O'Leary	Sept. 5
Tignish	Sept. 6

Secretary of the Federation will be present to collect fees.

LOBSTERMEN

(Continued from page 1)

Mr. James Blacquiere, Rustico, Pres. of the P.E.I. Fisherman's Union, acted as chairman and in his remarks pointed out that when the present arrangement had been made the Dominion Department promised not to interfere with private buyers. He claimed that this promise was not kept as the Government were in competition with the buyers. He suggested that the Government be approached and asked to pay a set price of $17 a case on this year's surplus pack and a bonus of $3 a case next year.

Hon. J.P. MacIntyre claimed that the present system was detrimental to the packers and fishermen as well as to the lobster industry. He maintained that the Government should have announced the size limit on lobsters in January or February rather than leaving it as late as April. He claimed this placed the packers at a disadvantage as they went ahead as usual and prepared for their season.

Scientific Men

Denouncing the grading regulations made by the Department, he claimed the officials in charge were using as their advisors in the matter "scientific men with no practical experience."

In conclusion he suggested the appointment of a delegation to approach the Minister of Fisheries at Ottawa in cooperation with other delegates from the Maritime Provinces.

Mr. S. P. Burhoe, Charlottetown, suggested as a remedy that the Government be asked to give a bonus and have the business flow through the regular channels.

He maintained the size limit was not helping the industry as the cod fish were devouring the lobsters as fast as they were thrown overboard.

"The Government should not have anything to do with marketing lobsters," he said.

Mr. T.M. Linkletter, M.L.A., Summerside, said that early this season "it looked as if the Government was going to be Santa Claus" to the industry but the graders had placed the lobsters at a standard which could never be reached even though the best buyers in the world had always accepted the same lobsters before.

Speaking of this year's grading regulations he said that what appeared to him to be first class lobsters had been turned down by the graders. The reason for this was that "Technical, scientific and biological viewpoints" were considered in the grading. These things are insignificant in the proper grading, he claimed.

As a remedy he suggested a committee of dealers be appointed to judge the lobsters in this province and set the quality. This could be done by having the lobsters judged by numbers so that the judges would not recognize whose pack they were placing.

Scheme A Joke

He said the present scheme was a "big joke" but a dear one for the packer and added that the Government did not realize what it did to the packers. He said the Government should give a bonus of $2 a case and save $10,000. by so doing.

Mr. J.B. Myrick, Tignish, claimed that it took extra weight to pack a case of lobsters in the fall season and with the present grading system in effect the packers would get nowhere. He claimed there should be something done to help the fall pack and suggested a bonus.

Mr. C.P. McCarthy, Tignish, Fieldman of the P.E.I. Fisherman's Union, said there was a large pack in the hands of the packers at present and anything that could be done should be done to help these men as well as the packers of the fall season.

"The Government has made a terrible mess of it by taking the advice of scientists," he claimed. "Their ideals can never be carried into effect as they are theorists," he added.

The speaker went on to say that the system will work to the detriment of the industry if it is not dismissed immediately.

He explained that if lobsters were rejected by the graders the Government would not permit the packers to sell to the United States buyers unless they sold for the price set here. The Exchange Control Board would interfere.

Emergency Situation

The surplus is in the hands of the packers who have paid the fishermen five and one quarter cents a pound. "It is an emergency and the fishermen have been misled," he said in conclusion.

Mr. L. Johnston, Murray Harbour, suggested that the Government be asked to pay the fishermen $18. a case for the whole of this year's pack which they had promised to do.

Mr. Russel Champion, Kensington, claimed that Dr. E. Hess, the grader for the Government, did not know how to grade lobsters. He said that this grader had also made the statement that the packers in this province could not expect to get a Grade A lobster under the conditions which exist. He promised he would re-grade the pack, the speaker said. There are 4,000 cases in the Government store house at present, he added.

Mr. J. J. Condon, Georgetown, said "the Government should keep out of the lobster business." He maintained that the sales tax on lobsters, which amounts to $1.50 a case, is an unreasonable and foolish tax. It means that the Government is taxing something it is trying to sell, he said.

Resolution

The following resolution was passed:

Resolved that the delegates ask the Government to pay a minimum of $18.00 a case for all good merchantable lobsters packed in the 1940 packing season now in the hands of the packers or of the lobster controller or to be packed this season of 1940.

Further resolved that the present system of Government assistance and grading be discontinued at the close of the 1940 packing season and in place of this scheme a bonus of $4.00 be paid to licensed packers who produce satisfactory evidence regarding the quality of goods packed and price paid to fishermen.

