surplus of \$7.00. Mr. Mather said that was all very well, but the eggs might go down in price to 60 cents...

Mr. Rayner discussed with this gentleman the advisability of going into the fox business, as well as mixed farming.

After a short stop at Chicago, Mr. Rayner travelled to Florida. He was impressed very much with the Haine City, Fla. situated on the highest point of land in the State...

The second period found both teams going strong. St. Peters having a slight advantage, nothing too more tallies while the visitors did not succeed in passing Lewis.

At their home rink on Friday evening the St. Peters school team defeated Souris High school 9 to 8.

The game was a whole was not very fast owing to the soft condition of the ice, but nevertheless it was featured with spectacular rushes and fine exhibitions of stick handling.

At the evening session the following resolution, moved by A. J. Matheson, seconded by G. D. Wright, was unanimously carried:

Resolved that this Right Worshipful Grand Lodge, now in session wish to place themselves on record that they are heartily in accord and will support the action being taken by the ladies of the Social Service Council of this Province in petitioning the Provincial Government to enact certain laws relating to children being born out of wedlock...

Measles are quite prevalent throughout the rural districts. In Hampton the teacher Miss Mabel MacDonald has been confined to her home with this disease.

The child of Mr. Rand of the Rectory, Craupud who is ill with diphtheria is doing well. The church there is closed owing to illness in the Rectory's family.

The condition of Mr. Donald MacLean of Craupud, is quite serious. His friends hope he may recover as he has been putting up a good fight.

Mr. J. A. Ince of Anchorage, Alaska, who has been visiting his home in Hampton for the past few months is soon to return to the far West. He has given many interesting lectures on Alaska, its people, their manner of living and the great resources of that far-off land.

MONTREAL PHYSICIAN ON CASE—Dr. Fred McKay one of the leading physicians of Montreal arrived in Summerside Tuesday night being called there on account of the serious illness of Miss Edith McFarlane who is in the P. C. Hospital.

BAPTIST GIRLS COUNCIL MEETING—The Charlottetown Girls' Council for March was held in the Baptist Schoolroom on Saturday 8th at 6 p.m. The Baptist girls supplied the supper for the occasion. A service of worship was led by the Vice-President. The topic of discussion was "Missions," a very interesting questionnaire on the subject having been previously prepared.

When at Clyde River corner one cannot fail to notice the well-equipped horse-drawn people worshipping in the Presbyterian Church have erected to shelter the horses used in conveying them to the house of God. Worship within the sanctuary can be better enjoyed when one knows the dumb animals, man's good friends, are being sheltered from the wind and storm.

Grand Orange

(Continued from Page 1)

At the evening session the following resolution, moved by A. J. Matheson, seconded by G. D. Wright, was unanimously carried: Resolved that this Right Worshipful Grand Lodge, now in session wish to place themselves on record that they are heartily in accord and will support the action being taken by the ladies of the Social Service Council of this Province in petitioning the Provincial Government to enact certain laws relating to children being born out of wedlock...

The climate is considerably better in Florida than in California, as the latter climate is absolutely dry, while Florida has rainfalls during the year, totalling last year in the vicinity of 4 feet. Very little rain falls during the winter—there was only one rainstorm during Mr. Rayner's three weeks stay. The heaviest rains are in May, June, July and part of August, which is the proper season for fruit growing.

With the exception of Haine City, Mr. Rayner believes the other men of the present transient boom, as there is no farming country or orange groves around them and their existence depends on northern capital. The boom, however, is certainly with them at present. At St. Petersburg, twelve years ago, Mr. Rayner was offered 1,000 acres of this land for a million dollars. At Haine City, however, he purchased eighteen lots.

In Vancouver too, the business advanced within quite recent years has been wonderful. Mr. Rayner was there while the Grain Commission met. He was led to believe that before very long the grain from Alberta and Saskatchewan will be going through the port of Vancouver.

"If I were a young man I never would leave Western Canada for United States," Mr. Rayner declared. "If I were going to leave this Province at all, I would leave for the Canadian West, for it is there the big possibilities are. I would strike out some place along the C. N. R. and grow up with the country." Mr. Rayner met several Islanders in Vancouver, and vicinity, and all were doing splendidly. They had gone from ten to thirty years, and many of the older residents in the country were quite wealthy.

