Maroons Even Exhibition Series By Turning Back Bruins In Second Tilt 3-1

Dan Bulger Wins Autumn Handicap

NEWMARKET, England, Oct. 28 (CP Cable)—A large crowd cheered today as Sir Abe Bailey's Dan Bulger led a field of 22 home in the Cambridgehire stakes, famous autumn handicap, but the bookmakers only groaned.

Victory of Dan Bulger, second favorite in the betting, brought them nothing but headaches and grief. They expected it meant they would have to pay out more than \$5,000,000 (\$25,000,000). Sir Abe Bailey's three-year-old brown colt was coupled in many autumn doubles with Sydney Freeman's Pet, winner of the Cesarewitch.

Two lengths back of Dan Bulger came Sir George Bullough's Daytona to place second. M. H. Benson's Laureat II was third, a short head back of Daytona.

Tommy Weston rode the winner over the 1-1/8 mile course. The time was 1:51 3-5.

Dan Bulger, by Bulger—the Ram's wife, was handicapped at 111 pounds. Daytona carried 117 pounds and Laureat II 98. The top-weighted entry, Finalist, carrying 127 pounds, was fourth.

A last-minute shift in betting odds established G. Ashworth's Pegasus as betting favorite at 6 to 1. Pegasus drew number one in position, next the rail. Dan Bulger was in 17th place and was held at 7 to 1. Odds on Daytona were 33 to 1, on Laureat, second 100 to 6.

Sir Abe Bailey, who watched the race from the stands, said: "I backed the horse to win \$10,000." He did not feel well enough to go down to the paddock to receive congratulations from a host of friends.

Canadians Enriched By Sweepstakes

By The Canadian Press

Flying hooves of English thoroughbreds kicked more than \$500,000 into the hands of a few lucky Canadians yesterday.

About \$200,000 in Irish sweepstakes money already was earmarked for Canadian spending before post time in the Cambridgehire Handicap. Fifty-one tickets on horses—each worth \$2,986 regardless of the result—had been drawn for residents of the Dominion along with 75 consolation prizes of \$500 each.

But the biggest shares in this pot of chancy gold were tagged for various addresses when Dan Bulger came thundering through the stretch at Newmarket with Daytona at his heels.

C. W. Lutes, retired railroad conductor of Enfield, N.S., apparently was the only Canadian outright owner of a ticket—worth \$150,000—on the winner. The 65-year-old Nova Scotian thought Dan Bulger's win "the best news I've heard in years."

In Edmonton Walter Snowden, farmer, watched the news flash come in that added \$75,000 to the \$10,000 he had already banked for a half-share in his ticket on the pre-race favorite. Snowden, who bought his chance "on a hunch," said he knew that horse wouldn't fall him.

A Lethbridge, Alta., barber—James Westbrook—can put away his clippers if he wants to, because he held the only ticket in Canada on Daytona, the second horse. It is worth \$75,000. He said he would continue on the job, however.

Milk salesman Arthur Kirk, in Leamington, Ont., has decided he'll take his share of about \$30,000 and breed and train horses. He held a \$50,000 ticket, but sold a half-share. A neighbor, with whom he had an agreement, gets a third of Kirk's net proceeds. Albert Ecclestone, of Bracebridge, Ont., likewise held a ticket on the third horse. He also is reported to have sold a half-share.

U.S. WINNERS

NEW YORK, Oct. 28—(AP)—The wheel of fortune spun dizzily in the 19th Irish hospital's sweepstakes today and left more than 30 winning ticketholders in the United States contemplating the heady vision of sudden riches.

Nine tickets worth \$150,000 each were held by Americans on Dan Bulger; six tickets carrying prizes of \$75,000 each on the place horse, Daytona; and seven on Laureat II, which ran third. Stubs on the show horse were worth \$50,000 apiece.

Because some of the tickets were held jointly by more than one person, at least 34 Americans will share in the \$2,160,000 total.

The youngest of the winners appeared to be 16-year-old Jimmy Short of Portage, Pa., who yelled "hot dog" when he learned he had won \$150,000. His mother, a widow, said she would pay the taxes on their home and decide later what to do with the rest of the money.

At his workbench in a Philadelphia electric plant, Carl Nelson said, "well, that's good." He had sold a half interest in his ticket for \$10,000.