The committee be instruced to take up the matter of sales tax which is now working to the detriment of the fishermen as it curtails the sale of lobsters for Canadian consumption. Moved by D. A. MacDonald and seconded by William Johnstone.

In Memoriam

In memory of William MacRae, Peakhaw who died August 16th, 1939.

Greater love has no man than this That a man lay down his life for h's friend.

Lovingly Remembered by Wife and Family.

FUNERAL YESTERDAY — The funeral of the late William Sydney Hookirk was held yesterday from the MacLean Funeral Home where services were conducted by the Rev. Archdeacon Raymond and the Rev. Hart -Davies. Interment was in Sherwood Cemetery where Archdeacon Raymond conducted the service. The pallbearers were: Col. Cecil Stewart, Allen Stewart, Elmer Crosby and James Robison.

TRUCK LEAVES ROAD — A truck loaded with freight from the City plunged over the bridge at Pownal yesterday afternoon. The driver was returning from the City to his home in the western part of the province when the accident occurred. It is not known what happened but it is understood something went wrong with the steering apparatus. The truck was badly damaged but nobody was hurt in the accident.

Personals

Mr. and Mrs. Chester MacPherson and two daughters of Ottawa are visiting in Charlottetown, the guests of Mr. and Mrs Alvin Ford.

Hon. Senator C. B. Howard and Mrs. Howard of Sherbrooke, Quebec arrived in Charlottetown yesterday on a visit. Their son, Mr. B. C. Howard and Mrs. Howard arrived earlier in the summer.

Mr. and Mrs. Hugh McCarron of New Glasgow, N.S., are visiting in Charlottetown, enjoying Old Home Week. Mr. McCarron is proprietor of New Glasgow Tea Rooms. While in the City they are the guests of Mr. and Mrs. J.A. Cronin, Water St.

DOUGLAS-McEWEN WEDDING

A very pretty wedding was solemnized in Mount Stewart Presbyterian church, August 7, at 3 o'clock p.m., when Rev. John McNeil united in marriage Lola Margaret, daughter of Mr. and Mrs. Gordon Douglas, of Head of Hillsboro, and Horace Duncan McEwen, of Bristol, son of Mrs. William Duncan McEwen, of Boston, Mass. The bride, gowned in white satin with flowing veil caught in fan-shape, with rose buds, entered the church on the arm of her father, who gave her in marriage. Her bouquet was of pink delphenium, baby's breath and cornflowers. She was attended by her aunt, Mrs. Oliver Jay, of Fanning Brook who was gowned in pale pink sheer with eggshell colored accessories and carried a bouquet of sweet peas, snapdragon and baby's breath. The groom was ably supported by the bride's brother, Mr. Albion Douglas, of Charlottetown. The wedding march was played by Mrs. Arthur MacLauchlan. During the signing of the register, Mrs. Louis Cameron and Mr. Chester Coffin beautifully rendered as a duet, "The Voice That Breathed O'er Eden." The church was decorated for the happy event with cut flowers and potted plants.

Following the ceremony the happy couple went for a short drive, accompanied by their attendants, returning at 6 o'clock p.m. to the home of the bride's parents, where a reception was held in their honor. The room was decorated with cut flowers, pink and white streamers, and in the centre a large wedding bell. The table was centred with a vase of cut flowers and at each end were placed the wedding cakes. During the latter part of the evening about 100 serenaders arrived to wellwish the newly wedded pair, making a goodly noise. They were treated to assorted cakes and cordial. Music and dancing brought the merry evening to a close and all dispersed to their homes, wishing the bride and groom many happy years of wedded life.

On August 1st, a shower was held in their honor at the home of Mr. and Mrs. Fulton Douglas, Savage Harbor. The beautiful gifts testified to the popularity of the young couple. Mrs. Milton Rodgerson escorted them to the seats of honor, while Mrs. Russell Douglas and Mrs. Howard Douglas opened the gifts. Mrs. Fulton Douglas read the verse. Mrs. Oliver Jay arranged them on the table.

BIRTHS

GILLESPIE — At Prince County Hospital, Aug. 13, 1940, to Mr. and Mrs. J. Stirling Gillespie, Summerside, a daughter.

Today's Old Home Week Program

Today will be the finale of the great big Old Home Week program and next week it will be only a memory, but one that will stand pictured there for a long time to come.

