Pound Begins Upward Climb

NEW YORK, June 7—(AP)—The pound sterling started a long climb forward today after the first shock of the new English exchange restrictions had worn off.

At the close of foreign exchange dealings sterling showed a net gain of 10 cents after dropping 20 cents immediately after news of the restrictions. Money dealers freely predicted open trade in the British money was doomed.

Buyers took current offerings, it was explained, on the theory outstanding contracts would be settled at the free rate. Similar leeway was given the market when England put whisky, tin, rubber and jute on the list of commodities which could be paid for only at the official rate.

The official rate is currently around 17 cents above the free, which closed at $3.85 in terms of United States funds.

The French franc followed sterling closely, adding .06 of a cent to 2.18 1-2 cents. The Swiss franc held unchanged at 22.40 cents.

The Canadian dollar, up for a time, closed 1 cent lower at 79 cents. (Ottawa foreign exchange control board rate 9.09-9.91 pc dis.)

FINANCE

By Frederick Gardner
Associated Press Financial Writer

NEW YORK, June 7—(AP)—Wall Street expressed increased hopes for the Allied defence today by pushing prices of stock leaders ahead one to two points.

With the exception of Hollinger, off a fraction, Canadian issues moved forward. International Nickel advanced a point and Distillers, Dome, Lake Shore, Walkers, Brazilian, Ford, Imperial Oil and Shawinigan improved.

The Associated Press average of 60 selected stocks rose .4 of a point at 38.3, continuing yesterday's lift. Transactions totaled 469,410 shares, compared with 427,315 yesterday.

Assisting the movement for the rise were reports that Washington favored a program which would provide about 1,000 American fighting planes for the Allies.

In immediate response came substantial gains for steel, motor, aircraft and chemical shares. Other issues followed.

Leaders on the upside were U. S. Steel, Bethlehem, Youngstown, General Motors, Chrysler, Douglas, Lockheed, United Air Lines, American Airlines, Monsanto Chemical, Allied Chemical, Westinghouse, Phillip Morris, International Nickel, American Telephone, Loews, National Biscuit, Celanese and Texas Corp.

SALE FOR HOOKED MATS

The splendid prospects for an increase in the number of visitors to our Province this year demands that we meet their requirements in the way of hooked rugs and fancy needlework.

I have opened a sales display room opposite the Prince Edward Theatre for the convenience of the members of the Women's Institutes and their friends who wish to leave their tourist offerings here where they will be in the constant charge of a lady clerk, as we will have a line of souvenirs and Island made handicraft.
