Annual Meeting Provincial Rifle Association

The annual meeting of the Provincial Rifle Association was held in the Board of Trade rooms last evening, about forty being present. The financial report showed a small credit balance. The report of the chairman of Council was submitted as follows:

PRESIDENT'S ADDRESS
To the President and members of the Provincial Rifle Association: Gentlemen:— It is my privilege to give you a short summary of the affairs of our Association for 1931.

The first event of the season was the Inter-Maritime Rifle Match between teams from the provinces of Nova Scotia, New Brunswick, and Prince Edward Island. It was shot at Bedford on the 19th of June and won by Nova Scotia with a score of 774 points, New Brunswick second with 764 and Prince Edward Island 754. We had a good team but the breaks were against us and did not make as good a showing as usual. However, in the shoots since the War I believe we still have a bigger margin of wins than either of the other provinces. This match has become one in which high class marksmanship must prevail and every attention must be paid to detail in order to win. Rifles must be perfectly bedded with good barrels, men must be good shots with plenty of practice and coaching must also be good in order to win where average scores of 96 or better are required.

The next big event after the Inter-Maritime was the annual prize meeting which took two days to complete. We had sixty-seven competitors present. For the first time in a great many years, in fact almost since the inception of the Association, the Lieut. Governor's Match was omitted from the program due to the discontinuance of the grant. This cut down the competition considerably. However, the standard of shooting was very high, particularly that of the first ten men in the aggregate. Lt. A. L. MacDonald of Summerside won both the Governor General's and D. C. R. A silver medals, the former with the magnificent score of 295 out of a possible 305. Sergeant Percy Hooper of Milton was the runner up in each case, just one point behind. The Ladies Challenge Trophy was won by Sergeant G. A. Coles, Milton, with a possible of 50 points, shooting for Mrs. L. H. Beer. The Davison Challenge Cup given by our President for the champion marksman of the meeting was won by Lt. A. L. MacDonald of Summerside. The duties of range officer were well taken care of by Captain W. H. Worth.

Shortly after the annual meeting the Ottawa team was selected fourteen making the trip. J. S. MacDonald of Charlottetown became seriously ill shortly after reaching Ottawa, and caused a great deal of anxiety to his many friends. However, under good treatment he rapidly recovered and is now as well as ever. Our team shot very well indeed, five got into the second stage of the Governor General's with two shooting off for place with twenty three others. In the second stage all did well but, Lt. J. S. Moore did particularly well. The London Merchants team shoot in which all the provinces are represented, was won by the Province of Quebec with 737 points. The Prince Edward Island team would have been on even terms with them but for the fact that they placed a bullet eye on the wrong target at 900 yds. Their score of 732 points won them third place, a great showing for such a small province.

In the early fall the Summerside Rifle Club issued an invitation to Charlottetown to send up a team

YANKEES SHUT CARDS OUT 5-0

Lou Gehrig Gets Seventh Homer With Bases Loaded.

NEW YORK, May 26—The New York Yankees' steamroller again crushed the Washington Senators at Washington today, 5 to 0, behind the brilliant pitching of Charlie Ruffing.

The game was over so far as Walter Johnson's pennant hopes were concerned when Lou Gehrig crashed his seventh home run of the season over the right field wall in the sixth inning with three on bases.

Gehrig's homer was only the third hit of Alvin Crowder. With two away, Combs singled to centre and Sewell was safe when Cronin, with an easy play for the third out, fumbled. Babe Ruth walked to fill the bases and Columbia Lou's blow fell.

The Athletics, with homers by Bishop and Fox starting the assault, pounded two Red Sox pitchers at Boston to win the opener of their four game series, 7 to 1. Rain ended the contest in the sixth.

Bishop lead-off man, hit a home run in the first and in the same inning Fox hit his 15th homer of the season with Cochrane on base.