In every respect it has measured up to promises in advertisements; and, in fact, has excelled both for the quality of the racing and marvellous vaudeville that has held so many thousands with the splendor of its thrills and its comedy.

This afternoon will be the last opportunity for our people to see a combination of vaudeville and racing this season.

Tonight's Program

Tonight's program will wind up the big show, and it is the intention of the performers to bring it to a climax by leaving behind an unforgettable impression of its splendor, its beauty, its tremendous thrills, its great comedy features, the superb singing and all that goes with a completely balanced vaudeville program.

The vaudeville will be interrupted between 9 and 10 o'clock for a short time in order to present the British Consols trophy and all the prizes that go to the winning owners, winning drivers, and grooms of successful race horses.

This feature will be broadcast all over the Maritimes, and thousands will be listening in to hear what particular driver, owner or groom was called upon for presentation. Those who have not seen the night show should grasp this last opportunity.

Registration Tempo Reaches Peak Next Week

OTTAWA, Aug. 15 — (CP)— Across Canada registration under the National Registration Act has been going forward this week in factories and businesses employing more than 100 persons and next Monday will see the start of a three-day period for general registration of the public.

All persons in Canada having attained their 16th birthday, must register to give the Government a complete record of the human resources of the country.

Long since instructions have gone out from the Ottawa office of Jules Castonguay, chief electoral officer for Canada and chief registrar, to registrars in the various constituencies and deputy registrars.

Volunteer workers who will assist in the work have placed their services at the Government's disposal and Mr. Justice Davis, associate deputy minister of the War Services Department under Hon. J. G. Gardiner, said he was gratified at the response.

There is no age limit to those who must register. One official said "there is no limit. It goes from 16 years to the grave."

Stiff penalties have been provided by law for those who fail to register. They include fines up to $200 and three months' imprisonment or both. Employers, under penalty, must report any employee who at conclusion of the registration period has not registered if required to do so.

At the same time employers are forbidden, under penalties, to hire any person 16 years or more who is not able to produce a registration card.

This, in the view of Mr. Castonguay, means that nobody can hold a job in Canada unless they have registered.

Those on holiday during the registration period may register in the constituencies where they are holidaying. The same, of course, applies to persons away from home on business.

Residents of Canada who are away from their homes in some other country, such as the United States, must register within 30 days after their return to Canada. Visitors to Canada who intend returning to their homes need not register.

The registration cards will be used to call the first classes of single men of 21 and 22 years for training in the Non-Permanent Active Militia for 30 days' instruction. This instruction is scheduled to get underway about Oct. 1 and will continue at the rate of 30,000 men a month going through the various age classes.

TOLL OF ENEMY

(Continued from page 1)

precedented raid were everything that Britain has and must have to keep on fighting: Shipping, ports, munitions and industrial plants and, above all, airports.

Known to have been bombed was the great Tyneside industrial and shipbuilding area on the east coast near Newcastle.

The attack on Croydon — some eight miles from Charing Cross, the great railway centre familiar to Londoners, brought civilians to stand, now silent, now cheering the R.A.F. on at their doors. From the airport itself, plumes of smoke arose.

Watchers shouted triumphantly when the Nazi bombers banked suddenly and streaked off to the south. British fighter planes wheeled after them, their machine-guns blazing.

There was no minimizing the fear that an attempt at invasion by troops was near at hand — householders and fishermen along the coast silently pulled in and hid their little boats lest they fall into enemy hands. But the people kept calm and waited.

OXFORD, England — (CP)— George Morley, "professor" of boxing at Oxford University for many years, died recently in Radcliffe, Infirmary here at the age of 86.

Wind-up Program Today Promises Climax To Week

One of the largest crowds ever to witness the Thursday afternoon races crowded into the grandstand and bleachers to witness yesterday's exciting free-for-all. The rail on the edge of the track was piled five tier deep with interested horse racing fans.

It is estimated that over 10,000 people passed through the turnstiles during yesterday's afternoon and evening performances. There were many thousands more milling about the midway.

A clear sky in the evening gave every promise of perfect weather for today's "Old Home Week" program which includes a bang-up program of races in the afternoon interspersed with vaudeville acts and in the evening the artists will excell in a grand finale. The grand display of fireworks, which concludes each night show, will wind up in a blaze of glory tonight.

Another special feature of the evening will be the event staged by the Charlottetown Riding Club in the Horse Show Arena.

