You don't want a slow remedy when your stomach is bad—or an uncertain one—or a harmful one—your stomach is too valuable; you mustn't injure it with drastic drugs. When your meals don't fit and you feel uncomfortable, when you belch gases, acids or raise sour undigested food. When you feel lumps of indigestion pain, heart burn or headache, from acidity, just eat a tablet of Pape's Diapepsin and the stomach distress is gone. Millions of people know the magic of Pape's Diapepsin as an antacid. They know that indigestion and disordered stomach are so needless. The relief comes quickly, no disappointment, and they cost so little too.

How to Grow Hair

The French are placing on the market a new invention called Delmay's Vitalene Hair Tonic. It positively grows hair, and makes the hair fairly bristles with life. It feeds the roots and removes dandruff; it is a wonderful preparation. Sold by one druggist in every town. Sold in Charlottetown by E. A. Foster, druggist.

Would This Thrill You?

If it wouldn't, nothing else could. For, to see this little slip of a girl brave death as Jean Paige does in this sensational chapter photoplay when she jumps from a horse to the step of a speeding freight car, is to see one of the most daring feats ever attempted by a woman. It will be one of the big spots in your fifteen weeks of pleasure when you see—
