**HAIR COMING OUT?**  
Dandruff causes a feverish irritation of the scalp, the hair roots shrink, loosen and then the hair comes out fast. To stop falling hair at once and rid the scalp of every particle of dandruff, get a 25-cent bottle of Danderin at any drug store, pour a little in your hand and rub it into the scalp. After a few applications the hair stops coming out and you can't find any dandruff.

**Don't Scold, Mother! THE CROSS CHILD IS BILIOUS, FEVERISH**  
LOOK AT TONGUE! IF COATED, CLEAN LITTLE STOMACH, LIVER, BOWELS.  
Don't scold your fretful, peevish child. See if tongue is coated; this is a sure sign its little stomach, liver and bowels are clogged with sour waste.  
When listless, pale, feverish, full of cold, breath bad, throat sore, doesn't eat, sleep or act naturally, has stomach-ache, indigestion, diarrhoea, give a teaspoonful of "California Syrup of Figs," and in a few hours all the foul waste, the sour bile and fermenting food passes out of the bowels and you have a well and playful child again. Children love this harmless "fruit laxative" and mothers can rest easy after giving it, because it never fails to make their little "insides" clean and sweet.  
Keep it handy, Mother! A little given today saves a sick child tomorrow, but get the genuine. Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which has directions for babies, children of all ages and for grown-ups plainly on the bottle. Remember there are counterfeiters sold here, so surely look and see that yours is made by the "California Fig Syrup Company." Hand back with contempt any other fig syrup.

lice with the idea of interference therewith. Militarism with its damming influence must be forever crushed, and the evil influences it has had upon its subjects thoroughly driven from their minds. The day of reckoning has arrived for all such influences, and let the punishment be such as to guard against any reappearance. It is now up to us as a foremost society of the fraternal class, to make a sacrifice to bring about this order of things; and if we are asked to do a little more to complete the task then we have been doing ordinarily, let not a murmur escape our lips. It is our fight in common with other fraternalities, and our duty to do a larger part on account of our claim regarding our assisting powers to humanity. Now is the time to gather around the lodge-room, those who cannot don the uniform, and lend assistance to the many extra duties that have been aroused to further the great patriotic movement. The call is for one and all alike. The diffusion of benevolence and charity is the very essence of practical philanthropy, the care of widows, orphans, indigent and disabled brothers is a practical necessity, thus it will be seen that the attendance at lodge of a brother is an imperative necessity together with being the best asset he can be or value according.  
So then in gathering together to celebrate our 97th anniversary, let us

do so with the desire that it will be a turning point as regards our advancement and the future prosperity of the Order. We are certain that great changes must take place in the not far distant future. Most assuredly we will be called upon to live more in accord with what we know to be the true relation with the Brotherhood or man inspired by the Fatherhood of God. On the approaching dawn of our new year and chapter, let us hail a new covenant of friendship, associated with its co-ordinate, comradeship, and by the union of the two for our future guide, see if it is not possible to cultivate a new spirit of brotherly love that will rank among the high expectations of our critics as to what we should develop in this contention and upon which we are bound to enlarge. The troublesome times through which we are passing are for our inspiration, the tramp of marching men to the battle front our incentive, and the desire and necessity of those whom we are obligated to assist, our dealing with which will mark our accomplishments.  
The storm of opposition and adversity may beat around the base of the foundation of our beloved Order, but so long as we remain true to the teachings of Friendship, Love, and Truth, and inculcate them into our individual lives; so long will Friendship, Love and Truth prevail and triumph over every impending difficulty.

**First Recordings of Louis Graveure**  
The Musical Sensation of the Season

FROM the greatest of operatic arias to the simplest English ballads, Louis Graveure displays an amazing gift of interpretation. Never before has such clarion power and vocal abandon been heard as in Graveure's singing of the "Pagliacci" Prologue, nor such tenderness of tone expressed as in his rendering of "Mary," Richardson's famous ballad. With the new records by Godowsky, the poet-genius of the piano, and the latest recordings of dainty, vivacious Maggie Teyte,  
These records fitly represent the artistic quality of all the