Two accidents delayed the racing events on yesterday's program when Quaker Girl, driven by Rudderham and owned by Geo. Turner, Halifax, suffered an injury in the fore leg. The other accident occurred when Sampson Royal driven by Joe O'Brien and owned by George Buntain, of Charlottetown, was in a collision with Star Dillon, owned and driven by H. Killem of Montague. The Sampson Horse took a bad spill. The first accident occurred in the first heat of the free-for-all and the second in the first heat of the four-year-old futurity.

The vaudeville acts shown between heats in the afternoon and during the main performance last night are the greatest ever staged before a local audience. Visitors from the United States have proclaimed that none better are seen in the large cities. The management went to considerable trouble and expense to have these artists appear on the "Old Home Week" program and they deserve great credit for the wonderful acts they succedded in getting.

Vaudeville Acts

The Victoria Troupe, a brass band on bicycles, is a real hit with the crowds at every appearance.

The White Brothers perform amazing acrobatics and contortions on the stage and their two trained dogs put on a real show.

DeCosta and Lenore team up with a trip through a music store in which they play twelve different musical instruments. Mlle. Lenore also possesses a marvellous singing voice and appears before the mike on several occasions with some of the latest hit tunes.

The Golden Gate Revue presents ten clever girls in a performance second to none of its type. Their costumes are beautiful and their dancing a sensation. Miss Edna Lee captures the hearts of her audience with her pleasing vocal selections.

Anyone who has not seen Laddie Lamont, the greatest Scotch Comdy Juggler, is missing a real treat. The way he performs on a globe is amazing and holds the interest of the spectators. He is a real comedian and appears in several different numbers on each performance.

Billy Outten's Water Circus is tops in its class. As well as some of the fanciest diving in the world it features the youngest and most fascinating dare-devil in the world, Billy Outen, who dives as a ball of fire 110 feet into a tank of water.

Wallie Wallis, noted singer, sings several pleasing songs during each performance.

The breath-taking performance of the five queens and an ace of the air is the greatest aerial act in the world. On top of a 120 foot rigging these youthful acrobats go through their death-defying act. It concludes with the double shoe for life.

A brilliantly lighted and decorated stage added greatly to the presentation of these acts of vaudeville. The fireworks at the conclusion of the night performance was a fitting climax to the colorful features presented on the stage.

The Horse Show, which was presented in the Horse Show Arena by the Charlottetown Riding Club, was a success with many horses entered.

In the Carriage Class, Kitty, owned by Judge H. L. Palmer, of Charlottetown, and driven by Pope Thorne, placed first. Second place went to Silver Sea, owned and driven by Lieut. F. Seaman, Charlottetown, of the P. E. I. Light Horse. Gay Lad owned and driven by Tom Rogers, Charlottetown, won third place. The carriages were greatly admired by the large crowd. They were beautiful wire-wheeled carriages weighing in all less than 100 lbs.

First place in the Ladies' Saddle Class was won by Diamond, owned by C. N. Bissett and driven by Miss Ruby Benoit. Next in order was Wood View, owned by N. D. MacLean of Charlottetown, and driven by Miss Vimy Jones, of Bunbury. Third place went to Sautarde, owned by rider, Miss Nora Longworth, Charlottetown. Whiskers, owned by the Charlottetown Riding Club, with rider, Mrs. G. E. Full, placed fourth in the event.

A special feature of the Show was the Matched Pair event, with Silver Sea, owned and shown by Lieut. Seaman, and Rascal, owned and shown by Miss Yvette Reymond, capturing the honors. The second pair was Silver King, owned by Lt.-Col. G. E. Full, with Bill Porter driving and Parader, owned by Dr. J. W. MacKenzie, with driver Miss Lillian MacKenzie. Third place went to Tetradite, owned and shown by Donald Seaman, and Tetrasea owned by Donald Seaman with rider Miss Rosemary Rogers. Gay Lad owned and shown by Tom Rogers, and Tinker, owned and shown by Mrs. Ewen Keefe, city, placed fourth.

The Jumping Sweepstakes, the last event on the card, saw Wood View, owned by N. D. MacLean and shown by Miss Vimy Jones capture first place. Silver Crest, owned by Mrs. C. F. Deakin, and shown by C. F. Deakin, placed second. Third place went to Silver King, owned by Lt.-Col. G. E. Full, and shown by Bill Porter.

Mr. Thomas Etter, Moncton, was the judge, and Sgt.-Major James Donahue, Roseneath, of the P. E. I. Light Horse, ring master.