Among other Islanders he met Messrs. Wallace and Benjamin Hayward. Wallace is in the real estate business, and Ben is farming. Both are old pioneers, having gone to the town, and only half a dozen houses on the street.

Mr. A. E. LeFevre, formerly of Summerside, is in the real estate business there; Messrs. McDonald and Cameron, formerly of the eastern part of the Island, are now in partnership; Mr. Alex. Laird, formerly with Mr. W. E. Bentley in Charlottetown, is a well known Vancouver lawyer; Dr. Champlin and Dr. Dunbar, formerly of Alberton, are doing well there; also Messrs. Frank Cahill formerly of Alberton, John and William Foley, formerly of Kildare.

Asked for an opinion regarding the progress of the fox business generally Mr. Rayner said he was convinced a genuine boom was in sight. This he did not expect to be as sensational as the early days of the fox industry in P. E. Island but nevertheless, from everything he had seen on his trip across the continent, there were indications of greatly increased business.

How To Guard Against Appendicitis The best way to guard against appendicitis is to flush both upper and lower bowel once a week with simple glycerine, buckthorn bark, etc., as mixed in Adierkas' most medicines act only on lower bowel but Adierkas acts on BOTH upper and lower bowel and removes all poisons. Helps any case ease on stomach in TEN minutes. Excellent for obstinate constipation. Hughes Drug Co., Ltd., Charlottetown, P. E. I.

IN MEMORIAM In loving memory of Mrs. Robert Stead, Wheatley River, who died March 11th, 1923. A loving Mother from us is gone A voice we love is stilled A place made vacant in our home Which never can be filled. Lies one we loved so dearly In her silent lonely grave Friends may think she is forgotten But they little know the sorrow Lies within our hearts concealed. Days of sorrow still comes o'er us Tears in silence often flow Memory keeps you ever near us Though you died one year ago. Inserted by her Husband ROBERT STEAD

ROBERTSON—At Red Point on Monday, March 10, 1924 to Mr. and Mrs. Alton Robertson, a son. Congratulations.

DEATHS MacKENZIE—At Rose Valley on March 11th, John K. MacKenzie aged 79. Funeral on Friday, March 14th at 1 o'clock.

STEWART.—Passed peacefully away on March 11th, 1924 at the home of her daughter Mrs. Charles Kinsermiller, 120 South Clarkson, Denver, Colorado. Mrs. David Stewart at the age of 82 years.

IN MEMORIAM In loving memory of Mrs. Robert Stead, Wheatley River, who died March 11th, 1923. A loving Mother from us is gone A voice we love is stilled A place made vacant in our home Which never can be filled. Gleanings Here And There

Mr. Malcolm Murchison, eldest son of Dr. Alexander and Mrs. Murchison of Clyde River is very seriously ill at his home. He has, been until a couple of weeks ago the efficient clerk of Mr. Fisher in this city. His many friends are hoping he may speedily regain his health and return to his usual work.

When at Clyde River corner one cannot fail to notice the well-equipped horse-drawn people worshipping in the Presbyterian Church have erected to shelter the horses used in conveying them to the house of God. Worship within the sanctuary can be better enjoyed when one knows the dumb animals, man's good friends, are being sheltered from the wind and storm.

During the past year this Province had the honour of welcoming, and for a short time, entertaining His Excellency Baron Byng of Vimy, Governor General of Canada, and Lady Byng. Our people remember with pride and gratitude the services of His Excellency to the Empire during the Great War, and especially his splendid leadership of our Canadian men, and the expectations thus raised were more than realized during the visit, by his fine personality, and the graciousness and charm of Her Excellency.

Our thanks are due to Divine Providence for the bountiful harvest with which our farmers have been blessed during the past season. Fair prices prevailed for all farm products, although it is a matter of regret that the difference between the price the farmer receives for his produce and that which he has to pay for the commodities of life is still so great.

The resignation of Rev. M. D. MacDonald did not formally come before the Presbytery. The Clerk mentioned it had been withdrawn. All members were gratified to learn Mr. MacDonald was to remain at Murray River. Two representatives, Messrs. Malcolm MacNeill and Norman Stewart, from his congregation voted the good feeling of the people toward Mr. MacDonald and their earnest desire to retain him and their great joy that his resignation is not being accepted.

