## ROUND TABLE CONFERENCE

George Hambleton, Canadian  
Press Staff Correspondent

LONDON, Nov. 20.—The question  
responsible Federal Government  
India will go for consideration be-  
ing a special committee of the  
and table conference. After  
many more speeches today in a de-  
which is still unfinished, despite  
line of the ten minute guideline.  
Conference today approved the  
tion of a Federal Relations Com-  
of thirty two members to con-  
sider the structure of a federal sys-  
of Government in India and  
relations between the Provinces of  
British India and general govern-  
ment and to recommend main prin-  
ciples to be applied.

## Green Mountains Won First Prize

(Canadian Press)  
TORONTO, Ont., Nov. 20.—New  
Brunswick potatoes took the big  
prize at the Royal Winter Fair today.  
The award for the best certified  
seed potatoes in the show was won  
by Erastus Parke, of Buris Corners,  
N. B., with his exhibit of green  
mountain. This was the grand  
championship of the fair and with  
it goes a donated gold watch. In  
the general competition for certified seed  
potatoes, in which there were 23 en-  
tries, Mr. Parke's growing won first  
place, Reuben Hober, of Oromocto,  
N. B., was fourth and Spencer  
Brewer of Keswick, N. B., ninth.

## Island Girl Wins Third Place At Fair

TORONTO, Ont., Nov. 21.—Alberta  
won both Dominion championships  
in swine and cattle clubwork today  
at the Royal Winter Fair in the  
annual Dominion wide contests con-  
ducted by the C. N. R.  
The swine club championship was  
taken by a team from Vegreville, Al-  
berta, Robert Willie and W. E.  
Schmidt, while the new cattle club  
champions of Canada are two broth-  
ers from Camrose, Alberta, Vernon  
and Eorden McNeight.  
In the swine club contests the  
order of the teams from the various  
provinces was Alberta, Saskatchewan,  
Nova Scotia, New Brunswick,  
New Brunswick and British Columbia  
teams.  
Only 33 points lay between the  
highest and the lowest in the cattle  
club contests, the Quebec team  
Stanley Doig and Leon St. Jacques  
from Argenteuil were a very close  
second to the Alberta team only two  
points separating them.  
Last year Quebec won this cham-  
pionship.  
Ontario team was only three points  
behind Quebec; the other teams in  
order of marking were Nova Scotia,  
Prince Edward Island and New  
Brunswick.  
In individual scoring, in the swine  
clubs, the highest was a boy from  
Wiseton, Sask., George Kegan, of  
Peterville, N. B., and Graham  
Longley from Paradise, N. S., scored  
very high in the individual scoring.  
In the individual scores in the  
cattle club contests Warren MacKenzie,  
of West River, N. S., was highest  
with Douglas Ferris of Barrie, Ont.,  
second and Mary McEachern, of Ar-  
gyle Shore, P. E. I., third.

## CITIZENS ARE RESPONDING TO APPEAL

### Water Situation Still Grave — Fire Equip- ment Tested.

Although the reservoir is still  
empty, and it is necessary to pump  
the water to the city direct from the  
wells, the supply of water is being  
maintained at the level which it  
reached some days ago, Mr. J. A.  
McMillan, Water Commissioner re-  
ports. The people of the city have  
responded splendidly to the appeal  
for economy in water consumption.  
The new wells at Brackley will be  
available as a source of auxiliary  
supply in less than three weeks, it is  
anticipated. The laying of the pip-  
ing is almost completed. There re-  
mains to install the machinery and  
set the air vents.  
To test its utility in the event of a  
fire the old Silby engine was taken  
to Government Pond yesterday af-  
ternoon and was put in operation.  
It appeared to be in fair working  
condition, but older citizens thought  
that it lacked the power of former  
days. The pumping equipment of the  
watering truck was also tested, and  
proved to be in good condition. A  
quantity of water was pumped from  
the newly-opened well near St. Paul's  
Church.  
Special men again patrolled the  
city last evening on the guard for  
fire.

## To Improve English Stock

(Special to the Guardian)  
TORONTO, Ont., Nov. 20.—Owned  
by the Prince of Wales and born on  
his ranch at Pekisko, Alta., a six  
year old percheron mare and her  
foal now at the Royal Winter Fair  
are going to make history in Cana-  
dian horsemanship. Princeton Carman,  
winner of many ribbons in the per-  
cheron class throughout the West  
and her colt Princeton June have  
been sold to Lord Middleton for an  
undisclosed sum and will sail Tues-  
day from Montreal for his farm at  
Malton in Yorkshire, Eng. W. L.  
Carlyle, manager of the E. P. Ranch,  
told the Star today, thousands of pure  
bred horses have been shipped to  
Canada from England to improve  
Canadian stock, but Mr. Carlyle be-  
lieves that this is the first instance  
of blooded Canadian horses being  
sent to England, the home of fine  
percherons.

