IT PAYS to buy in this Province.

MR. HAROLD P. GORDON is the Georgetown Guardian representative.

BAPTIST SERVICES.—Sunday, Sept. 1st, Rev. F. A. Hubley will preach at Sturgeon 11 a. m.; Georgetown, 3 p. m.; Montague, 7 p. m.

A HARD TRIP.—In his gasoline Schooner the "1913" Capt. Conroy Mr. H. D. McLean of Souris spent a tempestuous night on the north side Monday night. Mr. McLean who is a lover of the sea takes these occasional trips for pleasure and partly for profit, if mackerel is plentiful.—S.

ORANGEMEN'S SERVICE.—On Sunday, August 25th the Orangemen of Georgetown and vicinity paraded to the Baptist Church in that place where Rev. C. E. Armstrong of Montague preached a very appropriate sermon. They also decorated the graves of their brothers in the cemetery at that place.—T.

I. O. O. F. DECORATION DAY.—On Sunday afternoon, August 25th a large number of the members of Acme Rebekah and Hillside Lodges, I. O. O. F., Montague, visited the cemetery at Lower Montague, where they decorated the graves of their departed members. Acme Lodge held a very impressive service over the grave of their beloved and departed sister, Mrs. J. L. Younker. The ceremony which was gravely solemn, was witnessed by a large gathering and was conducted by sisters Mrs. L. H. Coffin, Mrs. L. T. Mellish, Mrs. Dr. McIntyre and Miss R. Campbell, with Miss W. Allan as flower bearer. Although nearly two years have passed since Mrs. Younker passed to the Life Beyond, Montague will cherish her memory, for it is impossible to erase from the mind the impression left by her sweet sunny disposition. There was scarcely a dry eye at the service over her grave. Mr. Younker and family and Mr. Harry McEwen (brother of Mrs. Younker) were present. Hillside Lodge held their service over several graves, among them being our beloved Dr. Ray Fraser's who died only four years ago, after a very brief illness leaving a young widow and three little children. Mrs. Fraser was present at the decoration service.—T.

BIG FISH SHIPMENT.—The Schooner "Senator" Capt. John Campbell owned by the Gorton-Pew Fisheries Co., of Gloucester cleared from Souris Tuesday for a foreign port with 375,000 lbs salted cod and hake and 95 bbls mackerel valued at over \$20,000.—S.

WOUNDED.—Mrs. Catherine Clair, Montague, received the sad news today that her son Thomas, who is serving his King and country in France, had been wounded, gunshot wound in the leg. It is hoped it is not serious, and that his friends will soon hear of his recovery.

IN FORBIDDEN WATERS.—A beam trawler was observed fishing pretty close off Souris Tuesday to the detriment of the shore fishermen, as this mode of fishing cleans up every kind of fish clean from the bottom, throwing undesirable varieties over board. The law which provides that they should not approach within so many miles from the shore should be rigidly enforced.—S.

DIVINE SERVICE.—Divine Service will be held in the St. Andrew's Presbyterian Church, Montague, on Sabbath evening, September 1st, at 7 p.m., under the auspices of St. Andrew's Masonic Lodge, A. F. & A. M., Rev. Ewen MacDougall officiating. We cordially invite all sister lodges to join with us. Parade from the lodge room at 6.30 sharp. T.G. Ives, W.M. 1141-8-30M11

LECTURE ENJOYED.—On Thursday evening August 22nd a large audience gathered in the Montague Hall to hear Private Lumsden speak on "Life in the trenches for thirteen months." The speaker in a very graphic way, portrayed what he had seen and heard during his stay in France. He pictured everything so plainly, that one would almost think they were on the battle front. Besides Mr. Lumsden's lecture, there was a good program of music, recitations, etc. At the close a hearty vote of thanks was tendered Mr. Lumsden for his grand address, an dthe performers for their part of the entertainment. The proceeds are to be used for Red Cross purposes.—T.

SUNDAY SCHOOL OUTING.—The Sunday School of the Christian Church, Montague, held their annual picnic on the beautiful grounds of Mr. William McDonald, McDonald's Mills on Wednesday, August 21st. There was an immense crowd present and all had a real good time. The children especially enjoyed races of different kinds, for which a large number of prizes were given. If all are present on Rally Day, the 2nd Sunday in September the aim for this large Sunday School will surely be reached. Their aim is 150 in the Bible School on that day. The Loyal Boys' and Girls classes of the Christian church, Montague intend having an outing this week. These classes were too busy to join the picnic on Wednesday last, so they are going to have a clam bake or something of that nature. Let us wish them a real good time.—T.

ENJOYED OUTING.—Mrs. Harry McGregor, Irene McGregor and Mrs. Lester Mellish returned last week from a very enjoyable trip through Nova Scotia. They attended the I. O. O. F. convention at Kentville, having travelled by auto from Pictou, calling at the principle towns going to the Valley. The apple crop there is a failure, the frost having killed the bloom early in the season. On return the party came by way of Halifax, where they stayed a day and a night. This city presents a weird appearance at night with almost no lights. While there is a great deal of building going on, the scene of the December disaster is there stretched over acres and acres of ground, a picture never to be forgotten by those who visit that city, for although we have read and seen pictures of the whole affair, no one can possibly imagine what it is like, unless you really see it as it is. As one stands there saddened by the sights, one can't help trying to imagine what France must be after four years of war. In the midst of all that and the constant disaster that threatens, citizens are "marrying and giving in marriage" much as they were in Old Testament times.—T.

A Message to The Women of The Dominion About Men's Clothes

WHEN your husband comes home ask him if he ever finishes the war news and the sporting page in time to read our advertisements. If he asks you why you want to know, you might say that it is just as important to know how he can save money on a custom tailored Made-to-Measure Suit as it is to know the news of the day.

Your husband, as you know, is a slave of habit. When he needs a new suit he goes to the same tailor or ready-made clothing store he has been going to for ten years. He would rather buy from somebody he knows than seek a new tailor, even if he can save money and get imported fabrics and be assured perfect fit.

All he needs is a little prodding. Ask him why he does not drop into one of our 22 stores and tailor shops and see what sort of tailoring and fabrics he can get. Suggest that if there is a saving to be had, you want to know why he does not get it. There is no reason why all the careful buying should be on your side. Help us give your husband a lesson in thrift, and a garment that he will feel proud to wear.

Suit Or Top-Coat Made-To-Your-Measure

\$17 English and Scotch Woollen Co. More Quality Less Money Contractors to the British and Canadian Governments.

Trousers—We are showing exceptional values in odd trousers from special trouser lengths, as many of these cloths are shown in very limited quantities, we will be obliged to ask customers for a \$5 second choice.

IT is easy for your husband to dress well on a modest purse, our Made-to-Measure garments open the way and represent true economy; not only because they are low in price, but because the fabrics are imported and have distinction. They embody all that is desirable in pattern and color. The tailoring of every garment is correct, and individual. Our styles are such that they may be worn long after ready-made clothes at double their price are hopelessly out of date. On the basis of fabric quality, style, fit and service our Made-to-Measure garments represent the utmost of value for the money. J. J. Gosselin General Manager for Canada.