Measles are quite prevalent throughout the rural districts. In Hampton the teacher Miss Mabel MacDonald has been confined to her home with this disease. Consequently the school is closed. No serious results so far have arisen.

The child of Mr. Rand of the Rectory, Craupud who is ill with diphtheria is doing well. The church there is closed owing to illness in the Rectory's family.

The condition of Mr. Donald MacLean of Craupud, is quite serious. His friends hope he may recover as he has been putting up a good fight.

FORMAL OPENING YESTERDAY

The Speaker then addressed His Honour as follows: "Your Honour having been pleased to approve of the choice of the Assembly in electing me to be their Speaker, it now becomes my duty in the name and behalf of the Assembly to claim and demand that they have all their ancient and accustomed rights and privileges, especially freedom of arrest, freedom of speech in debate, access to Your Honour when they think the public service requires it and that the most favourable construction be put upon all their proceedings and on my behalf I have to request that any error of mine may not be imputed to the Assembly."

To which the Clerk of the House replied: "His Honour hath the utmost confidence in the loyalty and attachment of this Assembly to His Majesty's person and Government, and in the wisdom and temper and providence which will accompany all their proceedings, and he doth most readily and willingly grant and allow them all their privileges in as full and ample a manner as they have at any time heretofore been granted and allowed."

His Honour, the Lieutenant Governor was then pleased to open the Session with the following: "The following officers were elected for the ensuing year: President—Mr. J. O. Hyndman; First Vice President—Hon. Dr. W. J. P. McMillan; Second Vice President—Mr. S. A. McLeod; Honorary Secretary Treasurer—Mr. R. H. Rogers."

It was decided to institute a campaign for membership some time this spring. The following gentlemen will be asked to serve as an executive committee for the Branch: Hon. Chief Justice Matheson, Hon. Mr. Justice Arsenault, Messrs. A. B. Morrison, Percy Pope, F. R. Heaz, David Bethune, W. F. Tidmarsh, Dr. A. B. Reid, C. L. Miles, S. F. Hodgson, Capt. W. S. Gordon, G. D. Wright, Dr. S. R. Jenkins, L. B. McMillan, J. A. McMillan, Lieut.-Col. D. A. McKinnon, E. T. Higgs, W. H. Prowse, T. B. Grady, G. J. McCormack, Hon. J. A. McDonald, J. LeRoy Holman, Summerside, D. P. McNutt, Malpeque, E. Boswell, Victoria, Dr. A. A. McDonald, Souris, Capt. John Read, Borden, J. Howard McDonald, Georgetown, Maynard, McDonald, M. L. A., Montague, J. B. Myrick, Tignish, E. L. Rogers, Alberton, A. J. Matheson, O'Leary, Shelton Sharpe, Bigelow.

It is the intention of my Government to continue a programme of road improvement under The Canada Highways Act in such a modified form as to permit of the expenditure being made for work of a permanent character only.

The question of maintenance on the improved highways, and the better upkeep of all our roads is engaging the attention of my Government, and a measure for the amendment of The Road Act, which will simplify and improve the present system, will be introduced.

In October last the Province was swept by one of the most destructive storms in its history. The damage done to the bridges has been repaired to some extent, but a large outlay will be necessary to complete the restoration of all the structures destroyed. It is the policy of my Government to have the work of reconstruction as permanent as possible.

A simpler and more accurate and up-to-date system of keeping accounts in the several departments of the Public Service is being devised and will be put into operation during the present year.

Measures will be submitted for your consideration affecting the Public Road System Taxation The Public School Act and our Jury System.

The Public Accounts will be laid before you and the estimates for the income and expenditure for the current year will be submitted. I am assured that the estimates of expenditure have been prepared with the utmost regard for that economy which is so vitally necessary.

I now leave you to the business of the Session with full confidence that your deliberations will be governed by consideration for the best interests and welfare of the Province.

Nothing is of greater importance to any country or community than its system of Education.

Following the Speech from the Throne, upon the retirement of His Honour the Lieutenant Governor and staff, Mr. J. Augustine McDonald moved, seconded by Mr. Maynard F. McDonald, that on the following day the House consider a reply to the Speech.

The following standing committees were appointed: Private Bills Hon. Mr. Prowse, Messrs. Buntain, M. F. MacDonald, Dennis and Irving.

