MOLASCUIT MEAL

(Hughes' Patent)

THIS CATTLE FOOD is a pure product of the Sugar Cane, the richest grass in the world, only the digestible pith of the cane being used to absorb the molasses, 20 p. c. of this pith will absorb 80 p. c. of concentrated molasses.

It is the most easy, practicable and economical means of handling molasses, and in the best form for feeding to all stock.

When fed to cows, it will increase the quantity and quality of the milk.

MOLASCUIT is extensively used in Demerara, Argentine, South Africa, Mauritius, India, Australia and of course in England.

The Canadian farmer will not be slow to grasp its value. MOLASCUIT is the richest sugar food, containing as it does over 50 p. c. of sugar.

SUNDAY SCHOOL LESSON

LESSON VIII. NOVEMBER 23.

JOSHUA, THE NEW LEADER

Joshua 1: 1-9.

GOLDEN TEXT

"Be strong and of good courage." Josh. 1: 9.

POINTED SUGGESTIONS

By Rev. D. W. Snider.

Possibly the "peace propagandist" would not turn to the Book of Joshua for his facts and arguments, because it is so full of the stories of battle and of the strategies of war.

Joshua stoutly maintains in chapter 23 that God settles the affairs and the relations of the nations. It is not done by disciplined battalions. With Joshua everything depends upon the national touch with God.

With the induction of the new leader of Israel the long-delayed entrance into Canaan began. How often it appears that the change of leadership produces results! Things move under his command that remained stagnant under the old leader.

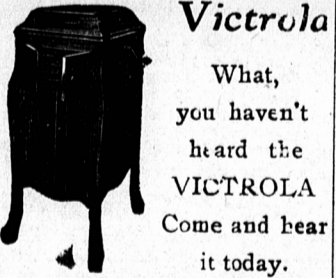

Two things are apparent in the lesson: Joshua got the same promise from God as had been given to Moses. "As I was with Moses, so I will be with thee." The Lord has no better to give than His best; that is, himself. God is impartial to the ages.

Jesus makes the presence of God worth when He says: "If ye abide in Me and my words abide in you, ye shall ask what ye will, and it shall be given unto you. Has the Church learned that road to victory yet?

1307 Davenport Road, Toronto, Ont.—"My eczema first started when I was a baby, on my face and scalp. It seemed dry and when I scratched it, it came off in scales. It itched very badly and I was obliged to have my hands tied up so as to prevent scratching my face. Little white watery pimples came on my hands and face and I had to stay home from school for nearly two weeks. It caused my face and hands to look badly. The eczema took a very bad form, appearing on my face in little watery ulcers so bad that I could hardly bear to be touched. My hair being naturally very thick I found to be getting thinner and wondered what could cause it to fall out.

"My mother tried — and — and spent no end of money trying to get me better but it did no good. At last a friend recommended Cuticura Soap and Ointment and my mother used them. We applied the Cuticura Ointment to my face, head and hands and washed with the Cuticura Soap and the eczema began to disappear. Before six months had passed I was completely cured." (Signed) Miss Constance Jane, May 26, 1913.

Cuticura Soap and Ointment do so much for pimples, blackheads, red, rough skins, itching, scaly scalps, dandruff, dry, thin and falling hair, chapped hands and shapeless nails, that it is almost criminal not to use them. A single set is often sufficient. Cuticura Soap and Cuticura Ointment are sold by druggists and dealers everywhere. For a liberal free sample of each, with 32-p. book, send post-card to Potter Drug & Chem. Corp., Dept. D, Boston, U. S. A.

comes. There are "doings" when the new government has taken the reins. But wise men know that winter is as vital to the harvest as the spring.

CROSSING THE JORDAN Josh. 3: 7-17.

GOLDEN TEXT "Fear thou not, for I am with thee" Is. 41:10.

POINTED SUGGESTIONS By Rev. D. W. Snider

Take hold of this explicit teaching: When one is called of God to the performance of any specific duty he may dare to go forward with the assurance that the Lord will be with him. Why are you not doing the thing, why are you not engaged in the service that in your inmost soul you believe you ought to be? Back of your timidity or evasion or procrastination or fear is unbelief in God or sheer disloyalty.

