S'ide Y's Men Plan Big Auction

Summerside Y's Men have whipped a record-breaking Radio Auction into shape for Thursday evening and indications are that all radio listeners will be in store for an evening of bang-up bargains and unexcelled entertainment when the program gets underway at 5 p.m. over CHGS, Summerside.

Proof that this year's auction will be the best ever is seen in the fact that approximately 800 items, having a retail value of \$2,000, have been placed at the disposal of the local Y's Men to be auctioned, the proceeds going to their many worthy causes. Adding to the keen interest developed by the auction itself is the institution of some bang-up entertainment which has been cleverly designed with a view to breaking any monotony that might occur during the reading of the long list of items. Owing to the exceptionally large number of items the first reading will commence at 5 p.m. sharp, somewhat earlier than in previous years.