Potato Disease Situation Blamed On Growers

FREDERICTON, N. B., Aug. 15— In a straight from the shoulder talk in which he minced no words, Dr. H. Barton, Canada's deputy minister of agriculture, this afternoon laid the blame for New Brunswick's unsatisfactory potato disease situation right at the doorsteps of New Brunswick potato growers.

Speaking at the annual meeting of the Associated Potato Growers and Shippers of New Brunswick held at the Dominion experimental station here this afternoon, Dr. Barton declared that the potato disease situation in this province was not satisfactory. For that situation he blamed growers, who do not take sufficient care to guard against disease. He foresaw that unless growers were willing to cooperate more closely on a voluntary basis with Dominion officials in combatting potato disease, governmental action would be necessary to compel them to do their part.

Recruiting For N.P.A.M. Ended Yesterday

OTTAWA, Aug. 15.—(CP) — Recruiting of volunteers for the non-permanent active militia ended across Canada tonight, and most of those signed up in this army of part-time citizen soldiers will have received anything from one to three weeks of training in camp by the end of September.

At National Defence headquarters here, no official statement was issued today on the ending of voluntary enlistment because Defence Minister Ralston himself made the declaration.

Speaking in the House of Commons July 29, Col. Ralston said:— "Registration under the National Registration Act, commences August 19, and to make room for those who will be called for training, it has been decided that recruiting will be suspended on Aug. 15."

It will be some days before reports have been received from various military districts on the total number of men enlisted in the N.P.A.M. since it was announced that volunteers would be taken on strength only up to and including today.

At August 8 some 21,000 new militiamen had been enrolled, bringing N.P.A.M. strength close to 70,000. Since then a great many others have signed up and some units are over war strength. The authorized war strength of the militia is 88,000 men.

After national registration has been completed, Aug. 19, 20, and 21, men will be called up for training by age classes, first calls going out to single men of 21 and 22 years.

Once called up, the men will have the same status as volunteer militiamen.

It is expected the training of men called up will start about October 1, and continue at the rate of 30,000 a month.

Service in the militia is part-time and, under declarations of government policy, is limited to Canada. In case of emergency, militia units can be called out for service in Canada.

The training to be given men called up will be of a basic nature, including squad drills, musketry instruction in gas war and discipline. It will be such that the militiamen will have been fitted for initiation into any branch of the armed services should he desire to enlist for full-time duty.

GET WAR NAMES

LONDON—(CP)—The war is providing race horse owners with names for their animals. Among entries for the 1943 Epsom Stud Produce stakes are Gestapo II and Defence Force.

Lady Doctor, Children Here From England

Mrs. Dr. Dorothy T. Egan arrived in Charlottetown last evening accompanied by her two children. They arrived in Canada two weeks ago at an Eastern Canadian Port and went directly to Ottawa and from there Dr. Egan communicated with Mr. B. Graham Rogers, Supervisor of The Prince Edward Island Travel Bureau and on receipt of Mr. Rogers reply decided to come to Prince Edward Island where she and her two young children will spend a month at the sea shore for a much needed rest. They arrived on the late train and were met at the station by Mr. Rogers. The two charming little children are eagerly looking forward to having a lovely time on the beaches.

War—25 Years Ago Today

(By The Canadian Press)

Aug. 16, 1915—German submarine shelled coast towns in Cumberland, England, but did little damage. Gounaris ministry resigned in Greece. No. 1. Canadian Stationary Hospital arrived at the island of Lemnos in the Legean Sea.

WELCOME

OLD HOME WEEK

Charlottetown

Program Friday

(Afternoon 1.30 Standard Time, 2.30 D.S.T.)

Island Man On I. O. O. F. Grand Lodge Executive

GLACE BAY, N. S., Aug. 15 — (CP) — Millage Oulton of Amherst, N. S., was named Grand Master of the Grand Lodge, I.O.O. F., of the Maritime Provinces and Newfoundland at the concluding session of the 83rd annual convention today.

He replaces J. Humphrey Lockhart of Moncton, N. B.

C. C. McLeod of Glace Bay was appointed to represent the Grand Lodge at the annual sessions of the sovereign grand lodge to be held next month at Huntington, Virginia.

Other officers elected today were, F. L. Estabrooks, Sackville, N. B., Deputy Grand Master; Hazen Phillips, Summerside, P.E. I.; Grand Warden.; E. H. Munroe, Windsor, N. S., Grand Secretary; R. Y. Finley, Halifax, Grand Treasurer; and Rev. Mr. Bent, Pictou, N. S., Grand Chaplain.

Today's session decided to hold the next annual convention at Truro, N. S.