On the other hand, "the 10 girls" working in the Edgewater, N.J., dry cleaning plant, who had pooled their quarters to buy one ticket, went into paroxysms of joy. Their boss called it a holiday, the Mayor of Edgewater was summoned, a bottle or two was produced, and a thousand things that money can buy were discussed at length.

Risiko Easy Winner Over Harry Balsamo

NEW YORK, Oct. 29—(AP)—Eddie "Babe" Risiko, former middleweight champion, turned in the prize upset of the indoor boxing season tonight by administering a sound 10-round thrashing to Harry Balsamo, highly-touted, knockout specialist from the New York sub-way catacombs.

Risiko scaled 161 and Balsamo 160 1-4.

A capacity audience of nearly 6,000 fans crowded into the New York Hippodrome to see the Syracuse youth, recently dethroned by Freddie Steele, take a long step along the comeback trail by winning every round but one from Balsamo, called the hardest hitting middleweight since Bob Fitzsimmons campaigned among the 160-pounders.

COOL WINNER

PHILADELPHIA, Oct. 28—(AP)—Eddie Cool of Philadelphia won an upset 10-round decision over Lou Ambers, Lightweight Champion, in a non-title fight tonight. Ambers weighed 136 1-2, Cool 139.

Perry Again Approached To Turn Pro

BY BOB CAVAGNARO (Associated Press Sports Writer)

NEW YORK, Oct. 28—(A.P.)—Whether there will be a profitable organized tour of tennis professionals this winter depends on Fred Perry—and he doesn't know. Bill O'Brien, the former rub-down expert who put the pro game on a paying basis, will wash his hands of the sport unless Perry accepts a two-year-old flat offer of \$50,000.

"The game needs someone who can stand across the net and give Elsworth Vines a battle," declared O'Brien, who said he lost around \$2,000 exploiting last year's troupe. "and Perry's the man. I'm through making overtures to him. He's got to come to me now."

Perry stirred up a great deal of speculation in 1934 when he first received O'Brien's offer. It was a tempting opportunity to turn his amateur glory into gold. One day he thought he would accept, the next day he was sure he wouldn't.

"The whole thing was terribly botched up," said Perry. "I suppose I contributed to the messy state of affairs."

O'Brien isn't the only promoter in the field for Perry's services. The latest is Mike Jacobs, who entered the bidding today. Mike announced he would split \$15,000 between Perry and Vines in the Hippodrome.

"I honestly and frankly can't say what I am going to do," Perry said. "As a matter of fact the entire matter is out of my hands."

"Does that mean you've left it up to your attorney?" he was asked. "I'm sorry, but I can't say," he replied.

Acadia Advances In Maritime Rugby Playdowns

ANTIGONISH, N.S., Oct. 28—(CP)—Acadia University of Wolfville defeated St. Francis Xavier University 6-3 here today to win the Nova Scotia Intercollegiate rugby title and the right to meet the New Brunswick champions for the Maritime crown.

Captain Jim Beverage of Acadia scored the winning points on a penalty kick eight minutes before the game ended.

The contest was played on a mud covered field which slowed up the backfields of both teams.

Midway through the first half, Graham Runnels crossed the St. F. X. line for an Acadia try. Beverage failed to convert. A penalty against Acadia on its 30-yard line paved the way for the only St. F. X. tally. Les Topphee booted the ball over the bar for three points and evened the score.

Lineups:
Acadia: MacCausland, Gillis, Demmings, Elsworth, Allaby, MacDonald, forwards; Beverage, Eaton, Cameron, halves; Runnels, Feindel, Shaw, Balcom, three-quarters; Haley, fullback.

St. F. X.: Cotter, Anderson, Cadogan, Bardswitch, Harquail, Conlon, Furlong, forwards; L. Topphee, Eldridge, Chisholm, halves; G. Topphee, MacNeil, P. Cadegan, Mulholland, three-quarters; Hall, fullback.

Dean's Price To Cardinals Is \$50,000

BRADENTON, Fla., Oct. 28—(A.P.)—"Dizzy" Dean said today he will demand \$50,000 to pitch for the St. Louis Cardinals next year.

