Light, refreshing, musical. That's the type of "One Hour With You," Maurice Chevalier's latest picture, now playing at the Prince Edward. Unmistakable, incomparable, irresistible Maurice Chevalier, the joy- maker supreme, prescribes love and laughter for all your troubles in his latest picture, ably supported by Jeanette McDonald, the screen's sweetest singer, Genevieve Tobin and that rare comedian, Charles Ruggles. There are several excellent songs which everyone will be singing or whistling long after the picture has finished its engagement. If you want to spend a pleasant hour don't miss "One Hour With You."

Chevalier A Hit At Prince Edward

Fine Mystery Talkie At The Capitol

The average mystery story usually proceeds along the formula of starting with the (more or less mysterious) demise of one of the characters and then proceeds to unravel the solution.

"Murder at Midnight," is now the headline attraction at the Capitol Theatre, starts like all good mysteries, but there the similarity ceases. During the course of somewhat more than an hour required for the screening of the picture, no less than four mysterious killings are presented, each one handled in a manner that denotes ingenuity in the highest degree.

From the moment that the opening of a clock chiming the striking hour of midnight until the startling and surprising climax which brings the solution of the entire situation the spectator is kept aflutter by the choicest collection of thrills yet assembled for the cinema.

A Child: No one can be altogether wretched for long together who has the charge of a healthy, happy, loving little child.

The quarterly session of the Grand Division Sons of Temperance of P. E. Island was held in O'Leary Hall on Thursday, May 12th, 1932, with a goodly number of members present. The afternoon meeting opened at two o'clock with John N. Profit, G. W. A., in the chair. The G. W. P., Rev. A. F. Baker, was unable to be present because of his illness. After the opening ceremony the following committees were appointed to look after the business of the afternoon and evening meet- ings.

Enrollment Comm.: Sister Florence MacCaul, Sister Carrie Borrows, Bro. Ralph MacCaul. Finance Comm.: Bros. Colin Smith, T. W. Costain, Ralph B. MacCaul. State of the Order Comm.: Bros. J. C. Brodie, W. E. Brookes, John Profit.

The different committees brought in their reports as follows: Enrollment Comm. reported 8 Divisions represented with 31 members present.

Finance Com. reported a substan- tial balance in the treasury. Report of the state of the Order Com.: "We are glad to hear the splendid report of the Grand Scribe and how well the members of sub- ordinate lodges co-operate with him in his work. We are also glad to hear that our Order is in a flourish- ing condition, although no new Divisions have been organized during the past quarter, our member- ship has increased. We are glad to be able to report that our Grand Supt. of Y. P. work expects to or- ganize a Band of Hope at Murray Harbor in the near future. We are glad to know that the G. Division is celebrating the 100th anniversary of pledge signing in the British Em- pire and trust it will be a good success. We approve of the action that the Grand Division has taken today in planning a special tem- perance drive during September and expect all our divisions churches to cooperate in this work. We are sorry to learn that our G. W. P. is unable to be with us today on ac- count of illness and hope to hear of his speedy recovery. Submitted in Love, Purity and Fidelity, W. E. Brooks, J. C. Brodie, John N. Profit.

Committee on Resolutions report- ed as follows: 1. That we, the members of Grand Division hereby express our thanks for, and appreciation of, the kindness of the members of the O'Leary Division and the residents of the village for entertainment so graciously bestowed.

2. Whereas, it has recently come to our knowledge that Rev. R. H. Staver has been bereaved by the death of his brother. Therefore re- solved that we, his Brother mem- bers of Grand Division, tender him our sincere sympathy in this, his hour of sorrow.

3. The members of the Order hereby express their sympathy to Rev. Brother Baker in his illness, we trust it will be of short duration and that he will soon be again able to take his usual active part in the work of the order and the further- ance of temperance work through- out the Province.

4. Whereas, the Order has in- stituted a Publicity and Propaganda campaign in the public press by publishing temperance articles from time to time. Therefore resolved that we commend the action of the Order. We thank those who supply the material to the press and the papers that supply space without charge.