Printing and Binding Journals Hon. Mr. McNeill, Dr. A. A. MacDonald, Mr. Saunders.

Legislative Library Hon. J. A. McDonald, Hon. Dr. McMillan, Messrs. Tanton, Dennis and McArthur.

Engrossing Bills Messrs. Buntain, J. H. MacDonald, Hunter, Dennis, and McArthur.

Revising of Journals Hon. Mr. Wood, Dr. A. A. MacDonald, Mr. Blanchard.

Contingent Committee Hon. Mr. Kennedy, Messrs. McLean and McArthur.

Nfld. Schooner Lost With All On Board (Canadian Press) ST. JOHNS, Nfld., Mar. 12.—The loss of a Newfoundland sailing vessel, probably with all on board, became known today when a radio message from the steamer Huron reported wreckage of the schooner Roy Bruce of St. John's had been sighted in mid ocean February 27th.

The schooner's hull had been cut in two, apparently in a collision with another vessel and no survivors were found.

WASHINGTON, Mar. 12.—Secretary of Navy Denby's resignation became effective today amid tributes of his associates in the Navy Department.

"I am trying," he told them "to die with my face towards the enemy." Mr. Denby's retirement is the first break in the cabinet during President Coolidge's administration.

Women and prices must trust somebody. Minard's Linctment for Coughs.

Annual Meeting Of P. E. Island Branch Of The Navy League

The Annual Meeting of the Prince Edward Island Branch of the Navy League of Canada was held in the Navy League Institute on the 11th inst., the President, Mr. J. O. Hyndman, in the chair.

The following officers were elected for the ensuing year: President—Mr. J. O. Hyndman; First Vice President—Hon. Dr. W. J. P. McMillan; Second Vice President—Mr. S. A. McLeod; Honorary Secretary Treasurer—Mr. R. H. Rogers.

It was decided to institute a campaign for membership some time this spring. The following gentlemen will be asked to serve as an executive committee for the Branch: Hon. Chief Justice Matheson, Hon. Mr. Justice Arsenault, Messrs. A. B. Morrison, Percy Pope, F. R. Heaz, David Bethune, W. F. Tidmarsh, Dr. A. B. Reid, C. L. Miles, S. F. Hodgson, Capt. W. S. Gordon, G. D. Wright, Dr. S. R. Jenkins, L. B. McMillan, J. A. McMillan, Lieut.-Col. D. A. McKinnon, E. T. Higgs, W. H. Prowse, T. B. Grady, G. J. McCormack, Hon. J. A. McDonald, J. LeRoy Holman, Summerside, D. P. McNutt, Malpeque, E. Boswell, Victoria, Dr. A. A. McDonald, Souris, Capt. John Read, Borden, J. Howard McDonald, Georgetown, Maynard, McDonald, M. L. A., Montague, J. B. Myrick, Tignish, E. L. Rogers, Alberton, A. J. Matheson, O'Leary, Shelton Sharpe, Bigelow.

THE PRESIDENT'S ADDRESS. Following is the address of the President, Mr. J. O. Hyndman: "Although a great deal is not heard of the Navy League now-a-days, I am glad to say it is still functioning in various ways and endeavoring to be of service in the community."

The special appeal sent out last fall by Dominion Headquarters for membership and financial support, did not receive the response in Prince Edward Island that was hoped for, but the reason for this was largely on account of the financial appeal put on at that time by the P. E. I. Hospital and it was decided to allow the Navy League appeal to stand in abeyance until this spring. It is interesting to learn, however, that the appeal of the Navy League in Ontario and other Provinces has been quite successful.

In order that it should receive enthusiastic support here as elsewhere, it seems that it should only be necessary to give proper publicity to the facts in connection with the objects of the institution. Some of which should be stated here and as set out by Dominion Headquarters: The Navy League of Canada reminds us that it is our solemn duty at all times to work for, live for, and need be die for, the preservation of Canadian Nationality and Imperial Unity.

The Navy League believes that a Nation's ships and crews are its best ambassadors abroad and an effective educational factor at home.

The Navy League of Canada maintains Sea Cadet Corps, which offer facilities found nowhere else, whereby the best interests of the boy, the ship and the nation are safeguarded and advanced.

