IN MEMORIAM

MR. JOHN MCGUIGAN.

The death occurred at St. Mary's Road on November 17th of Mr. John McGuigan, a highly esteemed and much respected resident of that place. Deceased was about 68 years of age, a man of exceptionally fine character. He was attended during his illness by his pastor, the Reverend Theodore Gallant, who administered the rites of his church. Mr. McGuigan was a very powerful man physically and never knew what it was to be ill until a few weeks before his death, at which time he was attended by Drs. McIntyre and Grant who performed an operation for appendicitis. His funeral which took place on Sunday afternoon was very largely attended. There are left to mourn six sons, and one daughter. The latter is Mrs. Edward Bradley of Charlottetown, and the sons are Patrick in England, John, Joseph, Peter and Alfred and Charles on the island. The pallbearers were James Hughes, Thomas Hughes, Edward McGuigan, Charles McGuigan, Michael McCarron and Edmund McGuigan. R. I. P.

MR. DANIEL MCGREGOR, WESTVILLE, N. S.

The death occurred in Westville, N. S., on Friday after a lengthy illness of Daniel McGregor, aged 75 years. Deceased had been confined to bed for the past six months and his death was not unexpected. Mr. McGregor was born at Lot 48, P. E. I., lived at Union Road, P. E. I., until he was about 30 years of age. He then moved to Westville (1871) and has been a resident of that town for the past forty-five years. He saw Westville develop from a mining camp into a large and thriving town. In his early days in the town he was connected with the Black Diamond Coal Co.

Deceased was a man who stood high in the public esteem. He was quiet, inoffensive and a good citizen in every sense of the word. In religion he was Presbyterian, in politics a conservative, and in the home circle a model husband and father. For forty years he was a member of Scotia Lodge, I. O. O. F., an order which he held in great admiration. Deceased is survived by his widow, Miss Ella M. He is also survived by three brothers, John and Ewen, of Malden, Mass.

WHEAT MUST NOT BE USED FOR BEER.

LONDON, Nov. 28.—An official announcement by the board of trade says: "It has been reported to the board of trade that in consequence of the scarcity and high price of barley, purchases of wheat have recently been made by brewers for use in their business. In view of the fact that wheat is not a cereal grain, and accordingly made an order, the effect of which is to prohibit the use of wheat in the manufacture of beer and similar liquors. The order is effective next Monday. It may be recalled that the use of grain for the production of spirits without authorization of the minister of manitoba was prohibited by the order of May 10 last."

An Aged Couple

SAY THEY OWE THEIR GOOD HEALTH TO VINOL.

Steuheville, Ohio.—"My husband is 79 years old and I am 78 years of age and we owe our good health to Vinol, the greatest strength creator and medicine there is. When either one of us get into a weakened, run-down condition, Vinol has never failed to build us up and restore our strength. We have often said we would not be living now were it not for Vinol."—MARY A. LEE. We guarantee Vinol because it contains beef and cod liver peptones, iron and manganese peptones, and glycerophosphates, the most successful tonics known. B. A. Foster, Druggist, Charlottetown, also at the best Druggist in all Prince Edward Island towns. Vinol is sold in Montague by H. J. Mabon.

Saxol Salve CURES SKIN AFFECTIONS

One package proves it. Sold and guaranteed by above Vinol druggist.

LETTER FROM MEMBER OF 105TH REGIMENT

Mrs. Roderick Williams, Victoria, received the following letter from her son, Earl, now with the 105th Battalion:

Dear Mother— I thought I would drop a line to let you know I am well. We have moved and are now about 85 miles from London and in a lovely camp. I sleep in the officers' huts. We have a nice little room for five of us with a fireplace and the place is lovely. There is wood all around. They have a lot of it cut down and some of it cleared out with fine trees about five feet apart, so you can walk or ride through it anywhere. I have left Capt. Taylor and am back with Major E. H. Campbell again. I will have a horse to look after this winter again, so I will be able to get around to see some of the country. Well, mother, we left our old camp the night before last at 12 o'clock, and landed here about 7 in the morning and it was raining like mad and we were all that day unpacking, so you see we hadn't much time for writing yet. I will write more next time. I must close now with love to all, from your loving son, EARL. My address is, Witley Camp, Surrey, Eng. I got the parcel alright and was more than glad to get it. Bye-bye.

