

Not To Be 'Beaten'

A farmer went into a grocery store and exhibited to the eyes of an admiring crowd an enormous egg about six inches long, which he avowed to have been laid by one of his own hens. He had it packed in cotton and would not allow anyone to handle it, for fear of breaking the phenomenon.

The grocer examined it with the rest, and, in tending to chaff the countryman said:

"Pshaw! I've got something in the egg line that will beat that," as he pocketed the money.

"I'll bet you a dollar you haven't," said the countryman, getting excited.

"Right!" replied the grinning grocer, going behind the counter, he brought out a wire egg-bender.

"There's something in the egg line that will beat it, I think," said he, reaching out for the money.

"Hold on, there," said the farmer; "let's see you beat it."

And he handed the egg to the grocer.

The latter held out his hand for it, but dropped it in surprise on the counter, where it broke into soup plates and a platter. It was of solid iron painted white.

"Some folks think they're mighty clever," muttered the farmer, as he pocketed the money and walked out; "but 'tain't no use backing against the solid fact."

"Taint no use backing against the fact that neither the quality nor price of groceries are to be beaten. This accounts for our increasing trade."

EMPHATIC PROOF

IN FAVOR OF DOAN'S PILLS AS A CURE FOR KIDNEY COMPLAINT.

SUSSEX, N. B., March 10th, 1899
THE DOAN KIDNEY PILL CO.,
Toronto, Ont.

Dear Sirs,—Some time ago I was troubled with Kidney Complaint which was almost unendurable.

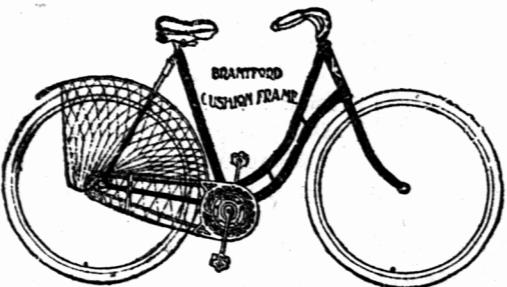

I was so bad that I was laid up in bed for four months.

I tried several doctors but they would only help me for a very short time and the trouble would come back and be as bad as ever.

I heard Doan's Pills well spoken of and procured a box determining to give them a fair trial, and by the time I had taken them I was completely cured.

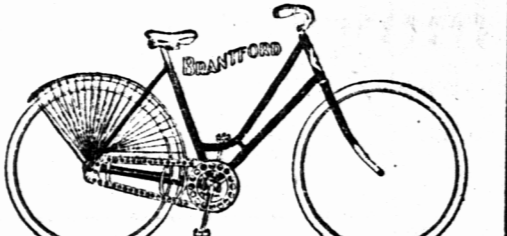

I can faithfully recommend them to all suffering from kidney troubles.

Yours truly,
GEORGE GADSOE.

There's More to the Pedals Than the Looks.

Blood Disorders

are simply kidney disorders. The kidneys filter the blood of all that shouldn't be there. The blood passes through the kidneys every three minutes. If the kidneys do their work no impurity or cause of disorder can remain in the circulation longer than that time. Therefore if your blood is out of order your kidneys have failed in their work. They are in need of stimulation, strengthening or doctoring. One medicine will do all three, the finest and most imitated blood medicine there is.
