Canadiens Break Boston Jinx Defeating Bruins 2-1

MONTREAL, March 4.—(C.P.)—he jinx Boston Bruins held over Montreal Canadiens all through the National Hockey League season was broken tonight. Canadiens fought tooth and nail to earn a 2-1 victory over the Bruins before 6,000 fans here Saturday night and added another two points to their margin over New York Americans in the race for the third-place play-off position in the Canadian section. It was the first time the Bruins lowered their standard to the Flying Frenchmen in six scheduled games. The tail end club of the American section hammered the Canadiens with five straight defeats before the Red Shirts could shake off the jinx.

Nevertheless it was a close call. The speeding Canadiens put in two goals before the storm broke. Bruins unleashed a terrific offensive that brought them one goal and nearly pumped them into a tie. In the last minutes of play Tiny Thompson was pulled from the Boston goal line and six forwards blasted a terrific fusilade at Lorne Chabot as he jumped around in the Canadiens goal. Lorne failed to give up another goal and hung on desperately till the bell ended the battle.

Conacher Stars in Leaf Win

TORONTO, March 4. — (C.P.) — The laurels rested on the broad shoulders of Charlie Conacher tonight and a 6-4 victory over Detroit Red Wings was added to the record of Toronto Maple Leafs mainly because of the three-goal outburst by the National Hockey League's leading point-maker. Besides scoring three goals himself the big right-winger aided in a fourth.

Blanked in the first period by the brilliant work of George Hainsworth in the Leaf nets, Red Wings found their scoring punch in the second period for two goals to hold the Canadian section leaders even then scored Toronto 2-1 in the third period but the three goals Toronto got in the first 20 minutes was too much a handicap.

The loss lessened slightly Red Wings' chances of finishing at the top of the American section while the win did not affect Toronto whose remaining six games are merely fillers.

Chicago 4; Maroons, 2

CHICAGO, March 4. — (A.P.) — Montreal Maroons gave their usual exhibition of rough, wide-open hockey tonight, but bowed to the Chicago Black Hawks, 4-2 in a National Hockey League game.

Paul Thompson scored at 45 seconds of the second frame before Cy Wentworth passed to Hooley Smith for the first Maroons goal.

Leroy Goldsworthy gave the Hawks another in the second period and after Baldy Northcott cut the Chicago margin to one goal early in the last session, Thompson got his second score of the match.

NEW YORK, March 4.—(C.P.)—New York Americans made a brave start in their new fight for a play-off position in the National Hockey League's Canadian division here tonight by defeating Ottawa Senators 3-0 in one of the dullest games of the season. Victory left Amerks four points behind Montreal Canadiens.

Best play of the night was the one Rabbit McVeigh made for the third goal after Bill Brydge and Bob Gracie had given Americans a 2-0 lead in the second period. The agile Rabbit did a neat job of feinting Al Shields and Scotty Bowman out of position and fired from between them.

Allison Loses To Stoffen

(C.P. Cable By Guardian's Special Wire)

HAMILTON, Bermuda, March 4—A hard-swinging young giant from California — blond Lester Stoffen of Los Angeles—found his way to the men's tennis championship of Bermuda Saturday by conquering Wilmer L. Allison, Jr.,

The 22 year old Westerner, ranked third in the United States, took the title held last year by Clifford Sutter of New Orleans, fourth ranking player this year. Scores were 6-1, 6-2, 1-6, 6-3.

Stoffen's terrific service accounted largely for his victories in the first two sets as he pitted his smashing game against the steadier play of his more experienced opponent from Austin, Texas. But he faltered in the next set, and the seasoned Allison took advantage of the opportunity to stretch the match to four sets.

Allison tried hard to even things up in the fourth set, but Stoffen had recovered his game. Sizzling services marking his aggressive play, he beat back the Texan stroke by stroke and turned back his desperate bid for victory.

Allison, though, will have a chance at another title tomorrow. He and Miss Florence Leboutillier of Westbury, L. E., a ranking woman star, will face Stoffen and Miss Jane Sharp of California, in the finals of the mixed doubles.