The Detroit Tigers won the first half of a double header from the Chicago White Sox by the overwhelming score of 11 to 2 at Detroit, and were tied in the nightcap, 1 to 1, when a small cloudburst stopped the tilt in the Bengals' half of the fifth with one out and one on base. The game was ruled official.

The first game was a complete triumph for Tommy Bridges. While he was subduing the Sox with seven scattered hits his mates pounded three home runners for Johnson, including a homer by Johnson, and ran wild on the bases, stealing six. They pulled a triple steal in the third.

Tall, blond Jack Crawford, considered the greatest Australian player since the days of Norman Brookes, was drawn today to oppose the slim H. Eilsworth Vines, Jr., United States champion. They will follow Harry Hopman, Australian no. 2 player, and Francis X. Shields of New York City, who were chosen to open the series.

Two singles matches will be played tomorrow and two on Monday with a doubles match intervening on Saturday.

Ten Mile Run Won By McEwen

minutes separated them. The race started promptly on time, the runners taking the gun at 7 o'clock. Before the first five miles were covered, the seventeen starters were well strung out, but running easily and steadily. At the eight mile mark, the race developed into a duel between McEwen, Rodd and Campbell. These three were well bunched at St. Dunstan's University. McEwen seemed to be running easier than the other two at this mark, where he increased his stride and opened a faster pace. Campbell dropped behind, while McEwen and Rodd raced shoulder to shoulder to within a hundred yards of the finish, when the former stepped on the gas to beat the courageous Rodd ten feet at the tape. Forty four seconds later came Hugh Campbell, fresh as a daisy and running like nobody's business. The fight for fourth position was even more bitter than that staged by the leaders: Herrel and McEach-

LOOKING 'EM OVER

BY "TEC." "TINY" WORKING OUT

The Gloucester Post says: "Tiny Herman, who is an R. C. M. P. constable there, is in training for the Olympic Games. Herman is to have a workout with Rev. Father Michael MacCormack, East Bay, who in his university years held the Maritime title for the shot put. Recently in a workout Herman is credited with heaving the discus almost ten feet further than the present Maritime record."

"RED" IN HOSPITAL
"Red" Teller is in hospital at Montreal having his injured eye operated upon. He had his eye badly injured while playing hockey for Bathurst the winter before last, but it may have been hurt again last fall if the Star's report is correct, as it says: "He had an eye injured many months ago on the field."

GIRLS SHOWING THE WAY
With the announcement that the Federal Government has granted \$10,000 towards the Olympics, the Toronto Star says: "That means that the various sporting bodies must hustle around and get the remaining \$25,000 required to send even a bob-tailed team. The girls of Canada are already showing the way to their brothers. They have already raised by various means \$1,000. Their objective is \$2,000, which will take care of the expenses of a team of six girls. The heads of girls' sport in Toronto have set \$1,000 as their objective and they have already raised over half of the sum by collections at various sport events, benefit affairs and by selling programs at all sorts of events."

PLAYED WITH BAWLF
During a conversation with Sam Doyle, last evening, for the most part on athletics, the writer was informed by the diminutive Doyle that in the year 1904 he had the privilege of playing on the Ottawa University football team with Nick Bawlf, when they were battling the Roughriders for the Canadian title. Nick Bawlf, by the way has been selected to coach Canada's Olympic athletes in preparation for the big Olympiad being held in Los Angeles this summer.

Dodgers Trim Giants
After losing what might have been the winning run in the sixth inning when it was discovered that Lopez had batted out of turn just after he singled Cuccinello home, the Dodgers went on to the twelfth inning here and defeated the Giants 3 to 2.

