—SYMPATHY EXPRESSED.—Friends in Summerside and particularly in Cavendish will sympathize very much with the widow of Senator S. J. Crowe in her sudden bereavement. Mrs. Crowe was before her marriage, Miss Laura McLeod of Cavendish and is well known throughout the Island. Only two months ago the Senator and his wife paid a short visit to the Island and were the guests of Mr. and Mrs. A. S. McKay of Summerside.—S.

—TALENTED ARTISTS—The recital given under the auspices of the Chadwick chapter of the Eastern Star, in Epworth Hall on Tuesday was well worth hearing and the small audience which attended thoroughly enjoyed the varied program. All the artists taking part are well known to Summerside audiences and there should have been a much larger attendance. Mrs. Roper, of Charlottetown, in her lovely soprano voice, charmed the audience with old favorite songs. Her readings, both dramatic and humorous, captivated her listeners. "Little Joe" was particularly realistic. The program opened with piano selections by a talented little lady just eight years old, Miss Beatrice Gallant, daughter of Mr. and Mrs. Emanuel Gallant. The little girl played all her pieces by ear and showed great talent in one so young. Among her pieces, were "Turkey in the Straw," "I am Yours" and some Irish Ditties. The little girl received well merited applause. Mr. Barnes of Malden, Mass., who is a nephew of Mrs. A. S. McKay, rendered some pleasing numbers in a rich baritone voice. He was accompanied by Miss Alice Harrison, of Moncton. Local performers were Miss Bessie Smallman, Miss Bird Wright, Mrs. Jack McLeod and Mr. Lowell Hancock, who favored the audience with old time songs and lively airs. Miss Muriel Lee accompanied the singers. The stage was a mass of flowers of every colour. Mr. A. S. McKay was chairman, and in his introduction gave a brief history of the Order of the Eastern Star, which was founded in 1730. It has now over two million members. Mrs. Chadwick is the head of the Order. All funds collected by the different lodges is put to some benevolent purpose.—S.

# Super-Heterodyne VICTOR RADIO

for performance ... cabinet beauty... quality... today's most striking value... **\$122.50** Complete with Tubes

VICTOR "SUPURETTE" The smallest big radio ever built \$89.50 With Telephon Clock as illustrated \$105.50 Each complete with 8 tubes