## Former Enemy War Pilots

### WERE IN JUNKER SEAPLANE WHICH FLEW NORTH TO SEEN MISSING MEN

VANCOUVER, B. C., Nov. 20.—A  
coincidence was noted in the recent  
flight from Vancouver of the Junker  
seaplane OF-ALK on its at-  
tempted errand of mercy to the north  
in search of six missing airmen, in  
the fact that it bore two former en-  
emy war pilots—R. A. Van Der Byl  
and A. A. Joers—who fought in the  
air on opposing sides during the  
great conflict. T. H. Cressy, air en-  
gineer on the flight also served dur-  
ing the war.  
Van Der Byl was a captain in the  
Royal Flying Corps, a member of  
the 18th squadron on the western  
front. He flew a Spad, a single seat-  
er fighter. In September, 1917, he was  
mentioned in the weekly communi-  
cations when he conducted a ground  
strafe on German troops and trans-  
port attempting to cross the River  
Lys.  
Joers served with the German Air  
Force during the war as an N. C.  
pilot, flying single and two-seated  
fighters. He commenced flying in  
1917.  
Cressy served as a mechanic in  
the 11th and 215th squadrons, Royal  
Naval Air Service, in Palestine  
and the Near East.

## Vancouver Starts Drive To Assist Unemployed

### Plan Evolved To Provide 100 Days Work For 10, 000 Men.

VANCOUVER, B. C., Nov. 20.—To  
provide one hundred days work each  
for ten thousand men, the city coun-  
cil has guaranteed clerical expenses  
up to five thousand dollars for a  
drive to be started December 1 and  
finished December 15 by a group of  
prominent business men. Frank Par-  
sons will head the drive.  
"We are prepared to guarantee  
success with your co-operation," Mr.  
Parsons assured the Council.  
Wages, he said, would be four  
dollars per day and the money to be  
spent in Vancouver would total  
four million dollars. Only those re-  
gistered at the relief office will be  
considered when jobs are allotted  
and Mr. Parsons urged the council  
to immediately insert advertising in  
the prairie papers to that effect. The  
plan received enthusiastic support  
from the council.  
"Every city in Canada will be  
imitating our example with a short  
time," Mayor W. H. Malkin said.  
"Now we have the opportunity to get  
our play grounds, beaches, golf links,  
and park sites developed. Vancouver  
will solve her own unemployment  
problems, and the money raised here  
will be spent here.  
"Soup kitchens, camps, and other  
pauperizing things will be completely  
out of the picture." Industries now  
employing all the men they can will  
be asked for contributions to get men  
work in public projects. Household-  
ers will be asked to supply small jobs,  
employees with steady jobs will be  
asked for donations.

## Used 30 Planes to Smuggle Liquor

DETROIT, Mich., Nov. 20.—The  
operations of two aerial smuggling  
syndicates whose air fleets brought  
liquor and aliens from Canada to  
the United States were revealed to-  
day with the indictment of 10 men  
by the Federal Grand Jury.  
According to the information held  
by the Government, the syndicates  
operated 30 planes.  
The investigators reported that 1-  
800 cases of liquor cleared a single  
Canadian airport in one month.

## OCEAN RACE TO DELIVER THE 'GOODS'

(Canadian Press)  
OTTAWA, Ont., Nov. 20.—A race  
across the Atlantic to deliver at  
Halifax, N. S., goods which were  
ordered abroad prior to the coming  
into force of the new tariff sched-  
ules last September and for the de-  
livery of which the period of grace  
expires at midnight November 30,  
will begin tomorrow when the White  
Star liner Adriatic leaves Liverpool  
for the Nova Scotia port. A pro-  
vision was inserted by the Prime  
Minister into the new tariff, stip-  
ulating that goods on order prior to  
September 16 could be entered for  
delivery under the old tariff rates  
up to and including the last day of  
November.

## Minister Of Agriculture Passes Away

MONTREAL, Que., Nov. 21.—Hon.  
J. L. Perron, K. C., Provincial Min-  
ister of Agriculture, and one of the  
outstanding figures in the political  
life of the province of Quebec and  
a noted lawyer of Montreal, died  
here yesterday, aged 57.  
Mr. Perron had been ill for several  
months.

Last year Mr. Perron left the com-  
parative quiet of the Legislative  
Council of the province for the hurly  
burly of an election fight and was  
victorious in a by-election in Mont-  
calm County, and took his seat in  
the Lower House as Minister of Ag-  
riculture.

