**CAR BURNED**—A car bearing a license plate No. 7-316 registered under the name of Arthur Burns, Charlottetown, was burned on the Mount Edward Road Friday evening. The Fire Hall was notified and two hand chemicals were sent out by car, but before considerable damage was done.

**PLEASING RECITAL**—At the close of the service at Central Christian Church last evening, a special service was held under the joint auspices of Central Christian and Y. M. C. A. In addition to the service of song, a recital was given by the Street Fiddler of the air. Several numbers were played from the masters with fine effect and with satisfaction to all. He was accompanied on the organ by Mr. Albert Blanchard.

**IN VANCOUVER**—The Vancouver Sun contains a fine photograph of Mrs. W. J. McIntyre, the National President of the Catholic Women's League, who arrived in Vancouver Tuesday, and was the guest speaker at the banquet arranged at the Hotel Vancouver as the closing function of the diocesan convention of the League. She was also guest of honor at several interesting affairs during her short visit at the Coast.

Miss Campbell, of Boston, who is spending some time with her sister, Mrs. A. J. Benneman, Marsh St., New Glasgow, N.S., paid a visit to her brother, Mr. A. G. Campbell, of Charlottetown, over the week end and holiday, making the trip on the Hochelaga from Pictou.—New Glasgow News.

**SUMMERSIDE**  
And Prince County

**—SYMPATHY EXPRESSED—**Mr. and Mrs. Alban Blaquiere of Summerside have the sincere sympathy of the community in the death of their second child within two weeks. Two weeks ago they lost their infant baby and last Friday the angel of death claimed their little three year old daughter, Rosella, after a short illness. The little one was laid to rest on Saturday morning in the Roman Catholic Cemetery after a service in St. Paul's Church.—S

**—SAD BEREAVEMENT—** Much sympathy is extended to Mr. and Mrs. Daniel Noonan of Bedouque in the death on Thursday last at the Prince County Hospital of their son, Alban, at 15 years of age, after only two days illness. Alban was attending school in Bedouque and was highly thought of by his teachers and fellow students. His sudden death when apparently in the best of health has shocked the whole community. There are left to mourn besides his sorrowing parents, the

number of fatalities from fire in Canada last year and the enormous monetary loss sustained from the same cause. At the close of the address the boys showed their appreciation by the "Scouts' applause." Mr. W. J. Lidstone, Vice-President of the Boy Scouts Association for P. E. I., expressed his appreciation of Mr. Muttart's address. Before the meeting dispersed the pleasing ceremony took place of the presentation of an Instructor's Pin Badge to Mrs. J. J. Gaudet, First Aid Instructor to the 1st Summerside Troop. The presentation was made by Mr. W. J. Lidstone on behalf of the officials and members of the 1st Troop as a token of appreciation of Mrs. Gaudet's work. Mrs. Gaudet in a few well chosen words expressed her thanks for the pin and the honour bestowed upon her.—S

**PERSONALS**  
—Mr. W. F. Strong of Summerside and Mr. Kenneth Richards of Charlottetown have returned to their respective homes after an enjoyable trip in the west of the Province goose shooting.—S  
—Mr. Lister McLellan of Sidney, N. S., is spending his vacation with his mother, Mrs. (Dr.) McLellan of Summerside.—S

**BEDEQUE**  
Among the ladies attending the annual meeting of the W. C. T. U. in Summerside from this vicinity were: Mrs. John Frizzell, Mrs. Wright, Mrs. Harrison MacFarlane,

The Annual Roll Call and Harvest Festival service, of the Central Bedouque Baptist Church, was held on Thanksgiving Sunday evening, October 9th, and was much enjoyed, as was evidenced by the very large congregation, the church being packed to the doors. The church was prettily decorated for the occasion with flowers and an abundance of fruits and vegetables. Special music and singing by the members of the choir added greatly to the worshipful character of this Thanksgiving service. Rev. A. G. Crowe, pastor, delivered a wonderful and impressive message on "God's Way of Investment." Thanksgiving service was nicely given in the United Church at Centreville Bedouque on Sunday morning. Rev. L. P. Archibald offered a very inspiring message to a large congregation. Flowers and vegetables were nicely arranged about the pulpit. The choir rendered singing very sweetly and effectively, appropriate to this service.

The first regular meeting of the South Freetown Junior Red Cross was held Friday with the President, Eunice MacCarville, in the chair. The meeting opened, followed with the reading of the minutes of the previous meeting, followed by a discussion on the name of this Branch. It was later decided that we call this branch the "Branch of the Silver Leaves." Reports were given, from the Health and Cleanliness Committee and the Programme Committee. The roll call for the next meeting to be answered with "My Favorite Flower." The programme for the next meeting is to be a Geography Match and a Contest. The following programme was successfully carried out: Recitation, Vertice Boulter and Arnold Reeves; Recitation, Irene Reeves; Dialogue, Doris MacCarville, Edith Stetson and Florence MacCarville; Recitation, Evelyn Reeves; Dialogue, Florence Stetson, Alice Drummond and Edith Stetson; Recitation, Anna Stetson; Dialogue, Eunice MacCarville and Leslie MacCarville, Alice Drummond and Edward Murtagh; Recitation, by Marion Stetson was the closing number on the programme. This meeting was

Appointed General Manager Mercury Mills  
Increased Business Reported Factory Working Overtime  
R. H. Hommel has recently been appointed Vice-President and General Manager of Mercury Mills Limited of Hamilton. He was for many years chief executive of two large chain store organizations. Mercury Mills Limited report a decided increase in business as compared with the corresponding period of last year. Shipments of men's and women's hosiery alone being forty per cent up. Five departments are now working overtime—fifty additional employees have been taken on in the past month and the payroll has increased by twenty per cent. Mercury Mills Limited recently secured the largest single order ever placed in Canada for full-fashioned hosiery. It was for one million pairs.  
With the advent of the Christmas season the annual Christmas tree cutting activity is getting under way. Quantities of these trees are shipped from both Eastern and Western Canada to the United States market, New Brunswick and Nova Scotia supplying a considerable bulk of the demand in Boston, New York, Philadelphia and other Eastern United States cities. British Columbia, according to the Natural Resources Department of the Canadian National Railways, is expected to ship over 250,000 trees to the United States this year.

A sign of progress is evident in the district of Centreville Bedouque by the fact that the old saw-mill which was operated by Mr. Harold Wright for a number of years, and which has been closed for the last few years, has been completely rebuilt by Mr. Roberts, contractor, at Kinkora. The pond, which has been very low for some time, has again been raised and a good head of water is waiting to supply power to the water-wheel. Mr. Anthony DesRoches will be the capable operator, in charge of this new plant. Mr. William Callbeck, well known merchant, of Central Bedouque, is responsible for the re-establishment of this saw-mill.  
Mr. Emmerson Huestis, student at Acadia College, Wolfville, N. S., spent the Thanksgiving holidays at his home in Wilmot Valley.—B

About 71 per cent of Canada's wheat exports in the crop year ended July 31, 1932, went through Canadian seaports against 57 per cent the previous year, according to the Agricultural Department of the Canadian National Railways.

One of the most important of the deep sea fisheries of Nova Scotia is the haddock, according to the Natural Resources Department of the Canadian National Railways. The haddock grounds of North America do not extend north of the Strait of Belle Isle or south of Cape Hatteras and between these limits the fish are found only in somewhat circumscribed areas.
