Prices and Trade Board announced tonight that producers will get a 6-cent-a-pound subsidy on butterfat effective next Monday to stimulate production and avert a "sharp shortage" of butter next winter and in the following season.

OTTAWA, July 2 (CP)—By a recorded vote of 129 to 8 the House of Commons tonight adopted the motion of Finance Minister Ilsley to go into committee on the budget resolutions he presented June 23.

There is scant chance of either side turning back now. The reinforcements of both men and material that are reaching the allied lines are beginning to show a marked effect, it was said here.

BRIDGEWATER, N. S., July 2 (CP)—Thomas J. Dennis, prominent Bridgewater business man and former town councillor, died here Tuesday after a short illness.

BUFFALO, N. Y., July 2 (CP)—Yugoslavia's young King Peter paid a brief visit to Canada today to view Niagara Falls after inspecting Bell Aircraft and Curtiss-Wright Corporation aircraft plants at Buffalo and Niagara Falls.

Several amendments had been proposed by the New Democracy and by Quebec Independents but all had been declared out of order by Speaker Glen.

Objective of the manoeuvre was to capture the city police station, several hundred yards from the opposite bank and designated for the purpose of the movement as being in the hands of Japanese troops.

Defence Minister Ralston late tonight announced that the two men who lost their lives were James Stanley Richardson, GI 7646, cadet, whose mother, Mrs. Hazel Richardson, lives at St. Stephen, N. B., and Raymond Lawton Roberts, B68092, whose widow, Mrs. Lillian Mae Roberts, lives in Ottawa. No rank was listed for Roberts.

U. S. ARMY HEADQUARTERS, PANAMA CANAL ZONE, July 2 (AP)—A spy hunt by a United States army observer, who survived plots to poison him and sabotage his plane led today to the roundup of 20 persons accused of spotting allied ships for the Axis and refusing enemy U-boats.

Gen. Andrews surprised that the enemy expected this spy ring to be smashed sooner or later and "most likely had preconceived plans to place another echelon in formation." This, too, will be hunted down and broken, he said.
