Morning Stock Letter

NEW YORK, March 30—Although foreign exchanges are still under pressure Sterling 49 9-16 French francs 6.588 apparently nothing new has developed in the French financial situation. In some quarters it was thought that France might abandon the gold standard over the week-end. Other sources believe, however, that nothing along lines may happen until after the French elections some time in May. London market is quiet this morning. Saturday's morning gave very little indication of what to expect in the near future and consequently we would look on the first thing this morning and if the market reacts further at this time in volume it would not be a bad formation.

NEW YORK, March 30—Steel operations 62 per cent up 3 points or 1.5 per cent to new high record. Washington—The T. V. A. has filed a special report with Congress covering its progress and plans for the unified development of a navigation and flood program for Tenessee River watershed which reveals that more than $84,000,000 will be needed to complete works already authorized. Washington—Supreme Court refused to take Burco Inc. case as test of Utilities Act.

TORONTO, March 30—Lebel Oro—L. K. Fletcher, President, in a report to shareholders states directors after consideration of various offers to finance a new subsidiary company for the exploration of the claims that the best interests of the company will be served if it undertakes the work itself. To obtain funds for the development of the claims it is proposed that the capital stocks of the company be increased by 500,000 shares.

Low Volume Feature On N.Y. Market

By Frank MacMillen,
Associated Press Financial Writer
(By Guardian's Special Wire)

NEW YORK, March 30. — The stock market pinned its buying hopes on a few specialties today and neglected most of the recent leaders.

There was plenty of cheerful domestic news, and the European situation appeared to have lost some of its threatening aspects, but brokers said traders, on the whole, apparently found little stimulus either at home or abroad.

Transfers totalled 986,700 shares, the smallest volume for a full session since Oct. 9, 1935.

J. I. Case shares leaped ahead more than 6 points in the forenoon, then fell back to close with a net gain of 2¼ at 150. Checker Cab held an advance of 4⅞ at 64 and Chicago Yellow Cab was up 2⅞ at 29⅜.

U. S. Steel was up slightly and Bethlehem was unchanged, along with many others. Slightly lower were Chrysler, General Motors, Consolidated Edison, Southern Pacific and International Nickel. American Smelting and Cerro De Pasco were firm among the mines.

Canadian stocks showed only fractional changes. On the upside were Dome Mines, McIntyre-Porcupine, Imperial Oil, Lakeshore Mines and Massey Harris. Canadian Pacific Railways, International Nickel, Canadian Marconi, Ford of Canada and International Hydro Electric Preferred were off ⅛ to ¼. Others were unchanged.

MONTREAL, March 30—Prices held unchanged in an inactive session on Canadian commodity exchange produce section today.

Butter Spot—Que grass 22 to 22 1-2.

Cheese Spot—Ont col (Nov.-make) 11 to 11 1-4.

Eggs Spot—Ont A large 21 1-2-22, A medium 20-20 1-2, A pullets 18 1-2 to 19.

MINING

TORONTO, March 30—Spotty strength in the gold group gave the price level a substantial advance today on the Toronto mining market while improvement in the base metals was mainly responsible for an advance of 1.36 in the miscellaneous mines index. Aggregate volume picked up also and was the heaviest since the previous Monday.

Noranda featured the base metals with an advance of 1 3-8 to 51 1-4, a new high for the year. The turnover was heavy at better than 5,000 shares. Ventures trailed along with an 8-cent advance, Hudson Bay added 1-8 while Sudbury Basin gained 15 cents, and Waite-Amulet and Sherritt 2 cents each. Silvers were featureless. Eldorado added 2 cents and Castle was off a point.

Interest in the golds centred in Pickle Crow and Central Patricia and the latter added a net gain of 18 cents and Pickle closed 20 cents higher at 6.10. The two traded 58,000 shares. Narrow changes in the big gold group included gains for Lake Shore and Hollinger and losses for Wright Hargreaves and Pioneer.

LIVESTOCK

MONTREAL, March 30—Attention of buyers was turned to the hog section on Montreal livestock markets in early dealings today when the price range worked about 25 cents higher. Other departments were barely steady with cattle finding support in early sales.

Receipts were cattle 995; calves 755; sheep 26; hogs 1443.

The hog division threw off the lethargy which gripped it during the past week or so and bacons, fed and watered, sold at $9.25 with the usual $1 premium on selects. Butchers, heavies and lights were up at $8.75 and extra heavies also scored an advance at $8.25. Sows sold from $6 to $6.50.

Good steers on the cattle section sold at $5.50 to $6 with medium from $4.75 to $5.50. Common steers ranged from $3.50 to $4.50. Heifers went from $2.75 to $5.25 and about a half-carload of fed calves sold for $7. Good cows were $4 to $4.25 with medium $3.25 to $3.75 and common butchers $2.75 to $3. Canners and cutters were $2 to $2.50 with butcher bulls $4 to $4.50 and common $3.25 to $4.

On the calf market the better quality held firm but commoner grades eased slightly. A few medium good to good calves brought $7.25 with some selling at $7. Most of the calves were common to just fair and sold between $5.50 and $6.25. Very common light went as low as $4.

Six spring lambs were sold at $8 each while sheep sold from $4 to $5.

IRENE DUNNE was born in Louisville, Ky., July 14. She came to Chicago to study music and made her first stage appearance there, in "Irene."

4 Heart

With her Heart number a 4, Miss Dunne was bound, according to Numerology, to get on famously with a professional man and thus her marriage to a physician is an ideal union. Her Chicago stage appearance was followed by a New York offer in "Show Boat," a big hit.

Her dramatic training on the stage was to her great advantage as her first roles in pictures were in drama, not musicals. In fact, it was only subsequent to her several successes in dramas that Hollywood let the public hear her lovely singing voice.

8 Birth Force

Her Birth Force, being "8," Miss Dunne was destined for great success, or abject failure. Her audiences are glad that she won the battle, for as an RKO singing and dramatic star, she is triumphant. She started her picture career in 1930 and her first notable success was with Richard Dix in the memorable picture "Cimmeron."

5 Destiny

That she likes change is typical of a No. 5 Destiny, Numerology says and thus it is fortunate that her film career offers variety. Her love of travel, especially by plane, is another example of her interest in change.
