The program, which was arranged by the members of the association and others whose help was greatly appreciated, was excellently rendered and much enjoyed by old and young. After brief remarks by Rev. G. T. Spriggs the following program was carried out: Opening chorus; reading, Hope Mill; dialogue, Mame and Cecil Mill; piano duet, Olive Thompson and Mrs. G. T. Spriggs; contest; reading, Olive Moase; instrumental music, Mrs. Russel MacKay and Elgin Mill; dialogue, Lois, Mame and Hope Mill; reading, Dorothy Howard; instrumental music, Mrs. C. Maritimes Is Brightest Spot For "SALADA" Tea In 1932

The close of 1932 reveals that "SALADA" Tea sales in the Maritime Provinces showed the greatest percentage of increase of any part of Canada.

The Annual Meeting of Maritime "SALADA" Salesmen was held the other day in Montreal, and this encouraging announcement was coupled with the statement that the Wilson Box Company of Saint John N. B., has just been awarded the "SALADA" box contract for Eastern Canadian requirements.

This is one of the largest wooden box contracts in Eastern Canada, and it is gratifying to see this valuable order coming to the Maritimes for the boxes are milled from fine white spruce to specifications that are unusually exacting.

Golden Wedding

A very interesting and enjoyable time was spent at the home of Mr. and Mrs. Wm. S. Leard, Westmoreland, on Tuesday, 3rd of January, 1933, being their golden wedding anniversary. The officers and members of Prince Arthur L. O. L. and Princess Mary L. O. A. B. A., Crapaud, gathered to extend felicitations. Stewart Inman was appointed chairman and after a few preliminary remarks called on Crisp Moore to read an address which was as follows:

To Mr. and Mrs. Wm. S. Leard.—We the officers and members of Prince Arthur Lodge and Princess Mary, L. O. A. B. A., have gathered here this evening to offer our congratulations on your having attained your golden jubilee anniversary which is the lot of very few married couples to celebrate. You began your married life in humble circumstances and by dint of hard work and industry have raised your family and acquired a nice home and splendid mill property fronting on the public highway as it does makes it easy of access to the general public and the genial proprietor familiarly known by the name of "Uncle Will" has by his integrity and dealing on the square with his many patrons and customers won for himself a reputation as a miller second to none in the Province. Over half a century ago you joined the L. O. A. and

now we congratulate you on having attained to an honorary membership in our beloved association. When the great World War broke out you sent Frank, your first born son, to the front to fight for King and country at a great sacrifice to yourselves. In conclusion please accept this gift of gold with best wishes for you and yours and many happy returns of your wedding day and possibly your diamond jubilee. Signed, Prince Arthur, L. O. L., Princess Mary L. O. A. B. A. Bro. Leard made a feeling reply on behalf of Mrs. Leard and himself to the address, thanking one and all for the gift and their good wishes after which the boys bounced him on the square. Following this neat speeches were made by Thos. H. Best, Rod Williams and Thos. Simmons, all speaking in very complimentary terms of the high esteem in which the bride and groom of fifty years are held in the community, after which all rose and sang "For They are Jolly Good Fellows." Next on the program was a delicious and dainty lunch served by the ladies followed by a sing song with Mrs. C. E. Lowther at the piano as accompanist, closing with the last three numbers, "Auld Lang Syne," "Good Night Ladies" and the National Anthem, after which all bid the jubilarians adieu and retired to their respecting homes.
