FRANCIS-MCALEER NUPTIALS.

On Monday morning at St. Dunstan's Cathedral, Ethel Molinda McAleer, youngest daughter of Mr. John L. McAleer, Charlottetown, became the bride of George Anthony Francis, City.

The bride looked lovely in a gown of sandalwood crepe with lawn trimmings, and a lace and tulle. She carried a shower bouquet of sweet peas and maiden hair fern.

Mr. Francis is one of Charlottetown's most noted athletes and a valued member of the firm of Geo. I. Toombs & Son. The bride is one of Charlottetown's popular young ladies.

Night Coughs Rapidly Subdued

Instead of lying awake at night, wasting your strength with coughing, why not act now, and break up your cold today.

By inhaling the germ-destroying vapor of CATARRHOZONE you stimulate the linings of the throat so that they throw off the irritating secretions—then the congestion passes away.

All this shows the close working arrangement that exists between Mr. Johnston and Mr. Sinclair, it also shows that these Kings and particularly the people of Georgetown have not manliness enough to resent injury and insults.

The Electorates of Georgetown are now on trial. If any other town in the Dominion were treated as Georgetown has been treated the men responsible would be afraid to enter it, but Georgetown has been so often insulted and betrayed that evidently they think its people will stand for anything.

MORRISEY-POWER

A very pretty wedding was solemnized at St. Dunstan's Cathedral on Wednesday, August 25th, at 8.30 when Helen Evangeline Morrisey, daughter of Mr. and Mrs. Andrew Morrisey, Mount Herbert, was united in marriage to Martin Edward Power of Mermaid.

The ceremony was performed and Nuptial Mass celebrated by Right Rev. Monsignor McDonald.

As the bride, who was attractively gowned in white satin, with a bridal veil and orange blossoms, carrying a large bouquet of sweet peas and maiden hair fern, proceeded up the aisle to the Altar the organist, Miss Bessie Blanchard, rendered Mendelssohn's Wedding March.

The bride was assisted by Miss Blanche Power, sister of the groom who was prettily attired in rose-colored chiffon with large maline picture hat.

The groom was supported by Mr. Walter Morrisey, brother of the bride. During the celebration of Mass the Corpus Christi Choir, of which the groom is a valued member rendered several appropriate hymns.

After the ceremony the happy couple motored to the home of the bride's parents where a sumptuous wedding breakfast was served.

The numerous presents received testify to the popularity of the newly married couple.

Mr. and Mrs. Power left by the two o'clock train that afternoon on a honeymoon trip through the Maritime Provinces.

IN MEMORIAM

JAMES MACDONALD ROPER

At East Royalty at one o'clock yesterday morning, Mr. James MacDonald Roper, well known veteran farmer and dairyman, passed peacefully away at the advanced age of eighty-eight years, just three days before his eighty-ninth birthday.

About four years ago, after many years of arduous toil and endeavor, your health broke down, compelling him to retire from active work. Last week he took a turn for the worse and has been steadily sinking until he breathed his last, all the members of his family except one son who is in the United States, being at his bedside.

The late Mr. Roper was the son of the late Benjamin Roper and Catherine Robertson. He was born at East Royalty on Sept. 10th, 1837, being one of a family of eight, all of whom have preceded him. He was of United Empire Loyalist stock on his father's side, his grandfather being a native of London, England.

When a young man, Mr. Roper was employed for a time in a mill at St. Peter's, but over fifty years ago, shortly before his marriage he purchased land in East Royalty, and took up farming and dairying which he carried on successfully for many years being a breeder of the pure bred Guernsey cattle with which the name of Roper is so prominently identified with the live stock industry of the Island.

He started his herd shortly after his two sons, John B. and James F., acquired their stock from Mr. E. R. Brown, and began their career as breeders under the name of Roper Brothers, other members of the family being associated with them for a time. John B. retiring some years ago. By their industry and intelligence they achieved fame and success as the many awards in the show rings in Canada will testify.

