ATTAK of Royal Canadians at Paardeberg.

The present is a time when war pictures are in greater demand than ever. The conduct of the British Soldiers on the battlefield has won THE PLAUDITS of admiring nations. We have at great expense published four large, beautiful pictures, size 20x24, on heavy, superfine calendered paper. A picture that will commend itself and send A THRILL to the heart of every TRUE Canadian is the one called ATTACK OF ROYAL CANADIANS AT PAARDEBERG. There are literally hundreds of figures on this picture the mountains or kopjes stretching out in the distance are swarming with men, while here and there a prostrate figure speaks only too well of the Boer rifleman. It was on this battlefield the gallant Major Arnold met death unflinchingly. Indeed it is only too true, that many of those gallant hearts that beat so high when the CHEERING THOUSANDS bade them GODSPEED as they sailed from Canada's shores now lie still forever in lonely graves on the other side of the world under African skies. TO EVERY CANADIAN HEART, to every CANADIAN HOME, the deeds of their brave soldier boys speak with an irresistable THRILL OF PATRIOTISM AND PRIDE. GORDON HIGHLANDERS AT THE BATTLE OF BELMONT, CHARGING THE BOER GUNS AT MODDERRIVER, AT MAGERSFONTEIN, AT BLANDSLAAGTE, AND THE CHARGE OF GEN. FRENCH'S CAVALRY ON THE RETREATING GEN. CRONJE'S ARMY. These are all stirring pictures and cannot fail to commend themselves to any one who will examine them. They are RED HOT SELLERS! Agents coin money. Big profits. Enormous success. One agent sold 68 in one day. Sample and terms 25 cts. [stamps free]; four for 50 cts. $1.75 per doz.; 25 for $3.50; 50 for $6.00; 100 for $11.00. Write to-day for a demon and quick money.

THE MORNING GUARDIAN,

WEDNESDAY, JULY 11, 1901.

THE NATIONAL DIVISION.

The meeting in our midst of the National Division of Sons of Temperance is an event of more than ordinary interest and importance. During half a century past this truly noble order has stood in the van of temperance reform in most English-speaking countries. It may be said to have been the first to give widespread and effective organization among temperance workers. During many years its membership included almost all of the most eminent and progressive workers in America who were laboring to make this a sober world. Total abstinence for the individual and prohibition for the state has ever been its motto. Other worthy temperance orders have come into the field, have done good work and have prospered abundantly, but there are not a few to whom the Sons of Temperance is still the ideal and best beloved order, beautiful and dignified always in its simplicity, and now becoming venerable in years.

Most heartily THE GUARDIAN bids a welcome to the delegates from many States and Provinces now assembled here. They will find in this Island Province of the North not much of grandeur and little of the accumulated wealth with which the Great Republic is so richly dowered. But they will find here something of pastoral beauty, they will enjoy our refreshing breezes and health-giving atmosphere, and they will find here hearts as warm and true as any under the blue dome of Heaven. They will meet in the fullest sense with "a brother's hand and a brother's welcome." And it will give them pleasure to realise that here the seed of temperance reform, having fallen upon good ground, has sprung up and borne fruit abundantly. For within our little Island, "compassed by the inviolate sea," we have crystallised into law the strong temperance sentiment of the people and no man can lawfully make traffic of inebriating drink.

We trust the National Division may have a happy and prosperous session, that the members may greatly enjoy their brief stay in our midst and that when they return to their homes they may carry with them very pleasant memories of Prince Edward Island and its people.

We feel sure that hundreds of GUARDIAN readers will peruse with interest and pleasure the valedictory address of Rev. J. M. Withycombe to the Boys of the Brigade in P. E. Island. It is worthy of the head and heart of that earnest Christian gentleman, who has done so much to make the Brigade what it is, and who enjoys the affectionate regard of every one of its members. The Brigade will go into Camp at Brighton on Wednesday next, 17th, instant, when we are assured the Boys will again evince the good order, discipline and exemplary line of conduct which have characterised the Brigade from the beginning. Space will not this morning permit us to say more than this, that we consider the Brigade movement a most excellent one, tending in the most potent manner to develop the youth of our Province into men of the best type. All good citizens ought to assist the movement in every way in their power.

SONS OF TEMPERANCE.

AFTERNOON SESSION.

National Division called to order at 2 p, m. the Most Worthy Patriarch Lawson, presiding. Officers the same as in forenoon session. After services by the Grand Chaplain the National Division was declared open for business. On motion of Rep. Dennison; it was resolved that 3 o'clock of this session be the hour for setting the place and time of the next annual session.

Rev. S. F. Hodgson, secretary of reception committee announced that a reception would be tendered the National Division in the First Methodist church this Wednesday evening at 8 o'clock.

The report of the National Superintendent of Juvenile work shows that branch of our work is in a flourishing condition. Each Grand Division of our jurisdiction has now its Superintendent of Young People's Work and though there is not yet a Company of Loyal Crusaders in connection with every Subordinate Division on our roll, yet we believe that work among the children is on the increase and only needs the fostering care of consecrated men and women who have the work at heart. This department of our work has spread to Australia, where some companies of Loyal Crusaders were organized two years ago.

On motion it was resolved that any representatives presenting themselves for initiation be admitted on obligation.

Rep. C. A. Everett, Chairman of Committee on constitutions reported:

That in answer to the petition of the Grand Division of Rhode Island praying for the repeal of decision of the order in relation to dancing, the committee see no reason to change the constitution respecting that matter. A pleasing feature of the afternoon session was the presentation to the M. W. Patriarch of a bouquet by a young lady, a member of Victoria Division, and the presentation of congratulation and best wishes of the National Division to our esteemed brother Most Worthy Scribe, Benj. R. Jewel of New Hampshire, July 10th being the 64th anniversary of his birth. Brother Jewell made a suitable reply.

A letter was received from P. M. W Patriarch Edward Carswell of Ontario who has been ill for some time, regretting his inability to be present at this session of National Division and expressing greeting, good wishes and farewell as in all probability he would never meet in annual session again.

On motion letter was referred to committee on absent members.

On motion the invitation to hold next annual session of National Division in Providence R. I. be accepted and that said session be on second Wednesday of July 1902. Carried unanimously.

A welcome meeting was held in the First Methodist Church in the evening at which the following program was carried out:

Address on behalf of the Sons of Temperance by J. A. Lawson, G. W. Patriarch.

On behalf of the Legislature and people of this Province by Geo. W. Simpson, M.L.A.

On behalf of the Churches and the Ministerial Association of Charlottetown, by Rev. R. F. Whiston.

Solo by Mrs. Watts, daughter of Dr. Temple, P. M. W. Patriarch of Halifax.

Reply to address of welcome on behalf of the National Division, by Dr. Lawson, M. W. Patriarch. He expressed his pleasure at the words of welcome which had been accorded the visiting brethren, and explained the principles upon which our institution rests, viz: Love, Purity and Fidelity.

Address by P. M. W. Patriarch Bradley National Supt. of juvenile work. He made a strong plea for the children, the hope of the nation.

Address by P. G. W. Patriarch Dennison of Penn.

Address by Mrs. Rutherford, President of the Dominion W. C. T. U. who presented greetings from the women of Canada.

The choir under the leadership of Prof. W. H. Watts rendered several selections.