5. Whereas, the Government has continued the present Prohibition Act and a vigorous enforcement of the Act, and whereas, in our judg- ment, government sale in the other provinces has not lessened the bever- age use of alcohol, therefore re- solved that we congratulate the government of this Province for their action in enforcing the present law, and further resolved that we ask them to continue the act now in force and that no consid- eration be given to any move to change this act for one of govern- ment control. Submitted in Love, Purity and Fidelity, Mrs. E. S. Burleigh, Raeford Locke, Alton Webb, A. J. Matheson.

The G. W. P. has suggested to the Executive Committee the propo- sition of holding Temperance Week in conjunction with a cele- bration in England, marking the 100th anniversary of signing of Total Abstinence Pledges in the British Empire. The Executive has given this considerable attention and suggests the plans which are enclosed herewith. There has been some correspondence and confer- ence on the matter and I see no reason why it should not be a suc- cess if approved by Grand Division. The week suggested by your Committee is Sept. 11-18. You are asked to approve this part of our program.

Nothing has been done in way of organization of new Divisions. Several prospects are just waiting to be looked into viz.: Glenwood, Victoria West, and St. Catherine's. Submitted in Love, Purity and Fidelity, Arthur F. Baker, Grand Worthy Patriarch.

Report of Grand Scribe

It is my pleasure and duty to present to you a report from the office of Grand Scribe for the quarter ending March 31st, 1932.

First of all, I wish to thank the members of the different subordi- nate divisions for their friendly let- ters, which I have received, full of cheer and hope. I greatly appre- ciate the cooperation I receive from the subordinate Divisions, and hope that this office will ever receive the same cooperation.

I am glad to report our Order is in a flourishing condition. The dif- ferent Divisions seem to be march- ing forward as it were in the fight against Intemperance. Perhaps the most marked progress may be seen in the new Divisions organized last autumn. Special mention may be made of "King George," Murray Harbor, which was organized last September. Today it reports a mem- bership of 112 and thereby holds the banner for the Province. I also received a communication, which I passed on to the Superintendent of Y. P. work, from the above Division stating they are contemplating or- ganizing a Juvenile Division or Band of Hope. The people of Mur- ray Harbor are to be commended for keeping the Star of temperance shining in that part of the Prov- ince.

During the past quarter I attend- ed a meeting of the executive which was held in Summerside. The following actions were taken at said meeting: As this year is the 100th anniversary of pledge signing in the British Empire, it was de- cided that we as a Grand Division would celebrate this anniversary some time this year. A committee was appointed to arrange for the celebration. The committee is as follows: G. W. P., G. Scribe, Rev. R. H. Staver, Rev. W. S. Loring, and Rev. J. W. A. Nicholson. It was decided that we arrange for a weekly broadcast through station CFXY, Charlottetown.

A meeting of the 100th anniver- sary committee was attended at Kensington. The actions of the meeting are as follows: To hold the celebration in the week of Sept. 11-18, using Sunday the 18th as a temperance Sunday. To seek the cooperation of the churches and all other societies that comprise the Temperance Federation, in this celebration. The G. W. P. and G. Scribe are to arrange for a program in the Sons of Temperance.

An essay contest in the schools the week of the celebration was suggested.

It was decided to ask the press for space for temperance literature that week.

Submitted in Love, Purity and Fidelity, Ralph B. MacCaul, Grand Scribe.

The evening meeting opened at 8 o'clock with John N. Profit in

the chair. The following program was rendered: Opening Ode; Ad- dress of Welcome, W. E. Brooks; Reply to Address of Welcome, Ralph B. MacCaul; Duet, Mrs. A. F. Baker and R. Brewer Auld; Ad- dress, A. J. Matheson; Reading, Florence MacCaul; Address, Rev. G. A. D. Elliott; Address, James C. Brodie; God Save the King.

SOUTHAMPTON, England, May 16, (A.P.)—A mail plane catapulted from the German liner Europa several hundred miles at sea, arrived here today on scheduled time. The Europa is due tomorrow.

This information apparently solved the mystery of a seaplane sighted 150 miles off Land's End by two American steamers today, the Ala and the McKeeney. At first it was thought the plane might have been a trans-Atlantic voyager.