Allison and Miss Leboutillier combined Saturday to eliminate Laird Watt, ranking Canadian, and Miss Penelope Anderson McBride, an American player, 6-4, 6-3. In the other semi-final match, Stoffen and Miss Sharp defeated Sidney Adelstein of New York and Miss Grace Surber of New York 6-2, 6-0.

COLLEGIANS EVEN UP HOOP SERIES

Fighting against elimination from the battle for the "Y" House League Basketball title, the P. W. C. loop squad drew up on even terms with the Senior "Y" squad Saturday night when they emerged victorious in a hard-earned game 34 to 30.

Away to a slow start the game developed into a lightning-fast encounter midway throughout the first half, the bell finding the winners leading 16 to 14.

The fast pace continued into the final half with the lead see-sawing back and forth. Midway through the session the college boys forged ahead eading 33 to 26 with three minutes to go. A five man offensive by the "Y" team saw them garner five points but just couldn't break through for the remaining points.

Maitland Owen proved the spearhead of the collegians' offensive. "Mait" garnered 19 points to lead the scorers.

Henry, Dewar and Rice were the pick of the losers, the former chasing Owen for scoring honors with fifteen points. Cyril Ryan refereed impartially,

Lineups:

Senior Y—Henry 15, Dewar 9, Young 4, E. Rice 2, Langille, Walker.

SOURIS HOCKEY LEAGUE

Following up their 5-2 win on Monday night, the Teddies again defeated the Beavers 2-1, on Thursday evening, March 1. It being the second and deciding game in the best two-out-of-three-game playoff series of the Souris Hockey League. The rink was packed and the fans saw one of the most exciting and hard fought games of the season.

The Teddies took the offensive from the opening gong and went through the Beavers repeatedly to try out Cheverie, but the Beaver net-minder was right there and was able to keep out all comers until about midway in the period, Ike Cheverie went through to put the Teddies one up. Acorn had practically nothing to do in this stanza, the Beavers when they did get away, shooting generally from behind the blueline.

In the second period the west-end team had a slight edge on the play, the kid line of Moynagh, Brenton St. John and Frances St. John playing a very effective game. F. St. John got the only score of the period when he bulged the twine with a nice shot from the blue line.

The last period saw the nicest goal of the evening when the inimitable "Rod" went through to blaze a hot one at Cheverie, and Ike following in fast, flipped in the rebound. Excitement was raised to a high pitch when at one time the MacIntyre brothers, John D. and Roddy were off at the same time, but mainly through over-anxiousness the west-enders failed to tally. The Beavers played a great game in this session, marred only by a waste of rubber in shooting from too far out. The Teddies heavy front line, Ike Cheverie, Frank Cheverie, and Roddy MacIntyre, were used almost exclusively and played their usual brilliant game; the second line going on only for a few minutes in each period.

The Teddies by this win are 1934 champions of the Souris Hockey League, and winners of the Top Top Trophy donated by Estate of W. B. Leard. The Trophy however, must be won for three years before coming into the permanent possession of any one team.

The lineups:—

Beavers—Goal, Ronnie Cheverie; defense, Russell St. John, Harold LaVie; left wing, Teddy Moynagh, Warren Cheverie; centre, Brenton St. John, Morris Cheverie; right wing, Francis St. John, Ivan Cheverie.

Teddie—Goal, Billie Acorn; defense, John D. MacIntyre, Mickey Cheverie, Ambrose MacIntyre; left wing, Roddy MacIntyre, Eugene Lewis; centre, Frank Cheverie, Leonard Condon; right wing, Ike Cheverie, Jimmie MacIntyre.

Hurd Is High Point Winner

(C. P. Cable By Guardian's Special Wire)

GJOEVIK, Norway, March 4—Alex Hurd of London, Ont., today won the point championship of this town's international speed-skating meet while his fellow-countryman, Frank Stack of Winnipeg, came second.

