Splendid prizes were given to the four players holding the highest individual score on the Ducks, Candles, Tea Pins and Five Pins. This contest was open for four weeks and the nightly game was a continual fight for first place. The bowlers sang cheers and shouts from spectators who crowded the promenade, played the game with due respect to all the rules and regulations. The final night was a grand affair, and the doors, waiting results, and the players who distinguished themselves as prize winners are as follows:—Five Pins, George Campbell, first; Preston Surrey, second; Tea Pins, Milton McLeod, first; Gladstone Higginbotham, second; Ducks, Cecil Hynes, first; Chas. McLure, second; Candles, Russel McGregor, first; W. White, second. **Why OXO Cubes sell by the Million; as told by people who use them:—**

"Being a constant user of OXO Cubes, I send you some recipes. . . . Now that beef is so dear I make many dinners without it with the help of OXO Cubes. Some of my friends also use OXO Cubes and find them very convenient."

"OXO Cubes are too well known to need any recommendation; besides being quickly and easily made, OXO is very refreshing, strengthening and appetizing."

"My friends ask me what I feed my little girl on, and I tell them OXO. I am convinced that it is OXO Cubes she gets on so well with."

"We have found OXO Cubes a distinct saving. There was a time when they could be used more than now, seeing the high prices of other foods."

IN MEMORIAM

MRS. CHARLOTTE RATTENBURY

On Saturday morning, Nov. 22nd 1919, Mrs. Charlotte Rattenbury, widow of the late Benj. Rattenbury, passed peacefully away, after a prolonged illness of eight months. Deceased was seventy-seven years of age. She was a kind, friendly and neighborly, and her generous hospitality, coupled with rare kindness of heart won for her a place in the hearts of all with whom she came in touch in her own acts of kindness done in her own quiet, unassuming way will keep her memory green in the hearts of all who know her.

Although her last illness was of long duration, which she bore with Christian resignation to the Divine will. She had always been a woman possessed of wonderful physical and mental vigor. Her death seemed to remain to the end, being able just before she passed away to give full directions for her funeral which took place on Monday afternoon, and the large number of people who assembled to pay their last tribute to the deceased bore strong testimony to the esteem in which she was held. She leaves to mourn several nieces and nephews, two of whom—Agnes and Jessie McKinnon tenderly cared for her during her illness.

The funeral service was conducted by the Rev. Mr. Wilson, of Covehead, assisted by Rev. Mr. McVicar.

The pall-bearers were Messrs. Vernon and Leth McKinnon, Arthur, Leonard, Guy and Harold Cadmore, grand-nephews of the deceased. She was buried in New Glasgow cemetery beside her husband who predeceased her the 7th of December 1918.

Our hearts are sad and lonely Since Auntie passed away Her days on earth were numbered With us she could not stay.

Her toll of life is ended She rests from peace and care At home with Blessed Jesus We hope to meet her there.

The death dews on her forehead Her eyes they sought our face The last fond look then lingered As loath to leave the place.

Our loss we know is heavy, We miss her gentle care In mansions Jesus promised We will surely meet her there. 5944.

Drink More Water If Kidneys Bother

EAT LESS MEAT AND TAKE SALTS FOR BACKACHE OR BLADDER TROUBLE

Uric acid in meat excites the kidneys, they become overworked, get sluggish, ache, and feel like lumps of lead. The urine becomes cloudy; the bladder is irritated, and you may be obliged to seek relief two or three times during the night. When the kidneys clog, you must help them flush off the body's urinous waste or you'll be a real sick man shortly. At first you feel a dull misery in the kidney region, you suffer from backache, sick headache, dizziness, stomach gets sour, tongue coated and you feel rheumatic twinges when the weather is bad.

Eat less meat, drink lots of water; also get from any pharmacist four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act from the acid famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean clogged kidneys and stimulate them to normal activity, also to neutralize the acids in urine, so it no longer is a source of irritation thus ending bladder weakness.

Jad Salts is inexpensive, cannot injure, makes a delightful effervescent lithia-water drink which everyone should take now and then to keep the kidneys clean and active. Druggists here say they sell lots of Jad Salts, to folks who believe in overcoming kidney trouble while it is only trouble.