CROSS, FEVERISH CHILD IS BILIOUS OR CONSTIPATED

Look, Mother! If tongue is coated give "California Syrup of Figs."

Every mother realizes, after giving her children "California Syrup of Figs," that this is their ideal laxative, because they love its pleasant taste and it thoroughly cleanses the tender little stomach, liver and bowels without griping. When cross, irritable, feverish or breath bad, stomach sour, look at the tongue, mother! If coated, give a teaspoonful of this harmless "fruit laxative," and in a few hours all the foul, constipated waste, sour bile and undigested food passes out of the bowels, and you have a well, playful child again. When its little system is full of cold, throat sore, has stomach-ache, diarrhoea, indigestion, colic—remember, a good "inside cleansing" should always be the first treatment given.

Millions of mothers keep "California Syrup of Figs" handy; they know a teaspoonful today saves a sick child tomorrow. Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which has directions for babies, children of all ages and grown-ups printed on the bottle. Beware of cheap imitations sold here, so don't be fooled. Get the genuine, made by "California Fig Syrup Company."

MEETING OF THE SHEEP BREEDERS' ASSOCIATION

The postponed annual meeting of the association was held yesterday in the Provincial Buildings at one p. m. with Mr. C. B. Clay, President, in the chair. According to the Act Messrs C. B. Clay and Ernest Land retired, and Messrs Wm. Howlett and P. A. Farquharson were appointed in the vacancies. At a subsequent meeting Mr. P. A. Farquharson, of Frenchfort, was elected President.

Because of the provisions of the Act, providing a Government grant which has never been applied for, the finances of the Association are strong, having a surplus of about \$100. There was an expenditure of \$80.25 in payment for sheep worried by dogs. There was 4,771 grade sheep and 228 pure bred sheep insured with the Association.

Considerable discussion arose regarding the grading of wool and the co-operative sale of same. A report of last season's activities was read by W. J. Reid, which showed the following: Summerside Grading Station, 11758 pounds, which netted the farmers \$4,466.11. Charlottetown Grading Station, 16334 1/2 pounds, which netted the farmers \$5,388.97.

Necessary expenses such as freight, cartage, and insurance were all deducted from the returns before the checks were issued, thus the business stands upon its own foundation. Many questions were asked regarding this work and answered as well as they could be with the data on hand. Legislation was considered and a committee of three was appointed to confer with the Department regarding the necessary changes.

Dipping and allied sheep work was discussed quite thoroughly. Dr. Gauthier outlined a lamb finishing competition for each county which has as its underlying idea the stimulation of the sheep industry. Each county is to stand by itself, there being prizes so awarded. Flocks of lambs, numbering six of the owners raising, are to be fitted for market and they are to be judged as market lambs. All the flocks will be assembled in Charlottetown and each pen sold by auction separately. The first three prizes in each county will be a pure bred ewe lamb and then three money prizes of \$10, \$5, and \$3 will be offered. Suggestions as to the methods that may be followed will be offered by the Department of Agriculture. Doubtless, the competition will be under further consideration. When final arrangements are made more detail, than time would permit for arrangements, can be given.

The Executive for the coming year are: President, P. A. Farquharson, Frenchfort; Vice-President, C. M. Arsenault; and the directors are: Albert Boswell, Daniel Stewart, Rev. P. C. Gauthier, and William Howlett.

LAST NIGHT IN BAPTIST CHURCH

To a large audience last evening Rev. Charles R. Freeman delivered a very impressive address based on Ecclesiastics 12: 1: "Remember now the Creator in the days of thy youth." While the evil days come not, for the years draw agh, what thou shalt say, have no pleasure in them.

