

Maroons Lose Overtime To The Falcons 3 To 1 NEW GLASGOW CLUB SADDER BUT WISER Rangers Break Jinx To Defeat Boston Bruins 2-1

(Associated Press) DETROIT, Mich., Nov. 19.—After battling through three periods to a one-one tie, the Detroit Falcons had enough reserve strength to pile up two goals in an overtime period, beating the Montreal Maroons 3 to 1 here tonight in the Montreal team's first appearance in Detroit this season.

It was the first victory the Detroit team had scored over the Maroons in two seasons. Tonight they played wise hockey, watching for breaks, keeping a firm defense and after fighting even at the end of the regulation time, came out to score two goals in the overtime.

Dave Trotter got the lone Maroon goal less than a minute after the game started. Ward, Maroon wingman, drove a shot at Alex Connell in the Falcon nets, the puck bounding high in the air, Trotter swung in to poke the rubber past the Falcon goalie.

Reg Noble, who played a stellar game for the Falcons, tied up the score midway in the first period, making a one-handed drive on Norman Smith, Maroon goalie, to score on a hard shot from close in. In the overtime Alex Smith, Fal-

con defense man, gave a pass to Johnny Sorrell that broke the tie and gave the game to the Falcons. The third Detroit goal came when the Maroons were rushing four men down the ice in a desperate attempt to score, Herbie Lewis giving Aurie a pass that Smith could not save.

NEW GLASGOW, N. S., Nov. 19.—New Glasgow last year imported an even dozen hockey players. It is no secret that the club lost money. This year not one of those players remain with the team. New Glasgow has learned a lesson.

Of last year's team only Bill Forbes, Thurston Cook and Paddy Nolan, defence players; Syd Malcolm, forward, and Jimmy McLean, substitute goalie, remain. It is with a nucleus of these players that New Glasgow's 1931-32 team will be organized.

With a record behind them of always having been able to produce a formidable aggregation, New Glasgow hockey officials are undaunted. Such was the confidence of the townspeople in their ability to handle the situation that at an enthusiastic public meeting recently these men were again entrusted with the job of lifting the Steel Town out of the hockey's backyard and elevating it to a place among the leaders.

Tommy Foster, an enthusiastic backer of New Glasgow teams for several years, has been installed as manager of this year's outfit. Associated with Mr. Foster on the committee are such well known and capable sportsmen as Councillor E. Scott, R. J. Bennett, H. Wilks, Mayor Grant, A. D. Ross, James Oiding, W. T. Hayden and N. W. Mason.

With a pronounced program of "use home talent first" as was urged as a necessary measure due to financial difficulties, New Glasgow is looking forward with renewed hopes.

One exceedingly bright spot in the New Glasgow situation is that Chester Gregory, one of the outstanding hockey mentors in the country is available to coach the team. Gregory's services were sought by the Halifax Wolverines, but he turned down the proposition to remain in his home town.

The strength of the team can only be speculated upon. Jimmy McLean is slated to hold down the net minding position. This youngster did not get much chance last year but he showed his ability in the Old County League. Billy Forbes played some fine defensive hockey last year. The coming season should find him doing regular duty for New Glasgow. Then there is the veteran pair Paddy Nolan and big Thurston Cook, should it be possible to get them to return to the blades. Paddy showed some of his old stuff early last season, but later stepped aside to make room for younger players. Remember Syd Malcolm? Syd is likely to secure a regular berth up on the firing line along with Foster Dickson. The latter, a fairly good centre ice man, didn't get a fair chance with his home town outfit last year.

NEW YORK RANGERS BROKE A "JINX" OF NEARLY THREE YEARS' STANDING TONIGHT WHEN THEY DEFEATED THE BOSTON BRUINS 2 TO 1 IN A FAST NATIONAL HOCKEY LEAGUE GAME.

NEW YORK, N. Y., Nov. 19.—The New York Rangers broke a "jinx" of nearly three years' standing tonight when they defeated the Boston Bruins 2 to 1 in a fast National Hockey League game. It was the first time the Rangers had beaten Boston since December 1928, losing 15 games and deadlocking three in the interval.