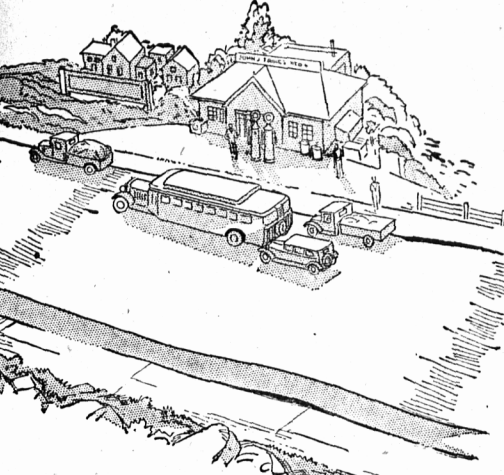

With a three run lead to protect, Pittsburgh pitchers broke up rallies in the seventh and eight innings by the Cincinnati Reds, and won at Cincinnati 3 to 2, making a clean sweep of the three game series.

Doubt, falling in the pinches in recent contests, was replaced by Crabtree, but still the Red batting attack could not get in range.

NEW YORK, N. Y., May 26.—A rally in the eighth inning in which five runs were scored enabled the Phillies to defeat the Boston Braves 17 to 13 in a slugfest today at Philadelphia.

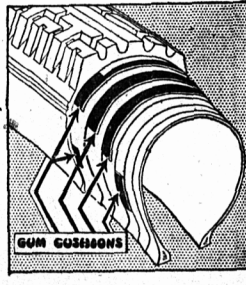

Thirty-nine hits were made, 19 by the victors and 20 by the Braves, including 11 doubles, two triples, and four home runs. Hurst, Lee, Shires and Urbanski hit the circuit clouts.

The Phils jumped off to a 12 to 3 lead in the first three innings, knocking Betts and Frankhouse out of the box. The Braves, however, came back to pound Collins and Nichols and jumped into a 13 to 12 advantage in the seventh inning. Cantwell could not hold the lead however. The defeat pushed the Braves out of first place.

Imagine Riding on a Highway of PURE GUM RUBBER

You actually ride on a highway of pure gum rubber when you put Gutta Percha Tires on your car, because broad pads of gum rubber are built in between the plies of cord fabric in these tires to absorb the battering shocks of the road. They cushion and protect the cords, absorb flexing strains and reduce friction and wear as effectively as though a pad of gum rubber were laid on the road itself.

GUM CUSHIONS An Extra Value

Cushions of pure gum rubber moulded in between the plies of cord fabric, making a "bearing" that reduces friction and wear at these points as effectively as ball bearings do in machinery.

The GUTTA PERCHA Tire In addition to Gum Cushions the Gutta Percha Tire shown above has the Resisto Tread, rubber impregnated cord fabric, reinforced side walls, extra tread width—all extra values at no extra cost.

An Interesting Accessory for You—FREE
Your Gutta Percha Dealer will give you FREE a handsome, polished metal service record to remind you when to change oil, when to lubricate the chassis, when to check tires, battery, etc. Conveniently small—can be fastened in your car in a jiffy—Ask him for it.

Don Fails To Lower Record

GARDONE, Italy, May 26—(A.P.)—Eays Don, British speedboat driver, failed by almost 20 miles an hour today in an assault on the world's speedboat record with his new boat, Miss England III. After waiting all day for Lake Garda to smooth out, he finally took his boat twice over a measured mile course in falling light, but his best time was 91.83 miles an hour and his average only 91.37. Gar Wood's record, made in Miss America IX at Miami Beach, Fla, last winter, is 111.712. Don expressed disappointment when he came ashore, but said he still had faith in his boat and that he would make another official run Saturday if conditions were good. He previously held the world record with Miss England II. Gabriel D'Annunzio, Italian poet, has offered for a record run a cup in memory of Sir Henry Segrave, who was killed in Miss England II.

Mickey Walker Edges Uzcudun

NEW YORK, May 26—Mickey Walker, former welter and middleweight champion, barely edged out a decision in a gory 10-round battle with Paulino Uzcudun, Spanish heavyweight, before a slim crowd of 8,000 tonight. There were no knockdowns. Walker weighed only 170 pounds; Paulino 197.
