### GETTING READY FOR CONTEST CLOSING

Race is so Close That These Last Days of Efforts May Make You a Winner—Vote Standing to 10 A. M. Tuesday Dec 13th.

It is hardly necessary for the candidates to remind the contestants that only a few more days are left in which to take the maximum possible in the contest, as the final counting will be held Saturday night, Dec. 17th, at 10 o'clock p. m., and it will then be determined the same evening who will take the magnificent prizes as set out in this paper.

Interest from now on will be in the race with the vote, which will be both large and effective. Unthought of surprises will be at the bottom of the list and in two days they may be of the leaders. The moves on the checkboard will change often, and the rise and fall of the contestants near the goal.

### A DOUBLE CURE FOR DOUBLE TROUBLE

Father Morrissy's No. 26 Cures Catarrh by a Combined Treatment.

The sudden weather variations in our climate result in a great many cases of catarrh—a troublesome disease usually considered hard to cure, and one which often leads to serious pulmonary and intestinal troubles.

A neglected cold in the head weakens the nasal membranes, so that at every future exposure the trouble returns. At length these conditions are fastened onto the system, and the sufferer undergoes the annoyance and danger of chronic catarrh.

Some doctors confine themselves to prescribing external applications, and thus do not reach the seat of the trouble. Others give internal treatment exclusively, and this does not promptly relieve the affected parts.

Father Morrissy, the skilled physician, rightly regarded catarrh as a double trouble, consisting of unpleasant local effects and their fundamental causes, the latter having to do with impurities in the blood.

His famous remedy, No. 26, is a combined cure for catarrh. It consists of tablets to be taken three times a day, and an especially compounded salve.

The salve is antiseptic, and quickly heals the inflamed membranes of the nasal passages. The tablets go to the seat of the trouble and restore the system to its usual tone. Together, they cure.

Instead of neglecting a disease that is unpleasant to yourself and to others, and one which often leads to pneumonia and consumption, it is surely the part of wisdom to take timely steps to do away with the effects and at the same time remove the cause. No. 26 does just that.

### DYSPEPSIA Can Be Cured.

This disease is the all prevailing malady of civilized life, and one which oftenest baffles all ordinary treatment. It gives rise to a great variety of distressing symptoms, such as distress after eating, rising and souring of food, wind in the stomach, heartburn, etc.

Nearly everything that enters a weak dyspeptic stomach acts as an irritant; hence the great difficulty of effecting a cure.

The long train of distressing symptoms, which render life a burden to the victim of dyspepsia, may be promptly cured by the use of Burdock Blood Bitters.

B.B.B. regulates the stomach, liver and bowels, stimulates secretion of the saliva and gastric juice to facilitate digestion, purifies the blood, and tones up the entire system.

Mrs. Herman Dickens, Benton, N.B., writes: "I have used Burdock Blood Bitters and find that few medicines can give such relief in dyspepsia and stomach troubles. I was troubled for a number of years with dyspepsia, and could get no relief until I tried Burdock Blood Bitters. I took three bottles and became cured, and I can now eat anything without it hurting me. I will highly recommend it to all who are troubled with stomach trouble."
