These two talented women whose work has done much for the women of Canada, are residing in Toronto. Mrs. Hellstrom (Mary Allison B. A. '15) who was associated with them in the work, has since her marriage, resided in New York.

CAUGHT IN THE ACT.—Monday Police Officer Dominic Doyle displayed superior detective ability in apprehending a young lad, about eighteen years of age whom he caught red-handed in extracting cash from one of the money boxes in St. Dunstan's Basilica. For some time it was known that cash was short in those boxes and Officer Doyle took the case in hand. While the Officer was secreted in the Basilica the young lad entered, and lighted a taper which he shortly after extinguished and inserted in the box. As the wax cooled on a twenty-five cent piece, he extracted the coin. Officer Doyle immediately placed him under arrest.

LIVESTOCK MARKETS (Canadian Press) MONTREAL, March 25.—There were 116 cattle, 1791 calves, 371 hogs and 11 sheep and lambs for sale on the two Montreal livestock markets today. The cattle market was steady. Common to plain cows brought \$5.50 to \$7.00 and canners were mostly \$8.50. Common bulls from \$6.00 to \$7.25. Calves were 50 cents or more lower. Trade was drugg. Calves were of common to just plain quality. The bulk of the sales were made between \$9.00 and \$9.75, with an odd sale up to \$10.50. Grass calves brought \$6.00. Lambs were steady. A few spring lambs brought \$10.00 each and were weighing between 22 and 30 pounds. Sheep were from \$6.00 to \$7.00. Hogs were firm. The ruling price was \$13.75 fed and watered. Road hogs brought \$13.25. When graded there was \$1.00 premium per hog paid on selects, and cuts on lower grades. Sows were from \$11.00 to \$12.00.

Scout News and Notices

By Vernon F. Maddigan Press Representative, The Boy Scout Association The concert presented last Thursday evening in Zion Hall by the Scouts of the 4th and 5th Charlottetown Troops was a wonderful success financially and otherwise. Credit is due Mr. S. M. Parent and A. S. M's Affleck and Walker for the splendid program which they arranged. In the report of the concert already published mention was omitted of the reading by Scout John Denny and also the Camp Fire scene by the Baptist and Zion Scouts. The boys wish to especially thank Mrs. Richards, Mrs. Parent, Mrs. Jewell and all others who helped to make the concert a success.

Don't forget, the big Scout event in Charlottetown is the showing of the World Scout Jamboree film at the Strand Theatre on April 8th. Tickets are now on sale. Help the boys to get the O. U. T. out of SCOUTING as the proceeds from this picture go towards the Provincial Scout Camp fund.

Now is the time for your Court of Honor to plan the outdoor activities for the troop. Your boy should be a Scout because: 1. Scouting fills a boy's spare time with healthy occupations.

- 2. Scouting gives a boy character, which is essential to success in any career. 3. Scouting is not a Military Movement—it is out to make good individual citizens, not a crowd of imitation soldiers. 4. Scouting gives a boy opportunities for Service for God and his neighbor. This is the basis of religion. It is expected that every scout shall belong to some religious denomination and attend its services. 5. Scouting makes a boy handy. His hobbies are useful at home as well as interesting to himself. 6. Scouting gives a boy a sense of honour and loyalty. He will not let you down or tell you a lie. 7. Scouting teaches a boy self-reliance so that he can fend for himself and help other people. 8. Scouting gives a boy good health. Through open-air exercise and self care he gains a second mind in a healthy body. 9. Scouting finds out a boy's Natural gifts and so helps to find "Square holes for square pegs" in the choice of career. 10. Scouting will make a man of your boy. And the sort of man you would wish him to be.

YOU can help your boy by: 1. Taking an interest in his Scout work. 2. Helping him prepare for his tests and realizing the fun of it yourself. 3. Seeing that he remembers his Scout Promise and Law and tries to put them into practice. 4. Providing opportunities for him to earn money for his uniform, registration fees and badges.

A TROOP MOTTO IN VERSE

Boy Scouts, this motto should Ever be with those who would Pluck and coolness both possess; Remember it in time of stress. Early wisdom sows its seeds, Place your footsteps where it leads, Always bearing it in mind; Ready always to be kind; Ever cautious, show no fear. Do not forget this motto clear. —5th Peterborough, Ont.