Mr. Roper, senior, established an extensive milk vendership business now being conducted by his youngest son Louis W. A man of honour and integrity, in all his dealings with his fellow-men, hardworking and industrious, skilled in the handling of live stock a good neighbour, a loving husband and father was James MacDonald Roper, and he was highly esteemed by a very wide circle of friends.

In April 1872 he married Catherine MacCallum, who survives him together with the following sons and daughters: John B., in Sherwood; James F., in Central Royalty; Arthur W., in East Royalty; Emma, wife of Reuben Mac-

Designation Service At Hunter River

A service of unusual interest took place in the United Church at Hunter River on Tuesday evening when Miss Adele McPherson was designated to foreign mission work. The church, literally banked with potted and cut plants by the Mission Band girls, was filled to capacity and the service was one long to be remembered by those whose privilege it was to be present.

Designation, Rev. Mr. Boothroyd, Solo, Miss Fickett. Presentations, Offering, Solo, Mr. A. R. Gillis. Address, Rev. Dr. Ramsay. Hymn, "Speed Thy Servant." Benediction, Hymn, "God Be With You."

Dear Miss McPherson: Tonight, we, the members of the Women's Missionary Society of the United Church of Canada wish to congratulate you on the noble choice of life work you have made as you go from us to serve in the foreign mission field.

You go from our little Island to another island, beautiful as our own in many ways, yet differing in conditions and beliefs, that only the gospel of love and loving service can better. As you go with that message of love, may the Father who has thus far guided you, give you abundantly the physical blessings of health and strength that may enable you to give of your best in His service in the years to come.

Through sunshine and shadow days bright with hope or days fraught with discouragement, ever remember that God is always near keeping watch above His own. We know not where His islands lift their fringed palms in air. We only know we cannot drift.

Miss McPherson is a daughter of Mr. and Mrs. A. D. McPherson. Three years ago she was designated to Deaconess work and served since then in connection with Chalmers Church Ottawa. She leaves this week for Trinidad being one of fourteen young women now leaving Canada as the first United Church representatives going out to foreign fields. L.

Lord Byng's Farewell Visit

(Special to the Guardian) TORONTO, Sept. 7.—Mayor Foster was notified today that Lord Byng will pay his farewell visit to Toronto on Tuesday, Sept. 21.

The Governor-General will arrive in the city on the night of September 20 and leave again on the morning of Sept. 22. He will call on the Mayor at the City Hall, but because of the short time in Toronto there will be no opportunity for a civic reception.

Simple Remedy For Bad Stomach Gives Quick Relief

No Need of Strong Medicines or Diet-Famous but Simple Old English Recipe Keeps Stomach in Fine Condition, Banishes After-Eating Distress.

If you are a victim of Stomach Troubles—Gas, Sourness, Pain or Bloating—you may have quick and certain relief by following this simple advice. "Don't take strong medicines, artificial digestants or pull down your system by following unnecessary starvation diets. Never hurry your meal or overeat anything, but within reason most folk may eat what they like—if they will keep their stomach sweet, clean and active and free from the souring acid that hinders or paralyzes the work of digestion.

And the best and easiest way to do this is to follow every meal with a small amount of pure Bisurated Magnesia—a pleasant, harmless and inexpensive form of Magnesia that promptly neutralizes acidity and keeps your stomach sweet and clean.

A week's trial of Bisurated Magnesia which may be obtained from any drug store for only a few cents, will easily convince you of the great value of this old English recipe.

Be sure and get BISURATED Magnesia—not a laxative.

West Prince Teachers Convention

The convention of the teachers of West Prince held at O'Leary on Friday, Sept. 3, was an attendance of over forty teachers. Mr. Elmer Pineau, principal of Duvar School, ably presided, while Linda Currie, teacher of Rosebank recorded the proceedings. After the registration of teachers, the President in his opening oration, very capably outlined the purpose of the meeting and the duties incumbent on the teaching profession. He was followed by inspector Peter Gallant, who in a very instructive address held the attention of his hearers, sitting forth their duties as teachers of the young. Then followed an interesting discussion relative to some of the suggestions put forth by the Inspector. A list of questions was next submitted by teachers for discussion, among