The Navy League believes that British supremacy upon the sea is essential if the honour and integrity of Canada and the Empire are to be assured. The League therefore realizes a responsibility of promoting the welfare of those who follow the calling of the sea. Sailors are entitled to be the honored guests of landmen and that to welcome them ashore is the privilege of all good citizens.

The Navy League of Canada, therefore, supports and maintains Sailors' Homes and Institutes throughout the Dominion.

The Navy League has been the only organization in Canada to provide for the dependents of the men of Canada's Merchant Marine who lose their lives on the High Seas by enemy action during the Great War. Regular monthly allowances have been paid in Prince Edward Island, as elsewhere, for several years past.

In Prince Edward Island during the past summer, we entertained the officers and men of H. M. S. "Capetown" while in port and also the officers and men of the H. M. C. S. "Patriot" and the success of our efforts in this regard was very largely due to Mr. F. R. Heaz, the Chairman of the Entertainment Committee. Concerts and other entertainments were also put on for the men of the Merchant Marine.

The Navigation School had very satisfactory results in 1923 under the instruction of Comm. Lewin, R. N. R. Unfortunately just at the time the school was about to open for the present session, Comm. Lewin was obliged to return to England owing to a sad bereavement in his family. The opening was delayed some weeks but the committee were very fortunate in being able to secure the services of Capt. M. C. Allenby, R. N., who recently arrived out from England, and the school is making splendid progress.

This Division is endeavoring to revive this year a sea cadet corps and a number of boys have already enlisted. We understand the Department of National Defense has given this important matter some consideration and it is to be hoped that in the near future, an arrangement may be effected so that the boys of the city schools can have the option of a sea cadet or military cadet training. The P. E. I. Division has been the means of assisting quite a number of island boys in securing positions in the Mercantile Marine and we are glad to know they are meeting with very good success.

This Division has also offered to cooperate with the Yachting Club in every possible way and to assist in revival and promotion of boating on our beautiful harbor.

During the past year, we were honored with a visit from Mr. Sam Harris, (Continued on Page 2)

Bonds to Yield 6 1/2% and More The time may not be far distant when yields of 6 1/2% and higher on high-grade Corporation Bonds will cease to be obtainable. Those who invest in such Bonds at current prices can ensure a satisfactory income return for many years to come. Write for our List "G.O." which contains a selection of particularly attractive investments.

St. Peters Win From Souris, Score 9-8

At their home rink on Friday evening the St. Peters school team defeated Souris High school 9 to 8. The game was a whole was not very fast owing to the soft condition of the ice, but nevertheless it was featured with spectacular rushes and fine exhibitions of stick handling.

The game got away at 8.15, the St. Peters boys taking the lead from the very first and holding it till the last period. In the first period St. Peters succeeded in piling up the score of 4 while S. H. S. only found the net once.

St. Peters 4, S. H. S. 1.

The second period found both teams going strong. St. Peters having a slight advantage, nothing too more tallies while the visitors did not succeed in passing Lewis. Period ended St. Peters 6, S. H. S. 1.

In the third period S. H. S. set a furious pace and within five minutes tied the score, but the Bay boys were equal to the occasion and two minutes later sagged the net behind St. John. The Souris boys again went through and put an easy one past Lewis. St. Peters again came on strong and netted two more. With four minutes to play S. H. S. made a desperate effort to score, and two minutes before the last gong sounded S. H. S. went through for the last score. Game ended St. Peters 9, S. H. S. 8.

Ronald McInnis refereed in his usual capable manner, four penalties being handed out for minor offences.

For S. H. S. Brennan and McLean starred, while O'Hanley, R. Lewis and J. McKinnon played an excellent game for St. Peters.

Poincare May Form New Cabinet

(Canadian Press) PARIS, March 11.—Premier Poincare will be called on to form another cabinet should a ministerial crisis occur as the outcome of the senate's action this coming Thursday, according to opinion expressed in parliamentary circles this afternoon. It was predicted that the Premier would be retained as head of the government whether the crisis came about through an adverse vote or the resignation of the cabinet because of delay in action on the pending fiscal measures.

PARIS, March 10.—A Havas despatch states that a Galois express train was derailed near Lyons this morning. Four passengers were killed and 25 injured. All victims of the accident are British.