Bag if you have a good one worked out with your own Troop, please send it in. The registration card may decide. When one of your older boys leaves home to "seek his fortune," the fact that he is carrying an up-to-date Registration Card may decide whether or not he is given a particularly desirable position and start in life. No character card has such universally recognized value. So make sure that all your boys are registered at Dominion Headquarters. The fifty cents returns to your province for field work.

A census recently made by the boy scout headquarters of Toronto for the Dominion scout headquarters reveals that 8,500 boys and young men are

Happy now...at sixty? WHEN the Sunset years of Life arrive, what provision will you have made to assure those precious boons—comfort, leisure and happiness? THE GREAT-WEST "PROSPERITY" POLICY is especially designed for men who wish to be able to retire at sixty. Example: Man, age 25, deposits \$313.50 annually. At age 60 he has the option of drawing a monthly income of \$100 for life or a guaranteed lump sum of \$14,300—plus substantial accumulated profits. In the event of death, his family inherits the full benefits. Protection with Profit Great-West Life Assurance Company HEAD OFFICE - WINNIPEG RANDMAN & Co., Ltd. interested in scouting in this city, according to the report of the executive secretary, Norman H. Saunders, issued to-day.

It is an interim report and the figures compiled for five months from Sept. 19, 1929, to Feb. 19, 1930, show an increase in the number of scout registrations, which is attributed to the establishment of the new scout headquarters at 2 Bloor St. W., a convenient location.

Announcement is also made of the official appointments of Col. B. O. Hooper, as chairman of the provisional committee; L. B. Allan, E. C. Reason, F. A. Willet and R. H. Woods as district scout masters, and of James MacKenzie as district rover leader.

A committee was also appointed to deal with the proposed memorial to the late E. O'Callaghan, late executive secretary of Toronto Boy scout district.

Since the census last year, which was completed in November, 1929, nineteen new units are reported to have registered with headquarters.

Hilliard B. Holbrook, executive of Quincy Boy Scouts, is in a dilemma. The Granite City Scouts, he explained yesterday, are collecting waste paper in an effort to raise funds for a truck to be used at Camp Massasoit this summer. Already almost eight tons of the estimated 37 tons have been gathered by the lads.

Now comes Gregory J. McAdams of the Maurice F. Horan Company of Boston offering the Quincy Scouts nine huge bales of waste paper if the boys will come and get it.

"If we start for Boston in our present old truck we would have to have nine bales of haywire to make repairs en route," said Holbrook. "It seems like we can't get the new truck until we get the paper, and we can't get the paper until we get the new truck."

Premier G. Howard Ferguson has accepted the honorary scoutmaster-ship of the 25th Toronto Boy Scout Troop, according to the current issue of Toronto district Scout News. Other scout activities reported are: The ushering of the 70th Troop at the recent Quebec concert at Victoria Presbyterian church; the inauguration of a new method of handling scout registrations by the 70th Troop and the registration of the newest scout troop, the 114th, at John Wanless school, with Fred Harrison as scoutmaster.

The first meeting of the newly elected executive committee of the scouts of Toronto will take place Monday next at the King Edward hotel. Entries are now being received for the exhibition of scout and cub craft, to be held in the Church of Epiphany Hall on April 24-26 next.

ORDERING FOR SPRING PLANTING. (Experimental Farm Notes)

It often happens that we do not give much thought to our gardens or fruit plantations and what we are going to plant, or sow, until spring is almost or quite upon us and then, by the time the plants, or seeds, are ordered or reach us, it is really too late to get the best results that year, if ever, for in the case of some plants, such as roses, for instance, a delay in planting may mean that they will not grow at all, as when the hot dry winds blow over newly set bushes it is very hard on them.

Now, then, is the time to look ahead and to make plans for the coming season and get supplies ordered in good time, stating, when ordering, that the plants should reach you at a certain time as in the case of most trees and shrubs the earlier they are planted after the frost is out the better the results will be. This is based on long experiences at the Experimental Farms.

One should also know in good time what are the best varieties to plant, or sow, and if one has not this information at home, application should be made to the nearest Experimental Station for advice as to what to plant, as many dollars are often wasted in buying quite unsuitable, or inferior, plants and seed which could be prevented to a large extent by using the information freely given by the Experimental Stations.