These words were written by a man of the widest experience. The writer had full opportunity to gratify every taste—to test every sensation. He had tried the world, and out of the fullness of his experience he gave the advice of the text as his matured thought. Why is this youthful decision wise? It is easier. Never is there so favorable a time. Youth is plastic, fluent, formative. Impressions made then become basal and fundamental. The vision divine grasped in early years gives a foundation for a life of noblest ideals with limitless possibilities for good.

This youthful decision affords a long time of useful service to God and man. We are saved for service—for fruit-bearing in God's vineyard. The vine bears fruit only through its branches, Christ supplies the life, His followers bear the fruit. He who comes to Christ early saves the remorse of wasted years, with all the misery, sorrow, and failure that such a life entails. "So much to do—so little done," therefore, let every young man and woman commence now to follow the Master's way.

You can't afford to run the risk of neglecting salvation—place your life in the hands of God, let His Almighty power carry the risk—it is too great for you.

It is too great a risk even were you sure of living to the century mark. Every passing year makes decision harder, and every passing year makes your possibility of saving less smaller. Do not offer God the useless remainder of wasted years. And when you reach the other shore, when you see the eternal morning, you will not have one regret for retired, and Messrs Wm. Howlett and P. A. Farquharson were appointed in the vacancies. At a subsequent meeting Mr. P. A. Farquharson, of Frenchfort, was elected President.

God promises no salvation for tomorrow. Lives do not commence to count until they are placed unreservedly in the hands of God. God helps us to decide for Christ and will make our lives count for something now.

LETTER OF CONDOLENCE

To Brother Wm. F. and Alfred Carew, Wheatley River, P. E. I. Whereas it has pleased God in His infinite wisdom to remove your beloved and respected brother Roy Leslie from the cares and troubles of this life to the world beyond. We your brethren of Court Dalvay wish to tender to you our heartfelt sympathy in this your hour of trial and affliction and assure you that we sincerely sympathize with you in your sore bereavement. Your noble brother has been called away very suddenly in the vigor and prime of manhood and upon the threshold of this world's opportunities and although we cannot understand God's ways yet we know that He doeth all things.

WHENEVER I see the word VCLEPT in print I want to PULL SOMEBODY'S HAIR. I DON'T BELIEVE in using the DICTIONARY AS A STUMBLING BLOCK for the FOLKS AT home or elsewhere. I HEARD a woman say "I USE a preparation VCLEPT HERPICIDE." HER HAIR was really beautiful BUT HER language MADE ME sick. Yours for beautiful hair, Herpicide Mary JOHNSON & JOHNSON Special Agents

BY THE WAY OF THE PANAMA CANAL

OTTAWA, Nov. 28.—A state owned line of steamships is to be operated between Atlantic and Pacific ports of Canada by way of the Panama Canal. The official announcement was made this morning by Hon. Dr.

REID, MINISTER OF CUSTOMS. CONTRACTS HAVE BEEN AGITATING FOR AN ARRANGEMENT OF TWO VESSELS FOR THIS TRADE, AND TENDERS WILL BE CALLED FOR BY THE PANAMA CANAL DEPARTMENT.

For some time British Columbia people have been agitating for an arrangement whereby all water communication between Atlantic and British Columbia ports might be via the Panama Canal. It was found impossible to charter vessels for this service and so the Minister of Customs, who on his recent visit to British Columbia received urgent representations on the subject, has succeeded in having the order-in-council passed for the construction of two ships. They will be built in British Columbia.

A MOTHER'S TROUBLES

A mother's unending work and devotion drains and exhausts her physical strength and leaves its mark in dimmed eyes and careworn expressions—she ages before her time. Any mother who's weary and languid should start taking Scott's Emulsion of cod liver oil as a strengthening food and bracing tonic to add richness to her blood and bring her nerves before it is too late. Start Scott's Emulsion today—its name is world-wide.
