REPORT OF GRAND WORTHY PATRIARCH LONG CREEK.

Jan. 25th 1901.

TO OFFICERS AND REPRESENTATIVES:—As your chief officer I beg leave to submit a brief report of proceedings during the first quarter of my term of office. We are pleased to meet with Heather Division in Long Creek. May the Lord grant that our meeting with the brothers and sisters in this place may be productive of much mutual good, and that the members of this Division and the members of this Grand Division may be mutually blessed and

encouraged by meeting together for the good of our grand old order, the glory of our Heavenly Father and the good of our fellow men. We should feel grateful to the Giver of all good that he has permitted so many of us to enjoy the fruits of the labors of the good men who during the past century did so much for the good of men and the glory of God in establishing and extending our order and handing it down to us their successors as a rich legacy to start the new century with. Let us at this season look over the past, and consider wherein we have failed, and plan for the future good of our cause, the cause of all mankind.

We are pleased to be able to state, that from what I have seen and heard of our Divisions that the order is in a lively and prosperous condition, and that activity and energy appear to be general throughout our whole membership. May they continue to buckle on their whole armour for the fight. There has been much to dishearten and discourage us in the near past, but the Lord blesses and strengthens those who overcome difficulties and pursue the right course to the end. I have performed a much pleasing duty in visiting the following divisions during the quarter, viz: Victoria on Nov. 12 found in an excellent working condition and 3 new members added; Prince Edward on the 13th Nov. found it vigorous and growing; Elliott on 14th Nov. a fine division meeting in one of the best halls on the Island. Good work is being done there; Mayflower on the 17th and found true and faithful members at work; North River Loyal 19th and 26th and held two meetings to review and strengthen, and on invitation installed their excellent, staff of officers on the 7th inst. The divisions is now in a vigorous condition and doing good work and growing every meeting; Kingston Star on the 23rd, revived the division and added 13 new members and doing well since; Holdfast on Dec. 4th, revived and strengthened by adding 8 new members and growing strong since; Ever Onward on 14th inst, installed their officers and found the division as usual in excellent condition, and last but not least I attended the meeting of the District Division on 19th inst, where we met under the auspices of Triumph, had a profitable session and a fine public meeting at night. I have found such pleasure and satisfaction in visiting Divisions that I would strongly recommend personal and social visits throughout our bounds, and that as many public meetings be held as possible in connection with our divisions.

I would also suggest that a strong committee be appointed at this session to work with the committees of other societies to carry in to effect the resolution that was passed at our Annual Session relative to the more effective working of the Prohibition Law that comes into operation in June next. Hoping that we may plan and act and counsel for the advance of temperance at this session I humbly submit all in L. P. and F.

J. A. LAWSON, G. W. P.

A SURPRISE TO EVERYBODY.

The promptness with which Dr. Chase's Kidney-Liver Pills regulate and invigorate the action of the kidneys, liver and bowels, is a surprise to everybody. They are the people's favorite cure for kidney disease, liver complaint, indigestion, and constipation. The sale of this great prescription is simply enormous. One pill a dose, 25 cents a box, all dealers.

ITALIANS KING'S CONDOLENCE.

ROME, January 22.—A most painful impression was produced by the receipts of the news of Queen Victoria's death. King Victor Emanuel, Queen Helena the Pope and members of the government immediately telegraphed condolences.

The Postmaster of Millerton, N. B., writes, May 9, '90: "A year ago I sprained my ankle very badly and it has been very troublesome since. I recently began using Bentley's Liniment and find it has helped me more than anything I ever tried. I can recommend it most highly." G. R. Vanderbeck.

We Wish Our Customers all A Happy New Year

CLASH IN WAR OFFICE.

LONDON, January 29.—Earl Roberts although scarcely settled to work in the war department already has had several disputes with the Hon. William St. John Brodrick, who fills the important position of secretary of war. Trouble has arisen over a conflict of authority the veteran commander-in-chief demanding and the young aristocratic secretary objecting that the adjutant-general and quartermaster-general shall not report to or be consulted by the secretary, except through the commander-in-chief.

GET WHAT YOU ASK FOR

When you ask for any of Dr. Chase's Remedies look for his portrait and signature on the box, otherwise you may get an imitation. Beware of the druggist who tries to induce you to take something said to be "just as good." If he substitutes medicines he will substitute drugs in prescription. Insist on getting what you ask for and remember that there are no family remedies to be compared to those of Dr. A. W. Chase, author the famous Recipe Book.

EDWARDS AND ENGLISH HISTORY.

It is recalled that Albert has never been a royal name in England. It has no great associations anywhere. On the other hand the name Edward is bound up with the greatest events of English history.

STRATHCONA'S TRIBUTE.

New York, January 23.—Lord Strathcona and Mount Royal is quoted in the Herald London despatch as follows, relative to the queen's death:—"Great Britain mourns her most resplendent personality. Canada's grief surpasses words. Every city town and hamlet, every farmer's home in the dead Queen's North American dominion will be overwhelmed with sorrow."

Cash vs. Credit.—Ask every merchant in the city what they think about the principle of paying spot cash. I venture to say, they will, without an exception, endorse the principle of doing business on cash basis, yet credit has been, and is, the bone of business life in this City. We predict the time has come when our merchants should act and show greater independence and educate our people, by showing men the advantages of paying spot cash for all their purchases. As a consequence our people both buyers and sellers interests would be very much enhanced.—J. T. MCKENZIE, Tailor.

Suffocating With Croup

Croup is the terror of every mother and the cause of frequent deaths among small children. Dr. Chase's Syrup of Linseed and Turpentine brings prompt relief to the loud, ringing cough, makes breathing easy and prevents suffocation. It is mothers' favorite remedy for coughs, colds, croup, bronchitis, whooping cough and asthma.

Mrs. F. W. Bond, 20 Macdonald street, Barrie, Ont., says:—"Having tried your medicine, my faith is very high in its powers of curing cough and croup. My little girl has been subject to the croup for a long time, and I found nothing to cure it until I gave Dr. Chase's Syrup of Linseed and Turpentine. I cannot speak too highly of it."
