## ALL NEWS OF LOCAL INTEREST

### Reporters and Correspondents Everywhere.

The Retailer and Advertiser reproduces Jas. Paton & Co's fur ad recently published in this paper.

The 14th Regt. Band are preparing a special program for Xmas afternoon and night, when the rink will be opened. Preparations are being made for a big crowd. The lunch room is being removed to a more convenient section and also enlarged.

The induction of Rev. Edwin Smith M. A. into the pastoral charge of the Presbyterian congregation of Cardigan took place Thursday morning at 11 o'clock. Rev. R. G. Sinclair presided and inducted, Mr. Coffin preached and Mr. Craise addressed the Minister and T. C. James the people. All the addresses, as well as the sermon, were of a high order and the newly inducted pastor begins his ministry under very favorable circumstances. The manse is being painted and papered and a new furnace installed, while the barn and out-buildings have all been put into first class repair. The Church and manse are beautifully situated on the banks of the Cardigan river overlooking the town and are both comfortable and beautiful.

The death occurred at Bradford, Lot 28, on Saturday, 12th inst. of Jessie, eldest daughter of James Harvey of that place. The deceased who was in her 17th year was a young woman of beautiful character, and was greatly beloved by all who knew her. The funeral took place on Monday afternoon, and was largely attended, service both at the house and grave being conducted by Rev. A. D. McDonald. About eighteen months ago the family was bereaved of a loving wife and mother, and now a beloved daughter is called away, thus causing a very sad break in the family life. There are left to mourn a father and family of seven for all of whom the deepest sympathy is felt. To the stricken ones The Guardian tenders sincerest sympathy.

The annual meeting of the St. Peter's Agricultural Society and Farmers' Institute was held in the Courthouse on Tuesday the 24th of November at 3 o'clock p. m. with Chas. Wayne, President in the chair. In his opening remarks he expressed his regret that there were so few farmers joining the Institute but hoped that they would come in better next year. The Secretary submitted the Director's Report which showed a membership of sixty one. The Society held during the year five regular meetings and two Institute meetings at which lectures were delivered by Messrs. Blair and Sheppard. The meeting expressed a wish to have more lectures during the coming winter. The following officers for the coming year were elected:

President—Oliver W. Anderson.  
Vice President—Archibald McAulay.  
Secretary—Andrew Lewis.  
Treasurer—A. To'phus McEwen.  
Directors—Oliver W. Anderson, Archibald McAulay, Chas. Wayne, James McIsaac, Nelson McKay, Hugh McMillan, Adolphus McEwen, Crawford Hayden, Andrew Lewis.—The recent snap has made a wonderful improvement on the mud side-walk which was laid on one side of the Bay Bridge late in the fall.—Our school, which was closed during the summer is now progressing favorably under the present teachers E. J. Moffat, and Miss Katie Johnson. The new desks purchased from Mark Wright & Co. for the Principal's room were put in yesterday. They not only add to the appearance of the room but also to the comfort of the scholars.

## THE Y. M. C. A. BOYS' CHRISTMAS FUND.

"He gives twice who gives quickly."

The past two days with its frosty air and biting wind remind us that the winter season, a time of such need to those but poorly prepared, is upon us. Our first appeal for contributions to the Christmas fund brought in a generous response, but the gifts so far are quite inadequate to fill stockings for the many poor children whose names we have received.

We can best enjoy the good things, which this season of the year brings to us, by sharing with others. A great many of the children in the comfortable homes of Charlottetown have discarded toys and books which would bring joy to the heart of some poor child.

As there are many stockings to fill we would appreciate having the contributions sent in early. Money, candy, fruit, nuts, raisins, toys, books, etc. etc., all will be acceptable. Gifts will be distributed without regard to creed or color. Names of poor children will be gladly received at the office of the Y. M. C. A.

- The following additional contributions have been received:
- Friend, 50c.

**AN ATTACK OF PNEUMONIA WARDEN OFF.**

"Some time ago my daughter caught a severe cold. She complained of pains in her chest and had a bad cough. I gave her Chamberlain's Cough Remedy according to directions and in two days she was well and able to go to school. I have used this remedy in my family for the past seven years and have never known it to fail," says James Prendergast, merchant, Annato Bay, Jamaica, West India Islands. The pains in the chest indicated an approaching attack of pneumonia, which in this instance was undoubtedly warded off by Chamberlain's Cough Remedy. It counteracts any tendency of a cold toward pneumonia. For sale by all druggists.
