Get Rid of Scrofula

Pimples, eruptions, inflammations, sores on the eyelids and ears, diseases of the bones, rickets, dyspepsia, catarrh, wasting, are only some of the troubles it causes.

It is a very active evil, making havoc of the whole system.

Hood's Sarsaparilla

Eradicates it, cures all its manifestations, and builds up the whole system.

THE GUARDIAN COVERS THE FIELD

The Guardian covers the City and Province within which it is published more fully and completely than any other newspaper printed in Canada.

With a daily circulation of its morning and rural edition now about 8,000 and growing from day to day, it has broken all records for a daily publication in a sma community.

Charlottetown has a population of 12,000 and Prince Edward Island has 103,000 The Guardian's daily circulation is therefore as 1 to 11 of population in the city in which it is published, or 1 to 13 of the population of the Province. This is, the management believes, unequalled by any daily newspaper published in Canada.

Take one or two comparisons with other leading newspapers in other cities and Provinces.

St. John has a population of 40,000 and the Province of New Brunswick 330,00 St. John has five newspapers and among these The Telegraph and The Sun are perhaps the foremost. Each claims a circulation of about 8,000,or say as 1 to 5 o the population of that city and 1 to 40 of the population of the Province.

Or again: Toronto has a population o one 250,000 and its Provincial Dail about 2,225,0 0. The Toronto Globe is a great Canadian newspaper, known all ver the world as one of the foremost journals. The Globe s published daily circulation is slightly under 50,000. That is as1 to 5 of the population of Toronto and 1 to 41 of the population of Ontario.

The point is this that The Guardian covers the field of its circulation three and a half times as well, if compare with population of the city, and over three times as well, taking the population of its Province, as the best New Brunswick and Ontario daily newspapers, and these are admittedly among the best in Canada.

These facts are printed in no spirit of boasting, but for the satisfaction of Guardian readers and advertising patrons alike. They have a right to know how completely their favorite Journal is endorsed by the reading public among whom it circulates and how completely it covers the field as an advertising medium in this City and Province

GREATEST FEMALE STRENGTHENER ON EARTH.

Thousands of women are wan, pallid, rundown and disputed. What they need is that nourishing tonic Ferrozone. Soon they regain those laughing eyes, bright spirits and rosy cheeks. Ferrozone does this and more as Mrs. L. F. Adrianson of Whitney Pier, C. B., testifies. "My daughter was very much run down and had considerable troubles at times. Often I was at a loss to know what to do. I was advised to give her Ferrozone and I did so. Ferrozone cleared up all the trouble, made my daughter healthy and well. Ferrozone gives good appetite, regulates, strengthens. I consider it a medicine every woman should use regularly if she wants to feel her best." Rebuild with Ferrozone, It is the King of all cures. Price 50c per box at all dealers.