His health gradually failed and  
death resulted this morning.  
He had played a part in ruling the  
province for twenty years, having  
been first elected to the Lower  
House in 1910.

In 1916 he was appointed to the  
Upper House, and joined the Cabin-  
et in 1920, without portfolio, in 1921.  
He was appointed Minister of  
Roads, relinquishing that position  
last year to take charge of agricul-  
tural affairs.

## Winter Has Reached Denver

DENVER, Colo., Nov. 20.—Winter  
took a firm and icy grip on a wide  
spread area from the Rocky Moun-  
tains to the Pacific Coast and from  
Arizona to Canada yesterday as snow  
fell in depths ranging up to 24 inches.  
The fall was heaviest in the  
mountains.  
The loss of one life had been at-  
tributed to the storm; mountain  
passes were snowbound; air travel  
was made hazardous and many high-  
ways were clogged with the drifted  
snow.

## Chile May Now Withdraw

SANTIAGO, De Chile, Nov. 20.—  
The Chilean government, it is learned  
on highest authority, is consider-  
ing its withdrawal from the League  
of Nations, believing itself to have  
been slighted by the large European  
members of the organization.  
Rejection of Chilean and Brazilian  
candidates for seats on the world  
court bench, when new justices were  
elected this year, in favor of Cuban,  
Salvadoran and Columbian candi-  
dates, had been taken to heart by the  
Chilean authorities, who consider it  
too high handed procedure.

## Ontario Premier May Accept Post

### Premier Bennett Anxious That Ferguson Take Over New Duties As High Commissioner In London—Wider Sphere Of Activity.

(Canadian Press)  
TORONTO, Ont., Nov. 20.—The  
Evening Telegram in a copyright  
dispatch from Gordon Hogarth, its  
staff correspondent aboard S.S.  
Empress of Australia says: Premier  
G. Howard Ferguson of Ontario is  
arriving home with the Canadian  
High Commissionership at London in  
his pocket." Mr. Ferguson admitted  
to the writer today he has been of-  
fered the post by Premier Bennett,  
but he refused to say definitely  
whether he would accept.  
"When he arrives back in Ontario  
he will discuss the proposal with his  
political friends, and if they are  
willing to release him from the Onta-  
rio Premier'ship, it is entirely prob-  
able he will accept the position."  
"Premier Bennett has pressed me to  
accept the position and I have been  
urged by numbers of people in Eng-  
land to take it. It has been pointed  
out to me there is a wider sphere  
of activity where one may be very  
useful to Canada and the Empire,"  
Mr. Ferguson said.

## ROYAL WINTER FAIR NOW OPEN

(Special to the Guardian)  
TORONTO, Ont. Nov. 20.—Sir Rob-  
ert Borden officially opened the 1930  
Royal Winter Fair last evening.  
The musical ride of the Royal Cana-  
dian Dragoons was a thorough suc-  
cess, a novel feature being the light-  
ed headstalls on the horses and the  
illuminated lance tips. Following Sir  
Robert Borden's short address, the  
six teams of international military  
jumpers were led into the arena by  
flag bearers, each carrying the re-  
spective flag of the country repre-  
sented, Canada, Hungary, United  
States, Germany, the Irish Free  
State and Sweden. Results in the  
jumping contest were, first: United  
States Army team with five faults;  
second, Sweden 5 1-2 faults; third  
Canada six faults.

TORONTO, Ont., Nov. 20.—The  
bird population of the Royal Win-  
ter Fair is reckoned by the census-  
taker as follows: pigeons, 2,200; pou-  
ltry, 3,000; turkeys, 146; ducks, 228;  
geese, 215; canaries, 300. In addition  
to the feathered exhibits there are  
500 rabbits and 5,607 judges are em-  
ployed to pick the winners and it will  
take them two days. Banded Ply-  
mouth rocks are the most numer-  
ous class.

## YOUTH WHO WRECKED FAMILY CAR SUICIDES

RUTLAND, Vermont, Nov. 20.—  
Clifton Jones, 20, of Bennington,  
killed himself with a shot gun rather  
than tell his father he had borrowed  
the family car without permission to  
go hunting and then wrecked it, the  
State's attorney's office has revealed.  
Jones was found dead in Danby on  
Saturday.

ment bloc attained a good clear major-  
ity in the Sejm, but not the two-  
thirds majority which he sought in  
order to amend the constitution.

The Government party secured  
247 seats, against 118 they held in  
the old parliament. The new body  
also will contain 78 National Demo-  
crats, 62 Ukrainians and White Rus-  
sians, 21 Christian Democrats (Kor-  
fantists) 13 Jews, 7 Germans and  
5 Communists.
