

On the Shelf

of every home in Canada there should be found a bottle of Shiloh's Consumption Cure, the Lung Tonic, for Coughs, Colds and all irritations of the throat, lungs and air passages. It is easy to take, gives instant relief and cures permanently.

Generation after Generation

have pronounced Shiloh to be the safest, sweetest, quickest and best family cure for Colds and Coughs. Nothing has ever been found to take its place in the home. Try Shiloh and be cured, or say you were not and get your money back. Isn't this fair? Mrs. E. James, of Hibbing, Minn., says:—"There is no cure like Shiloh for Coughs, Colds, Sore Throat, Hoarseness, Bronchitis or Whooping Cough. My oldest son was almost choked. The doctor could not relieve him. He used two bottles of Shiloh and was completely cured. It has no equal."

NERVOUSNESS, A CALAMITY.

Many who don't realize what lies beyond, treat an attack of the "nerves" with indifference. Others consider it will soon pass away. But in every case nervousness is a calamity. Only one remedy will cure—Ferrozone—a nerve strengthener that acts through the blood. First it gives you appetite—you eat plenty. This fills the blood with nourishment for the inner nerve cells. Energy and strength is instilled into every part of the system. You get well—keep well—nervousness forever departs, because you've used Ferrozone. Price 50c. per box of fifty tablets at all dealers.
