STOCK QUOTATIONS

The Market At A Glance

TORONTO, April 17—(CP) — The Toronto Stock Market turned heavy late in today's session after displaying moderate strength in the early session. Base metal Stocks were still up at the close while small index losses were netted by the golds and western oils.

NEW YORK, April 17 — (AP)— Scattered stocks responded moderately to a little investment demand in today's market but dwindling support for many leaders put them in the minus column.

The Associated Press 60-stock average was off .1 of a point at 51.-8. Transfers of 537,720 shares compared with 477,220 in the preceding 5-hour stretch which were the smallest since Oct. 14, last.

WINNIPEG, April 17 — (CP)— Irregular rye trade and minor wheat export business was reported today on the Winnipeg Grain Exchange. Cash prices Rye: 2 C.W. 1.32⅝; Oats: 2 feed 50; 3 feed 49; other grades 51½; Barley: 3 feed 63¾; other grades 64¾.

CHICAGO, April 17 — (AP) — Small declines were recorded in wheat today as heavy snows were reported in western Kansas, an area in need of moisture, and Canadian dispatches credited the commodity credit corporation with purchasing 5,500,000 bushels of Canadian wheat last week. American interests also took 300,000 bushels of Canadian rye.

LONDON, April 17—(CP) — The Stock Market closed quietly today but the undertone was firm. There was some scattered buying in industrials, although home rails were inclined to be lower and oils irregular. Kafirs dividend payers were steady but kaffir development shares were neglected. Internationals were mostly unchanged while British funds held firm and foreign bonds were inactive.

MONTREAL, April 17—(CP) — All groups moved to slightly lower ground in the indicies in transactions today on the Stock Exchange and Curb Market. Down in utilities were Montreal Power, Shawinigan, Ottawa Paper and Brazilian. International Utilities "A" touched a new high and southern Canada Power preferred was also up C.P. R., was shaded in carriers.
