

"Sunshine" Furnace

Where Shaking is Respectable

A draft of furnace dome, with no other assistance, is powerful to overcome the dust nuisance in shaking time. Only surplus dust rises in itself above the fire. Great bulk descends into ash-pit, and unless legitimate outlet is therein provided, dust will escape through ash-door into operator's face.

In "Sunshine" Furnace the legitimate dust outlet is provided. It's a great big dust-pipe running straight from ash-pit to dome, thence to chimney. When big pipe damper is opened, all dust in ash-pit ascends to dome; then, when direct drafts are opened, all dust passes up chimney.

Always the clean and quick dust route in "Sunshine" Furnace—via grate, to pan, to dust-pipe, to dome, to chimney, to open air.

At the last regular meeting of Union Division No. 45, Springfield, the following resolution was passed: "Whereas it has pleased Almighty God in his infinite wisdom to call from this life our departed brother—William Keir MacKay, nephew of our worthy brother Thomas MacKay. Resolved that we the members of Union Division in regular meeting assembled, place on record and convey to our esteemed brother, his sister also the mother, brothers and sister of the deceased, our sincere sympathy in the irreparable loss they have sustained. Not only in the Division, but also in all our social gatherings, we shall miss our pleasant countenance, his untiring zeal for the success of our meetings and his staunch support of the temperance cause. But it is in his own home that his sudden demise will be felt with almost unconsoling grief by his uncle and aunt, who looked to him as being the comforter and supporter of their old age. And it is in this their darkest hour of grief, we tender to them these few poor words of consolation with the hope that it may cheer their grief stricken hearts. Further resolved, that a copy of this resolution be forwarded to Bro. Thomas MacKay and his sisters, also a copy be sent to the mother of the deceased and other members of the family at Mount Stewart, and a copy be placed on the records of our meeting.

On Friday last the remains of the little daughter of Archie Gillis of St. Peter's Bay, were found on the shore on the north side of the bay. The child who was only two years of age, had wandered away from home the latter part of last October, and diligent search had been made for a long time, but without avail.

Mr. C. V. Mutart is a Customs Broker and Insurance Agent at St. Catharines. He writes the Zam-Buk Co. as follows: "I have been a sufferer for years with itching piles. I have spent many dollars on advertised remedies for Piles but got no relief. A friend of mine advised me to try Zam-Buk. I had but little faith in any remedy to cure me, but tried one box and I got relief at once. I have used four boxes and am completely cured. I cannot say enough for such a wonderful remedy. Thank you enough for such a wonderful cure. I have recommended Zam-Buk to my friends and they too were cured."

"O! MY POOR HEAD"

Stop Those Headaches.

Headache and neuralgia are pronounced signs of blood poisoning. This poisoning of the blood comes from the waste matter of the body being left in the system, instead of being regularly carried off by the bowels, kidneys and skin.

When the bowels do not move regularly, the refuse is absorbed by the blood. Thus, the blood is loaded with foul poisons which irritate the nerves.

Poor skin action also causes headache and neuralgia. Impurities cannot escape through the skin, so the blood must take them up and deposit them on the nerves.

If the bowels and skin are not ridding the system of waste, the kidneys try to do so and are overworked.

There is just one way to cure headaches and neuralgia—to regulate the bowels, kidneys and skin so that all the poisons of the body will be properly carried off.

"Fruit-a-tives" keep blood pure and rich—relieve the stomach and kidneys—regulate the bowels; and invigorate the skin to healthy action. "Fruit-a-tives" are a wonderful discovery, being a combination of fruit juices and tonics. 50c a box—six for \$2.50. At all dealers, or from "Fruit-a-tives" Limited, Ottawa.