Hurd came first in the 500-metres and 3,000-metres races, fourth in the 1,500 metres and third in the 5,000 metres. Stack was third in the 500 and 3,000 metres, third in the 1,500 and fifth in the 5,000.

Apparently accustomed finally to racing against time instead of opponents, Hurd covered the 500 metres in 48.1 seconds and the 3,000 metres in 5:5496. Stack's time for the 500 was 48.7 and for the 3,000 5:37.

Oestbx of Norway won the 1,500 metres in 2:25.3 and Stack was third in 2:26.9. One place behind him was Hurd.

The 5,000-metres event was won by Wazuleck of Austria. Hurd was third in 9:04.4 and Stack fifth in 9:12.9.

Indian River Rovers Win Over Rangers

The Indian River Rovers vindicated the judgment of their many supporters, when they handed the Baltic Rangers a 7-1 shellacking, Monday evening in the Kensington Rink, thus leaving the final playoff series for the Baker Silverware snarled at one game apiece.

With H. Easter back in harness, the Rovers were an improved band of pucksters, and had a distinct edge over their rivals, but hardly the margin indicated by the score. Driscoll, rated by many the premier net guardian of the Baker Circuit, was missing on at least two cylinders, turning in the poorest game of his highly efficient career, three of the seven Rover counters being of the flukey variety.

After one minutes of play in the first session, H. Easter soloed his way around the Baltic defense and backhanded an easy shot into the corner. G. Mill sent H. Easter's rebound scuttling back for the second counter just before the bell.

The only score of the second period was the result of the prettiest goal-making play of the night. R. Heckbert drew the defense, passed to E. Mill on right wing, who coasted in and gave Driscoll little chance.

When hostilities resumed in the third, the Baltic crew tore into their opponents with a zip that gave promise of making it anybody's old game. From a scramble behind the Rover net, Bob Craig centred the disc, and Matthews was waiting to give it a lift into the meshes for a 3-1 count. But the Indian River sextet had other ideas and kept boring in, to register four more goals before the end of the game. E. Mill shot the first, and assisted G. Mill in the next two. E. Mann took care of Heckbert's rebound for the final tally.

These teams meet again Monday of next week, and if you think that either of them will romp home with the Mug without a bitter struggle, you're do for an awakening jolt.

Referee—F. Pidgeon.

West Indian Cricket Star To Turn Pro

PORT OF PSAIN, Trinidad, Mar. 1—(Canadian Press Cable)—Dusky George Headley whose brilliant performances before the wicket have earned him the title of the "black Bradman," and gained him recognition in Wisden's Almanac as "one of the five cricketers of the year," is preparing to leave the British West Indies for England.

Headley, whose performances gained him wide recognition during his appearances with the touring British West Indian team in England last summer, is going to the Hoslingden Club as a professional in the all-Lancashire League.

With the departure of Headley and other stars, ranks of the touring team will be sadly depleted.

Ellis Achong, colorful Trinidad bowler also is turning professional and will leave shortly to join the Rochdale Cricket Club in England, while Learie Coonstanine's young brother Elias, is accepting a place with the Rochdale amateur eleven.

Headley expects to leave Jamaica for England about the end of the month and possibly will be joined by the other two.

JR. PLAYER A GOAL GETTER

(C.P. By Guardian's Special Wire)

SAULT STE. MARIE, Ont., Feb. 28—Within a year or two of stepping up to junior ranks, 14 year old Guy Muio, centre star of the Athletics in the city juvenile league and with St. Mary's in the separate school hockey league, is driving in goals at a rate to make observers wonder if a sure-fire sensation is in the making.

Performing with players three and four years his senior, the hawk like youngster only tallied four goals in the juvenile loop, which represented half the total goals registered by his team.

It is in the separate school league where he has shone. Guy scored 51 goals in the first seven games he played this season. In one contest against St. Joseph's he banged 11 and in a two game series against St. Ignatius he ran in 17 nine in one game and eight in the other.