"I would sign with any other club for less," he declared after reading dispatches quoting Branch Rickey, vice-president and general manager of the Cardinals, to the effect the star was on the trading block if the terms were right.

"I'd hate to give up the St. Louis fans," Dean asserted, "but I don't care if I never work for Rickey again."

"Rickey has been doing a lot of popping off. All I got to say is that he doesn't have to worry about me and I don't have to worry about him. Rickey's trouble is too much running off at the mouth."

Amateur Branches To Seek Relaxing Of Code At Regina Meeting Of Parent Body

TORONTO, Oct. 28—(CP)—At least 10 resolutions designed to make the amateur athlete a little less amateur, in the accepted sense of the word, will be considered by the annual meeting of the Amateur Athletic Union of Canada in Regina next month. Notices of motion were received here today.

While the Canadian Amateur Hockey Association's suggestion for roadening of the amateur definition tops all others in general interest, a series of resolutions from various A.A.U. branches and allied organizations are also down for discussion.

Amateur heads will fight hardest against the C.A.H.A. demand that professionals in one sport be considered amateurs in others, that slayers have the right to use their slaying ability as a means of obtaining employment, that payment of broken time be permitted and that professional teams be allowed to play against amateurs.

Among other resolutions are these: "By the Alberta Branch—'An athlete shall not lose his amateur status by competing with or against a professional in cricket, golf, indoor bowling, horseshoe pitching, quoits, archery or soccer football. Any governing body of team sport may, if it so desires, permit players unable to secure amateur cards (through professional activities in another line of sport) to play on teams of properly registered amateurs, under amateur regulations.'"

By the Saskatchewan Branch—That the rule permitting a professional to apply for an amateur card after being inactive three years be altered so that only one year of inactivity is sufficient.

By the Alberta Branch—That a rule permitting an amateur team to play not more than three times during a season against professional teams be altered so no limit to the number of games is established.

By Thunder Bay Branch—That the A.A.U. of C. approach the Dominion and Provincial Governments with a view of securing subsidization of athletes "such as that practised in other countries."

Reorganization of the Olympic Committee is asked by the Central Ontario and Eastern Ontario branches, and this subject will be talked over before the Regina convention starts Nov. 19.

Patrick To Give Theories Hockey Test

WINNIPEG, Oct. 28—(CP)—Lester Patrick, "Silver Fox" of the National Hockey League, is all set to pull a bag of tricks in competition this winter. His rebuilt New York Rangers will be one of the most unorthodox playing squads ever to perform in the upper strata of hockey, he said today after a pre-season workout.

"When Rangers take off on their flight to a play-off berth in the N.H.L., we hope to keep the opposition on the jump.

"We'll toss into the fray a left-handed forward line, then a right-handed one; switch our defence around in the same manner, and attempt to work my unorthodox theories as in baseball. You've heard of a team using two pitchers, one a southpaw and the other a right-handed hurler, to throw opponents off their attack.

"Throughout my hockey career I've been convinced theories were it always what they were cracked up to be. I want to be in a position where I can say to any player: 'Go in there and play defence, centre, right wing or left wing, and know he can do it in a polished manner.'"

OSHAWA, Ont., Oct. 28—(CP)—"Tomorrow we really beat down," Manager "Red" Dutton said tonight and announced his New York Americans will play a full 60-minute exhibition game against New Haven Eagles behind closed doors Friday.

By Friday night he feels he can definitely decide on the starting National League lineup. Several of the recruits are still very much in the running for regular positions, he intimated.

Badminton Club Reorganizes For Season

Major F. B. Conrad was elected president of the military badminton club at the annual meeting last night.

Vice-president, Captain F. M. Nash; secretary, S. T. Brady; chairman of the games committee, Captain W. A. Smith; chairman of refreshments committee, Major P. S. Fielding.

First games will be played next Tuesday night.

Former members were requested by the executive to register with the secretary, S. T. Brady.

IN UPSET WIN

PAWTUCKET, R.I., Oct. 28—(A.P.)—Long striding Pompoon, United States two-year-old champion now being groomed for the Kentucky Derby, found the mile and 70 yards route just a bit too long today and bowed to Reaping Reward, brown colt from Mrs. Ethel V. Mar's Milky Way farm, by almost a half length in the New England futurity at Narragansett Park.
