The Girl From Jones Beach

Starring RONALD REAGAN VIRGINIA MAYO EDDIE BRACKEN

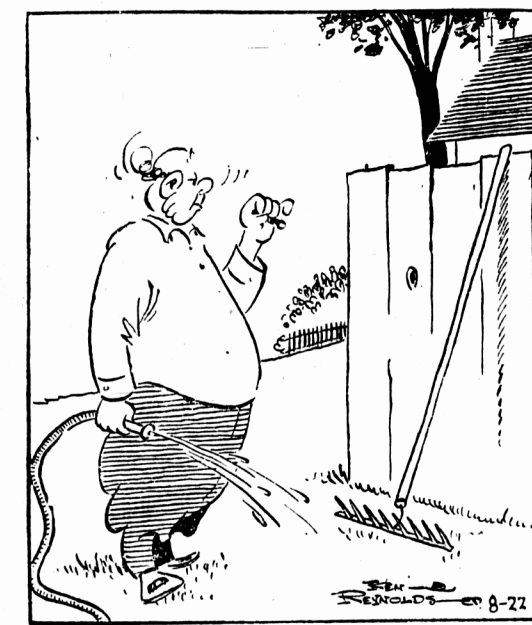

GALA COMEDY OF FAMOUS NEW YORK BEACH AT PRINCE EDWARD

Bringing to the Prince Edward one of the season's gayest girl-filled comedies, Warner Bros. "The Girl From Jones Beach" is set to open today.

Starring Ronald Reagan, Virginia Mayo and Eddie Bracken, the warm-weather special has already been heralded as one of the season's best.

Reagan plays a commercial artist who has created a typical "most beautiful girl" out of the best features of a dozen gorgeous models each of whom thinks she is that girl. When agent Eddie Bracken sets out to locate this "Randy Girl," he turns up with beautiful Virginia Mayo, who it seems is a school teacher who takes a daily swim at Jones Beach.