Bill Cook, ace of the Rangers' forwards, scored both goals, but it was Ching Johnson, big defense star, who was the hero of the victory. Bill Touhey, former Ottawa player, scored the Bruin tally, on a well placed long shot in the first period.

Both teams had plenty of speed for an early season clash and kept it up in fine style, but the Bruins lacked finish in their passing and shooting and lost several of their best scoring chances through off-sides.

With a record behind them of always having been able to produce a formidable aggregation, New Glasgow hockey officials are undaunted. Such was the confidence of the townspeople in their ability to handle the situation that at an enthusiastic public meeting recently these men were again entrusted with the job of lifting the Steel Town out of the hockey's backyard and elevating it to a place among the leaders.

Court of Prince County on Thursday morning, two young lads, Fred Wedge of Ebbstreet and Thomas Cannon of Miminigash were tried before His Honor, Judge Inman, under the Speedy Trials Act on a charge of breaking and entering the store of Messrs Gallant and Co. at Woodstock. They had been sent up for trial at the preliminary hearing before Mr. J. E. Campbell, J. P. on Nov. 12th last, and appeared before Judge Inman on Wednesday and elected to be tried under the Speedy Trials Act, the hearing being set down for Thursday. Both lads pleaded guilty. Before sentence was pronounced Mr. Ernest H. Strong, K. C. counsel for the defense made a strong plea for clemency on account of the tender age of the boys, one being 16 years and the other 19 years of age; also on account of the extenuating circumstances connected with the theft, both boys being out of employment and Wedge being without a home. Judge Inman deferred sentence until Nov. 26th at 10 a. m. Mr. W. Henry Noonan, appeared for the Crown.—S.

LOOKING 'EM OVER

BY "TEC"

TO-NIGHT'S THE NIGHT When Abegweits and Fredericton Capitals step on the Forum ice tonight to do battle, they will have had the privilege of adding another page to Maritime hockey history. Tonight, November 20th, will be chronicled as the earliest date of a hockey game ever played in the "Provinces By The Sea."

To state that there will be a large crowd at the game, would be putting it mildly, as manager Bill Gillespie of the Forum informed the writer last night that he expected a sellout—about 3,500 tickets.

Abegweits and Fredericton are reported in excellent early season form and anxious for the whistle. It is likely that coach Hlkeson will start Stull behind the posts; Gross and Oliver defence; Kane, right wing; Squarebriggs, centre, and Schwab, left wing, with Doucett, Lawlor and Nicholson as his second front line string. It is expected that Saunders and Williams will attend to the relieving end behind the blue line.

The game tonight although of an exhibition variety is none the less important—first blood of the season gives a club that extra confidence necessary in all branches of athletics. It is understood that Ivan Reddin, a gentleman who knows his hockey rules backwards, will be on the whistle.

"HAWKS" ARE HERE

The Hawks, upon whom Moncton hockey fans pin their hopes for a senior championship, arrived in the city last evening, and this morning will don their training togs for a week's workout in the Forum previous to their first engagement in the Super Six Maritime circuit, booked for Friday night of next week.

Coach Percy Nicklin, successful Fort Francis mentor, is in charge of the party composed of twelve players and including three of last year's Victorias. The Hawks will train on the Forum ice until November 30 when they are slated to meet the Halifax Wolverines in a Super Six game in Halifax. From there they will return to Moncton and it is hoped to have the Stadium completed by that time and ready for ice.

THE TEAM

The team is composed of Jimmy Foster, goal; Len Burrage, Bill Gill, Eddie Kervin, "Copie" LeBlanc, defencemen; Duke MacDonald, Monty Muckle, Jimmy McIntosh, Norman Cook, Bert Connolly, "Red" Cook, and "Snap" Dickie. Of this group, Kervin, LeBlanc and Dickie were members of last winter's Victorias, while the other young athletes took up residence in Moncton since the close of the 1930 campaign. "Wick" James, Percy McKenzie and others are expected to join the squad on its return to Moncton.

HOCKEY IN THE OLD COUNTRY Ice hockey, due, no doubt, to the missionary work of teams from Canada and the influence of Canadians resident in the Old Country, is making progress in England. It has passed the stage of exhibition matches, and entered organized league competition. "The Ice Hock-Shamrocks" ... 2 0 0 0 0 0 0
