

MONDAY

—SLIGHT ACCIDENT—Mrs. John C. McNeill, Elmstead, received painful injuries last week when she accidentally fell into a cellar, a distance of seven feet. Fortunately no bones were broken.

ISLAND STORY FEATURED—In July's issue of The Maple Leaf, a magazine published in Oakland, California, edited by Mr. M. A. McInnis, formerly of Summerside, and devoted to the interests of Canadians at home and abroad, appears an interesting story, "The Money Diggers of Blackwater Beach," a story of P. E. Island—by Mr. J. J. McDonald.

—FARM PURCHASED—Mr. Michael O'Brien, formerly of Centre Line Road, has purchased the farm on the western road, near Elmstead from Mr. Harry Platts. The farm which cost \$5,500 will be occupied by its new owner in the near future. Mr. Fraser Wells has purchased the James McArthur farm near Alberton from Mr. Ewan Campbell. Mr. Wells has taken possession and has started in to improve the property.

DIED AT MONTREAL—There passed away at Montreal July 21st inst., Katherine Amelia (McAulay), wife of William S. Gardner, and second daughter of the late Rev. Dr. Bennet of St. John, N. B.

Mrs. Gardner is a sister of Mrs. J. E. B. McCready, of this city and has visited here on several occasions. She leaves to mourn, besides her husband, son, and five granddaughters, her four sisters and a circle of dear and valued friends and relatives, who will sincerely regret her removal from their midst. "There is no death, what seems so is transition."

MR. ROBERT MESSERVY was the special soloist at the Methodist Church last evening, and his splendid and thoroughly artistic rendering of Mendelssohn's "Aria 'It is Enough'" (from Elijah), also the fine song "The Voice in the Wilderness" by John Pringle Scott. Both of these selections are calculated to bring out the very best any singer may have, and it must be said that the soloist's magnificent "Baritone" was equal to all demands, both in the dramatic and declamatory passages, and also in the part calling for softer and more delicate interpretation. The rich resonant tone and what is more rare, the "perfect enunciation" gave delight to all present, and Charlottetown may well be proud of this promising baritone who bids fair to take his place among the best in the land. Local talent in this province is remarkably good, and the production of "good singers" is something of which any Province may be proud. W. E. F.

A gloom was cast over Corvallis and vicinity on Wednesday July 15th, when it became known that the death of "The Grim Reaper" had claimed for his own, one of the most highly respected residents of that place in the person of Mrs. D. A. Wilson.

The deceased had been in failing health for about a year but no serious results were anticipated until about a week prior to her demise when complications developed which suddenly cut in twain the slender thread of life already weakened by her protracted illness.

In the passing away of Mrs. Wilson a void has been created in the hitherto unbroken family circle which the healing lapse of time can never completely efface. Ever solicitous for the welfare of those around her she endeavored herself to all who had the pleasure of her acquaintance by her selfless charity which was combined with those principles of integrity and fair-dealing which made of her an ideal neighbor and the highest type of Christian woman.

Throughout her last illness she was frequently visited by her pastor Rev. A. MacAulay and when it became apparent that the final hour of dissolution was near she was fortified by the ordeal by the last rites of the Catholic church.

Her funeral on Friday July 18th was one of the largest ever seen in this vicinity upwards of 100 carriages following her remains to their last resting place in St. Peter's Cemetery. A high Mass of Requiem was chanted for the repose of her soul by Rev. A. MacAulay after which all that was mortal of an affectionate wife and a kind and dutiful mother was tenderly consigned to Mother Earth.

She leaves to mourn besides her sorrowing husband and a wide circle of friends, two daughters, five sons, two brothers and two sisters, Evelyn at home and Mrs. F. J. McViney of Boston Mass., John J. of Cable Head East and Jefferson Daniel, Albert and Jerome at home. The brothers and sisters are: Jeremiah of Southampton, John Alfred of Gloucester, Mass., Mrs. Kelly and Mrs. Rose of Gloucester, Mass.

The heartfelt sympathy of the whole community goes out to the bereaved family in their hour of sorrow.

—At a meeting of the Government Executive Council and the Board of Education held on Friday evening Miss Ethel Duffy of Kelly's Cross and Miss Vera Scullion of Charlottetown were appointed to fill vacancies on a "singing staff" of the Model School. There were in all eight vacancies and these positions from first class teachers. Mr. William Woodside, now of Charlottetown formerly of Kensington was appointed manager of the school supply department. Mr. Woodside is a retired soldier and his appointment was recommended by the G. W. A.

