Minard's Liniment Co. Limited.

Dear Sirs,—While in the country last summer I was badly bitten by mosquitoes, so badly that I thought I would be disfigured for a couple of weeks, I was advised to try your Liniment to allay the irritation, and did so. The effect was more than I expected, a few applications completely cured the irritation, and prevented the bites from becoming sore. MINARD'S LINIMENT is also a good article to keep off the mosquitoes.

Yours truly,
W. A. V. R.

OTHER PEOPLE'S FAILURE

Someone who had an insight into human nature once said, "To treat a man as if he were better than they are is the surest way to make them better." It would be an excellent thing for us all if we not only recognized this truth by the light of reason, but infused it into our daily practice.

On the contrary, most of us appear to go upon the opposite principle. Whether it is that our minds dwell so much upon other people's failings that they are magnified in our view, or whether we fancy that they need a deeper conviction of the enormity of their misdoings to lead them to better things, certain it is that, so far from generally treating men as if they were better than they are, we usually treat them as if they were a little worse.

And it is just because we do this so constantly and so unconsciously that we need special watch and care against it.

Help us, through good report and ill. Our daily cross to bear; Like Thee to do our Father's will, Our brethren's grief to share.

Should friends misjudge, or foes defame, On brethren faithless prove, Then, like Thine own, be all our aim, To conquer them by love.

Kept peaceful in the midst of strife, Forgiving and forgiven, Oh, may we lead the pilgrim's life, And follow Thee to heaven, Amen.

UGH! HOW CHILDREN HATE CASTOR OIL

Delicious "Syrup of Figs" best to cleanse their little clogged bowels.

Look back at your childhood days. Remember the physic that mother insisted on—castor oil, calomel, cathartics. How you hated them, now you fight against them.

With our children it's different. The day of harsh physic is over. We don't force the liver and 30 feet of bowels now; we coax them. We have no dreaded after effects. Mothers who cling to the old form of physic simply don't realize what they do. The children's revolt is well-founded. Their little stomachs and tender bowels are injured by them.

If your child is fretful, peevish, has sick stomach, sour breath, feverish and his little system full of cold; has diarrhoea, sore throat, stomach-ache; doesn't eat or rest well—remember—look at the tongue, if coated, give a teaspoonful of Syrup of Figs, then don't worry, because you surely will have a well, smiling child in a few hours.

Syrup of Figs being composed entirely of luscious figs, senna and aromatics simply cannot be harmful. It sweetens the stomach, makes the liver active and thoroughly cleanses the little one's waste-clogged bowels. In a few hours all sour bile, undigested fermenting food and constipated waste matter gently moves on and out of the system without gripping or nausea.

Directions for children of all ages, also for grown-ups, plainly printed on the package.

By all means get the genuine. Ask your druggist for the full name "Syrup of Figs and Elixir of Senna" prepared by the California Fig Syrup Co. Accept nothing else.

DODD'S KIDNEY PILLS

THE PRODIGE

THIS ANNUAL SALE IS BREAKING ALL RECORDS

Last week we sold six organs and three pianos—a record for us—and at this rate the entire line will be cleared out long before the end of the month. Every day sees at least one instrument sold, so if you have any intention of buying, NOW—right now, is the time to select. Bargains like those come but once in a lifetime, and "it's up to you" to profit by them.

Some Important "Reasons--Why" The reason we have so many second-hand organs and pianos is the fact that we sometimes take a slightly used instrument as part payment for a new one. These pianos and organs take up a lot of valuable space and in many cases represent all the profit we make on a sale. So we are forced to sell them, even at a sacrifice, to make room for new goods. This is the reason why we have this sale. Our loss is your gain.

A Few Facts for You Some of the prices marked on these instruments would not pay for the cases alone. Every instrument has been thoroughly overhauled, turned and tested—new parts added and made good as new in every respect. In many cases, you know, an organ or piano needs some use before it acquires its full sonorous tone and sympathetic touch. These prices are for cash this fall. And 8 p. c. for time. We pay freight and give a stool and book free. Send your order in NOW.
