A Tired Stomach

Does not get much good for you out of what you eat, for it does not digest much—it is wasteful. It feels sore and lame and is easily distressed and often upset by food. The best treatment is a course of

Hood's Sarsaparilla

which is positively unequalled for all stomach troubles.

Your Doctor

Can cure your Cough or Cold, no question about that, but—why go to all the trouble and inconvenience of looking him up, and then of having his prescription filled, when you can step into any drug store in Canada and obtain a bottle of SHILOH'S CURE for a quarter.

Why pay two to five dollars when a twenty-five cent bottle of SHILOH will cure you as quickly?

Why not do as hundreds of thousands of Canadians have done for the past thirty-four years: let SHILOH be your doctor whenever a Cough or Cold appears.

SHILOH will cure you, and all druggists back up this statement with a positive guarantee.

AT an adjourned meeting of the Summerside Town Council, on Thursday night James A. McNeill was appointed Chief of the Fire Department. In reference to the question of salary, while Mr. McNeill thought it worth $200 a year, he suggested that $100 be appropriated for the use of the department, to be used as the department might see fit. It was decided to increase the insurance on the Market Building from $2500 to $3500. The Pioneer Publishing Company's tender for printing the list of defaulting ratepayers was accepted.

THE addition to the Presbyterian Church of Kensington has just been completed. The new building is connected above and below by folding doors with the main building, increasing the seating capacity of the church by one hundred and fifty seats, and at the same time, affording a commodious Sabbath School building. The work was done by Schurman and Co. and is highly satisfactory. The new building will be dedicated next Sabbath. Services in the morning at 11 o'clock and in the evening at 6 o'clock. The pastor will be assisted by Rev. A. D. Archibald, of Rexton, N. B. A special offering at both services for the building fund.

THE matter of the sufferers by fire here, came up at a meeting of the West Prince Board of Trade at Tignish yesterday, when the following resolution, moved by Rev. Father Burke and seconded by A. J. McFadyen, was unanimously passed. Resolved that the board of trade put itself on record as sympathizing deeply with the afflicted people of Summerside on account of the recent fire, and that a committe of three, one at Alberton, one at Tignish, and one at O'Leary, be appointed to take up subscriptions at once. The Chairman then appointed the following gentlemen the committe: A J. McFadyen, Tignish, W.R. McKie, Alberton, H. W. Turner, O'Leary. Mr. McKie opened his list at the Bank of Commerce Friday morning, when the following subscriptions were paid in: John Agnew, M.L.A., $50.00, Rev. Father Burke, $15.00.

VICTORIA, P. E. I., March 21, 1904.

The McClary Manufacturing Co.,

Dear Sirs,—I have had perfect satisfaction in your magnificent Sunshine Furnace No. 400 which I put in last fall. It heats my house of 22,000 cubic feet perfectly and with one-third less coal than it took to heat it with stoves. I think the Sunshine cannot be equalled. Is economical on fuel, easily operated and the material and workmanship are first-class in every respect. I would recommend it to any one who wants the best.

(Signed) CHAS. ROGERS.

CARLETON, P. E. I., March 18 1904

The McClary Manufacturing Co., St. John, N. B.,

Dear Sirs,—In regard to your No. 400 Sunshine Furnace, I beg to state that it is giving good satisfaction. The church is 50 feet by 32 with 22 feet ceiling and used once a week and two hours is all that is wanted to make the church is only pleasant to sit in. Would prefer it to any other furnace I have seen yet. Will give more heat with half the fuel than the furnace which was in before yours. I have no further remarks to make as I think it about perfection. Yours truly,

(Signed) WM J CARRUTHERS,
Chairman of Trustees.

The Exhibition Is now a Thing of the Past.

And was popularly conceded to be the best ever held in the Province. This is indeed a matter for congratulations.

Our Fur display, held at the Exhibition, was also said to be the best ever shown in this Province, and we cannot fail to be pleased at the many flattering expressions, in regard to it, from the many visitors both from home and abroad.

Many people, at first sight, thought it was the display of some big foreign concern, and were agreeably surprised to find that such a rich and comprehensive exhibit could be made by a Charlottetown firm. Several gentlemen, who are in a position to judge, said to us that it was equal,—if not superior—to any Fur display in the Maritime Provinces.

We are satisfied that it was, by far, the best showing we have ever made, and those who did not have an opportunity of seeing it at the Exhibition, should lose no time in paying a visit to our big Fur department on the second floor.

We have everything you could possibly need in the Fur line, and of the very best qualities in the different grades, all at the prices which cannot fail to to be trade-winners.

We are especially proud of our Men's Coon Coats and Ladies' "Coristine" Jackets. These are beauties, every one, and all fully guaranteed.

Our neck-pieces and muffs are superb and range in price from $1.50 up to the most costly. No one need be without a comfortable neck ruff during the coming winter, as we have something to suit even the slimmest purse.

All are cordially invited to view our Fur display—even if you do not need to buy—and while in, do not fail to see our attractive Millinery display, which also received a big share of favorable attention at the Provincial Exhibition. For all that is best in Millinery and Furs try