The Sacrament of the Lord's Supper was observed at Valleyfield on July 14-15. It is claimed that a larger number of church members were present than on any previous occasion in Valleyfield. Over 500 sat at the Lord's Table, a goodly number being from other congregations. Twenty new members were added to the roll on profession of faith and three by certificate. The recent rains laid the dust and cooling the atmosphere the weather was ideal. The Pastor, Rev. J. A. McLellan, was assisted by his uncle Rev. J. D. McFarlane, Loch Lomond, C. B. who with his wife was visiting P. E. Island, and Rev. M. D. McLeod Caledonia, P. E. I. Rev. Mr. McFarlane is one of the elder men of the Presbyterian Church, being beyond the age at which men usually retire from the active duties of the ministry, but "his eye is not dimmed, nor his natural force abated" and his mind unaffected by the years. With much pleasure the large audiences listened to his earnest and powerful presentation of the truth. Mr. McFarlane contemplated retiring this year, but his congregation learning of his intention appealed to him to remain so he consented to stay another year.

ISLAND LADY DEAD—Death occurred in Vancouver, B. C., on June 4th, of Mrs. John Francis McKinnon, formerly of St. George's P. E. I. He leaves to mourn one brother Archie who resides in the States, also five sisters, three of whom reside on the Island and two in the States.—H.

CHANGE OF RESIDENCE—Mr. John J. Hackett and family have removed from Oakland, where they have resided for a number of years to Sabastopol, Sonoma County, Calif., the home of the famous apple orchards, says the Outlook. Mr. Hackett disposed of his residence in this city and may decide to remain in the northern county for a time. Mr. and Mrs. Hackett are natives of P. E. I., the former being a native of Tignish, and his wife (Laura), a daughter of the late Mr. and Mrs. Michael Harrington of De Sable. They are the proud parents of three children.

VISITING P. E. I.—Mrs. T. B. Watkins of Cambridge, Mass., arrived in Charlottetown a few days ago on a visit— to her sister, Mrs. William McLaren of Whim Road, P. E. I. where she will be welcomed by many of her old friends. Mrs. Watkins was greatly disappointed at not having her son, Huson G. Watkins, accompany her on her visit to the Island on account of his business as an aviator. He is at the present time stationed in York Beach, Maine, where he is a successful flyer, he could not leave, Mr. Watkins, who is one of the best flyers in U. S. A. is noted for the many wonderful stunts and clever landings which he has made in the past. Mr. Watkins expects to visit the Island the latter part of the season, accompanied by Mr. John Haley. They are both great lovers of the Island and think there is no better place like it. Mr. Haley has spent two summers on the Island and hopes to spend many more.

As the bride and groom are both popular and highly esteemed a large number of friends were in the church, and after the marriage ceremony, at the railway station to extend congratulations and shower them with rice and good wishes. The gifts were numerous and valuable. Mr. and Mrs. McDonald left by train enroute to Montreal, thence to San Francisco, and will return by Vancouver and Western Canada to their home here. The Guardian extends congratulations and wishes Mr. and Mrs. McDonald health, happiness and prosperity through life.

Look out for the unnatural weakness that indicates thinning of the blood and lack of power. It means that your bodily organs are starving for want of good nourishment; that the red corpuscles are fewer; unequal to demands of health. Hood's Sarsaparilla increases strength of the delicate and nervous, restores red corpuscles makes the blood carry health to every part, creates an appetite. If you need a good cathartic medicine, Hood's Pills will satisfy.

A PLEASANT VISIT.—Mr. John Shaw of East Boston who has been visiting his brother, Mr. Nat Shaw, DeSable, was in the city yesterday on route for home. Mr. Shaw has been in Boston for forty years, having on his first visit there crossed the straits by the open hand-drawn boats. On his present visit, by way of contrast, he makes his trip on the modern car ferry and naturally notes with pleasure the progress made both in travelling accommodation and in the general prosperity of the province. He has been two weeks on the Island and after the excessive heat endured before leaving Boston, very properly returned to the Island the ideal place to spend the summer in. Mr. Shaw has done well in Uncle Sam's country and is now assistant superintendent of the American Sugar Refining Company, but considers Prince Edward Island with our prosperous homes and well cultivated farms, one of the best places in the world to live in.

His early demise at the age of 24 years and 10 months is deeply regretted.

The passing of W. H. McKie at his home in Summerside on Sunday last deserves more than a passing notice. For the past seventeen years he has been employed in the bank of Nova Scotia in Summerside, first as clerk, very shortly afterwards being promoted to the position of also manager for short periods at New Glasgow, N. S. and Port Elgin, N. B. He was regarded as one of the most capable bankers in the East and had many offers of higher positions, but preferred to remain in his native province. While the late Mr. McKie had not enjoyed robust health for the past few years, still his friends did not think that his useful life would be so suddenly ended. After an acute illness lasting three weeks, at the early age of 46, just at the period of his greatest usefulness he was stricken. He was born in Charlottetown, the second son of our esteemed town's patriot, W. S. and Mrs. McKie, 254 Kent Street. His untimely end is sincerely mourned throughout the province by a large number of friends who will ever miss his kindly counsel.

There are left to mourn, his widow, formerly Miss May Sharp, Summerside, two young sons, Angus and Leland, his father and mother, two brothers, Edward with Chandler's Hardware Co., and John F. of McKie & Co., Grafton St., who have the heartfelt sympathy of the community.

All prominent places of business and the banks were closed during the funeral hour. Sleep on beloved—take thy rest.