Of course, if one expects that the evidence of the Lord's presence with, and directing and sustaining support of, His leaders and workers is to be found in the easy time they have or the sure wealth or the unopposed way, the evidence cannot be produced. But Paul or Luther, or Wesley or Booth, never turned aside from duty for any such evidence. The presence of God, the Lord working with His leaders is consciously felt very often where neither microscope nor telescope nor any other "scope" could outwardly reveal it. For what a man saith why doth he yet hope for?

Follow the gleam. Be sure that the ark of the Lord is before you; then go right forward. Success lies that way whatever preventing, frowning, flooding circumstance may lie ahead. Mountains remove and rivers divide for those who obey God. The difficulty of the church today arises not from straightforwardness, but from evasion; not from its Caleb and Joshuas, but from its spies of compromise and evil report. Look at verse 10. The very names alone of those tribes which were on

the other side of Jordan make one shiver—now: Canaanites, Hittites, Hivites, Perizzites, Girgasites, Amorites, Jebusites. But horrible as their names were and horrible as they may have been, and strongly entrenched, their territory belonged to others, by the will of God. When the people of God marched forward, following the ark of the covenant of the Lord of all the earth, and obeying Him, they found the whole bunch driven out before them. In like manner, it would be, today, if the people of God would arise against the enemies of the Church of God, which have names as abominable as law-breakers and evil doers and workers of iniquity and corrupters of youth entrenched in booze and lust and grat and false and rotten ideals of success.

Crossing the Jordan has come to have a symbolic significance. Perhaps reference should be made to it, and the lesson studied in the light of that fact. The passing out of life—death—is spoken of as crossing the Jordan. The wise man or woman thinks of death, and so does the thoughtful boy or girl. Well, the lesson, interpreted for us in this regard, should fortify the soul and drive away the fear of death.

There is a preparation for death which each one can and ought to make. It is simply obedience to God's commands. He that keepeth my commandments he it is that loveth me; or, "if ye love Me keep my commandments." The Lord of the Resurrection asks one thing only of His followers, namely, the obedience of love. He has gone, He can go and will go before the soul who trusts and obeys through death up to resurrection power and ascension glory.

Finally he enters into possession and rest. How poor this world if there was not for me the alluring prospect of heaven—the other side of Jordan, the promised land! There redemption, there equity, there righteousness, there the glorious Lord. "Sorrow vanquished, labor ended, Jordan passed."

ESCAPED OPERATION FOR PILES

It is most disheartening to be told by your physician that nothing short of an operation will cure you of piles. The expense, the suffering, the risk, is too great, and so you endure the misery of this wretched ailment.

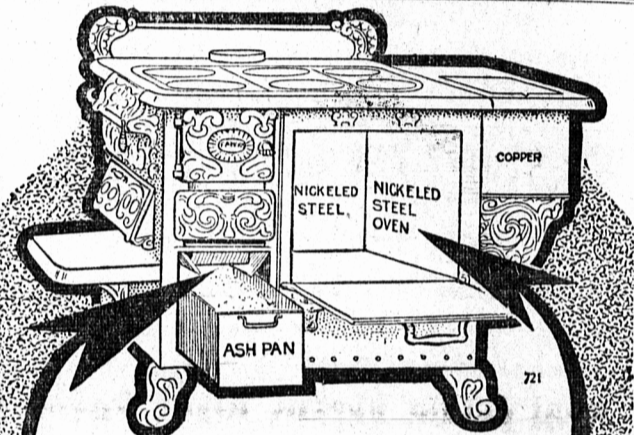

But why not be cured by Dr. Chase's Ointment. Relief is prompt, cure certain and lasting, when you use persistently this great soothing, healing ointment.

Mr. J. Mawer, Roden, Man., writes: "Dr. Chase's Ointment is a wonderful preparation. I had itching piles for five or six years and though I tried two doctors' prescriptions and used many other preparations could not obtain much benefit. The doctor told me there was no cure for me, and that I would have to undergo an operation."

"I bought a box of Dr. Chase's Ointment and was completely cured in one week. As this was six months ago and there has been no return of the old trouble, I believe that the cure is a permanent one."

Dr. Chase's Ointment has a truly wonderful record of cures to back it up. Many cases of 10, 20, 30 years' standing have been cured by its use. 60 cents a box; all dealers. Sample box free, if you mention this paper. Edmanson, Bates & Co., Limited, Toronto.
